The Lacanian Review (TLR) is a semiannual English-language journal of psychoanalysis, with bilingual (French - English) presentations of texts by Jacques Lacan and Jacques-Alain Miller. TLR publishes writing from prominent international figures of the Lacanian

Orientation, featuring new theoretical developments in psychoanalysis, testimonies of the pass, dialogues with other discourses, and articles on contemporary culture, politics, art and science. Each issue explores a theme intersecting the symptoms of our era and emerging work in the New Lacanian School (NLS) and the World Association of Psychoanalysis (WAP). In issue 6 of The Lacanian Review (TLR), there is not a moment to lose. The acceleration of culture and the vertiginous pressure of the drive seem to collapse the instant to see,

the time to understand and the moment to conclude. The urgent subject of the now cannot catch up to rapid cycles of political upheaval and social media streams turned into torrents of data. Production overflows consumption in a tidal wave of imaginary cacophony. How does psychoanalysis today respond to urgent times? For its 6th issue, The Lacanian Review (TLR) tasks the signifier, Urgent!, to orient the work of the New Lacanian School (NLS) in examining the urgent cases that occupy our clinic in preparation for the 2019 NLS Congress in Tel Aviv: ¡URGENT! Tracing the edge of

the latest Lacan, Bernard Seynhaeve (President of the NLS) curated a series of newly established texts by Jacques Lacan and Jacques-Alain Miller, translated by Russell Grigg, appearing in the first ever bilingual featured section of TLR. Four lessons from the seminars of Jacques-Alain Miller frame this issue. TLR 6 draws heavily from the work of the current Analysts of the School to explore four new fundamental concepts of psychoanalysis: Pass, Real Unconscious, Urgent Cases, and Satisfaction. Interviews with Angelina Harari (President of the WAP), Ricardo Seldes (Director of Pausa), and Lee Edelman (Professor of English Literature at Tufts University) elaborate fundamental concepts across the work of the School One, the clinic of applied analysis, and literary theory in dialogue with psychoanalysis. A groundbreaking orientation text by Éric Laurent from the 2018 Congress of the World Association of Psychoanalysis (WAP) will be published for the first time in English, along with clinical cases exploring transference and psychosis. And finally, approaching the problem of temporality in psychoanalysis, this issue spans Freudian time-

management to the logic of the cut in the Lacanian Orientation. TLR is published by the New Lacanian School (amp-nls.org) and distributed by the Lacanian Compass Bookshop (lacaniancompass.com) and Eurl Huysmans (ecf-echoppe.com).

#1 NEW YORK TIMES BESTSELLER • The book that sparked a revolution and inspired the hit Netflix series *Tidying Up* with Marie Kondo: the original guide to

decluttering your home once and for all. **ONE OF THE MOST INFLUENTIAL BOOKS OF THE DECADE**—CNN Despite constant efforts to declutter your home, do papers still accumulate like snowdrifts and clothes pile up like a tangled mess of noodles? Japanese cleaning consultant Marie Kondo takes tidying to a whole new level, promising that if you properly simplify and organize your home once, you'll never have to do it again. Most methods advocate a room-by-room or little-by-little approach, which doom you to pick away at your piles of stuff forever. The KonMari Method, with its revolutionary category-by-category system, leads to lasting results. In fact, none of Kondo's clients have lapsed (and she still has a three-month waiting list). With detailed guidance for determining which items in your house "spark joy" (and which don't), this international bestseller will help you clear your clutter and enjoy the unique magic of a tidy home—and the calm, motivated mindset it can inspire.

Are your counters covered with appliances you had to have but rarely use? Are your cupboards stuffed with clothes that you

hope to fit back into or that you paid a fortune for but only wore once? Have you been hanging on to that hideous teapot your mother gave you 10 years ago only because she gave it to you? Every time you go shopping do you come back with bags of more stuff because that pillow/blouse/cd/mixer will be the one thing that changes your life and then it doesn't change your life because you have nowhere to put it? In *It's All Too Much*, organisational guru Peter Walsh challenges you to answer a very simple but scary question: Does the stuff you own contribute to the life you hope to achieve or does it get in the way of your vision? Peter helps you assess the state of your home without any sugar coating and will teach you how to confront and conquer the stuff that is holding you back by identifying the purpose of each and every object in your home and assessing your reasons for holding onto it. He shows you how to identify which room is the heart of your home and then shows you why it is so important to keep that space clean and clear of clutter - if the heart of your home is clogged what does that say about you? He then helps you go room by room to ask

the important questions: What is the room? What's its purpose? What is this item? Does it contribute positively to the life you want? The answers to these questions will help you understand your priorities and fix your relationship with your stuff. And in gaining this understanding you can start to clear out the clutter!

"Jessica Teich's understanding of trauma is the infallible authority upon which her tale

rests. But the delicacy and nuance with which she renders this story is that of a poet." -- Meryl Streep Jessica Teich was among the first wave of women to expose Hollywood's culture of harassment and abuse. Her memoir, *The Future Tense of Joy*, tells the inspiring story of her own recovery from trauma, empowering other victims to move past silence and shame toward help, healing, and hope. Teich writes openly, courageously, of the challenges facing so many survivors: to feel safe, to find love, to nurture optimism and resilience, and to reclaim the sense of connection -- of belonging -- that defines us as human beings. Kirkus called *The Future Tense of Joy* "an honest, compassionate memoir about shaking off personal demons." Library Journal said, "Teich looks at motherhood, depression, the effect of damaging relationships, and the challenges placed on successful, driven women. She does so with grace and openness, even while exploring painful parts of her past." (starred review) *The Future Tense of Joy* belongs with classics of the genre—from *Eat, Pray, Love* and *The Glass Castle* to *Wild*—that celebrate the triumph of truth-telling and the redeeming

power of love. Lyrical, funny and brave, Teich's book speaks to anyone eager to emerge from the long shadow of betrayal to find love, liberation, and joy.

 NEW YORK TIMES BESTSELLER • REESE'S BOOK CLUB PICK • From a leading voice on racial justice, an eye-opening account of growing up Black, Christian, and female that exposes how white America's love affair with "diversity" so often falls short of its ideals. "Austin Channing Brown introduces herself as a master memoirist. This book will break open hearts and minds."—Glennon Doyle, #1 New York Times bestselling author of *Untamed* Austin Channing Brown's first encounter with a racialized America came at age seven, when she discovered her parents named her Austin to deceive future employers into thinking she was a white man. Growing up in majority-white schools and churches, Austin writes, "I had to learn what it means to love blackness," a journey that led to a lifetime spent navigating America's racial divide as a writer, speaker, and expert helping organizations practice genuine inclusion. In a time when nearly every institution

(schools, churches, universities, businesses) claims to value diversity in its mission statement, Austin writes in breathtaking detail about her journey to self-worth and the pitfalls that kill our attempts at racial justice. Her stories bear witness to the complexity of America's social fabric—from Black Cleveland neighborhoods to private schools in the middle-class suburbs, from prison walls to the boardrooms at majority-white organizations. For readers who have engaged with America's legacy on race through the writing of Ta-Nehisi Coates and Michael Eric Dyson, *I'm Still Here* is an illuminating look at how white, middle-class, Evangelicalism has participated in an era of rising racial hostility, inviting the reader to confront apathy, recognize God's ongoing work in the world, and discover how blackness—if we let it—can save us all.

Organised by region, and covering vital topics such as security, foreign policy, national politics and commerce, *The Great Imperial Hangover* combines gripping history and astute analysis to explain why the history of empire affects us all in profound ways.

"The Joy Luck Club is one of my favorite books. From the moment I first started reading it, I knew it was going to be incredible. For me, it was one of those once-in-a-lifetime reading experiences that you cherish forever. It inspired me as a writer and still remains hugely inspirational." —Kevin Kwan, author of *Crazy Rich Asians* Amy Tan's beloved, *New*

York Times bestselling tale of mothers and daughters, now the focus of a new documentary *Amy Tan: Unintended Memoir* on Netflix. Four mothers, four daughters, four families whose histories shift with the four winds depending on who's "saying" the stories. In 1949 four Chinese women, recent immigrants to San Francisco, begin meeting to eat dim sum, play mahjong, and talk. United in shared unspeakable loss and hope, they call themselves the Joy Luck Club. Rather than sink into tragedy, they choose to gather to raise their spirits and money. "To despair was to wish back for something already lost. Or to prolong what was already unbearable." Forty years later the stories and history continue. With wit and sensitivity, Amy Tan examines the sometimes painful, often tender, and always deep connection between mothers and daughters. As each woman reveals her secrets, trying to unravel the truth about her life, the strings become more tangled, more entwined. Mothers boast or despair over daughters, and daughters roll their eyes even as they feel the inextricable tightening of their matriarchal ties. Tan is an astute storyteller, enticing

readers to immerse themselves into these lives of complexity and mystery.

Transform a Mere Existence Into a Joy-Filled Authentic Life Penguin

Where do you seek God? Are you waiting for him to appear in a monumental, life-altering event? In *God Moments*, Catholic blogger Andy Otto shows you how to discover the unexpected beauty of God's presence in the story of ordinary things and in everyday routines like preparing breakfast or walking in the woods.

Drawing on the Ignatian principles of awareness, prayer, and discernment, Otto will help you discover the transforming power of God's presence in your life and better understand your place in the world. Andy Otto found God's presence in surprising moments during his life—when, as a Jesuit scholastic, he taught children in Jamaica and also as he discerned the call to marriage with his wife. By combining elements of Ignatian spirituality with the lessons that came from his experiences, Otto identified three practices that helped him find God in all things:

Awareness—Gain an understanding that God is present in the ordinary messiness of our lives such as battle with depression

or sharing in the struggle of a friend.

Prayer—Develop a prayer life using Ignatian practices such as asking for a morning grace and examining how your prayer was answered at the end of the day. That way you can focus on a personal relationship with God that finds everyday physical activities such as making a meal as an opportunity to talk to him.

Discernment—The more you are aware of God's presence and draw closer to him in prayer, the better you can learn how to plug into God's narrative of the world in a way that enables you to participate in the divine story through the use of your gifts and talents. With *God Moments* as a guide, you'll have a better understanding of how to seek personal wholeness in the reality of God's presence in the ordinary and learn to accept his invitation to participate in his transformation of the world.

 Every time we eat, we have the power to radically transform the world we live in. Our choices can help alleviate the most pressing issues we face today: the climate crisis, infectious and chronic diseases, human exploitation and, of course, non-human exploitation. Undeniably, these issues can be uncomfortable to learn about but the benefits of doing so cannot be overstated. It is quite literally a matter of life and death. Through exploring the major ways that our current system of animal farming affects the world around

us, as well as the cultural and psychological factors that drive our behaviours, *This Is Vegan Propaganda* answers the pressing question, is there a better way? Whether you are a vegan already or curious to learn more, this book will show you the other side of the story

that has been hidden for far too long. Based on years of research and conversations with slaughterhouse workers and farmers, to animal rights philosophers, environmentalists and everyday consumers, vegan educator and

public speaker Ed Winters will give you the knowledge to understand the true scale and enormity of the issues at stake. *This Is Vegan Propaganda* is the empowering and groundbreaking book on veganism that everyone, vegan and sceptic alike, needs to read.
