 The charming
 Caldecott
 Medal-winning story
 about a magic pebble
 that makes wishes
 come true is now

Giroux (BYR)
In this Caldecott Medal-winning picture book, the true story of Wilson Bentley and his singular fascination with snowflakes is rendered in rich prose and gorgeous artwork, perfect for the holidays, snow days, and everyday. Wilson Bentley was always fascinated by snow. In childhood and adulthood, he saw each tiny crystal of a snowflake as a little miracle and wanted to understand them. His parents supported his curiosity and saved until they could give him his own camera and microscope. At the time, his enthusiasm was misunderstood. But with patience and determination, Wilson catalogued hundreds of snowflake photographs, gave

slideshows of his findings and, when he was 66, published a book of his photos. His work became the basis for all we know about beautiful, unique snowflakes today. This biographical tribute to a very special farmer is the perfect holiday gift or snow day read.

In a moment of fright Sylvester the donkey asks his magic pebble to turn him into a rock but then cannot hold the pebble to wish himself back to normal again.

Wizzil Farrar, Straus and Giroux (BYR)
 Solomon the bunny can turn himself into a rusty nail! "Steig combines a tale of uncanny transformation with his distinctively animated illustrations...Children will love this bizarre tale with its humorous drawings and lively sense of fun." --Pointer, Kirkus Reviews
 "Beautifully written and illustrated by paintings reflecting the sunny colors of spring...A classic by a peerless artist."--Publishers Weekly
Amos & Boris Sylvester and the Magic Pebble Records the misadventures of a group of sheep that go riding in a jeep.
Gorky Rises Farrar, Straus and Giroux (BYR)
 "Doctor De Soto, the

dentist, did very good work." With the aid of his able assistant, Mrs. De Soto, he copes with the toothaches of animals large and small. His expertise is so great that his fortunate patients never feel any pain. Since he's a mouse, Doctor De Soto refuses to treat "dangerous" animals--that is, animals who have a taste for mice. But one day a fox shows up and begs for relief from the tooth that's killing him. How can the kindhearted De Sotos turn him away? But how can they make sure that the fox doesn't give in to his baser instincts once his tooth is fixed? Those clever De Sotos will find a way. William Steig's Doctor De Soto is a 1982 New York Times Book Review

Notable Children's Book of the Year and Outstanding Book of the Year, a 1983 Boston Globe - Horn Book Awards Honor Book for Picture Books, and a 1983 Newbery Honor Book.

Sylvester and the Magic Pebble and Other Stories Little, Brown Books for Young Readers

"Will inspire, inform, and delight those of any age who are engaged in—or by—the arts." — The Horn Book Renowned children's literature authority Leonard S. Marcus speaks with twenty-one of the world's most celebrated illustrators of picture books, asking about their childhood, their inspiration, their creative choices, and more. Amplifying these

richly entertaining and thought-provoking conversations are eighty-eight full-color plates revealing each illustrator's artistic process in fascinating, behind-the-scenes detail. This inspiring collection confirms that picture books matter because they make a difference in our children's lives.

The Toy Brother
Candlewick Press
Once upon a time, there was a nice boy and his name was Gideon. He lived in a nice house, and he had nice parents and lots of toys. But Gideon wasn't satisfied. He wanted to be a hero. You know, a hero, with his name on the front page of the newspaper. That sort of thing. So how does anyone get to be a hero, anyway? Heroes have to be

strong. Heroes have to be brave. Heroes have to be clever. Don't they? With wry humor, Florence Parry Heide and Chuck Groenink explore how we choose our idols in a witty story that leaves it to readers to decide the real nature of heroism. Plus, this is the fixed format version, which looks almost identical to the print edition.

Amos the mouse and Boris the whale: a devoted pair of friends with nothing at all in common, except good hearts and a willingness to help their fellow mammal. They meet after Amos sets out to sea in his homemade boat, the Rodent, and soon finds himself in extreme need of rescue. Enter Boris. But there will

come a day, long after Boris has gone back to a life of whaling about and Amos has gone back to his life of mousing around, when the tiny mouse must find a way to rescue the great whale. The tender yet comical story of this friendship is recorded in text and pictures that are a model of rich simplicity. Here, with apparent ease and concealed virtuosity, Caldecott medalist William Steig brings two winning heroes to life. Amos & Boris is a 1971 New York Times Book Review Best Illustrated Book of the Year, Notable Children's Book of the Year, and Outstanding Book of the Year. *Sylvester and the Magic Pebble* Simon and Schuster
This volume shows

aspiring children's picture book writers that no matter how carefully they labor over a story's tone, word choice, plot, character, setting, theme and style, they must have a thorough grasp of its structure for it to succeed.

Roland the Minstrel Pig

Farrar, Straus and Giroux (BYR)

When Caleb finds himself transformed into a dog and is unable to tell his wife his true identity, he decides to become her companion.

In a moment of fright Sylvester the donkey asks his magic pebble to turn him into a rock but then can not hold the pebble to wish himself back to normal

again.

Sylvester and the Magic Pebble. (Children

Books). Farrar, Straus and Giroux (BYR)

Roland the pig plays the lute and sings so sweetly that his friends never have enough of listening to him. He has bigger dreams, though,

so he decides to take his show on the road and share his music with the world. He has a hard time finding an audience and is lonely at first, but then a fox named Sebastian appears and offers to take him to perform before the King. Little does Roland know, Sebastian actually plans on eating him.

Just as Sebastian starts to lower Roland over a firepit to roast him and all seems lost, the King appears to save the day, and both Sebastian and Roland

get the ending they deserve. Roland the Minstrel Pig is a classic picture book by Shrek creator William Steig.

Sylvester and the Magic Pebble Little Simon

Doctor DeSoto: A hungry fox with a toothache begs a mouse dentist to relieve his pain.

Dominic G.P. Putnam's Sons Books for Young Readers

One fresh and fair summer day, as soon as his parents go out, Gorky sets up his laboratory by the kitchen sink to have another try at concocting a magic potion. This time he strikes upon the missing ingredient--half a bottle of his mother's attar of roses--and he knows it's success at last. While he is waiting for the bubbly, glinting

liquid to show what it can do, he heads over to Elephant Rock, "his best spot for doing nothing." But on the way he stops to bask in the sun, soon falls asleep--and wakes to find himself floating in the immensely blue sky, clutching his bottle of magic. There follows the most astonishing, bewildering, and bedazzling adventure a young frog could possibly have. Orbiting the globe has its ups and downs, however, and Gorky soon begins to wonder if he'll ever get back to earth. He does manage to outwit the magic; but the potion saves a last surprise until Gorky reaches Elephant Rock, just on day later than he had planned. Gorky Rises is a 1980 New York Times Book

Review Best Illustrated Book of the Year, Notable Children's Book of the Year, and Outstanding Book of the Year.

Houghton Mifflin Harcourt

It's a bright and beautiful spring day, and Pearl, a pig, is dawdling on her way home from school. Most unexpectedly, she strikes up an acquaintance with a small bone. "You talk?" says Pearl. "In any language," says the bone. "And I can imitate any sound there is." (Its former owner was a witch.) Pearl and the bone immediately take a liking to each other, and before you know it she is on her way home with the bone in her purse, left open so they can continue their conversation. Won't

her parents be surprised when she introduces her talking bone! But before that happy moment comes, the resourceful bone must deal with a band of highway robbers in Halloween masks and, worse, a fox who decides that Pearl will be his main course at dinner that night. And deal it does, with gambits droll and thrilling. William Steig, incomparable master of the contemporary picture book, has never been better than in *The Amazing Bone*. *The Amazing Bone* is a 1976 New York Times Book Review Notable Children's Book of the Year and Outstanding Book of the Year, a 1977 Caldecott Honor Book, and a 1977 Boston Globe - Horn Book Awards Honor Book for Picture Books.

Sylvester and Magic

Pebble Abrams
 Abel's place in his familiar, mouse world has always been secure; he had an allowance from his mother, a comfortable home, and a lovely wife, Amanda. But one stormy August day, furious flood water carry him off and dump him on an uninhabited island. Despite his determination and stubborn resourcefulness--he tried crossing the river with boats and ropes and even on stepping-stones--Abel can't find a way to get back home. Days, then weeks and months, pass. Slowly, his soft habits disappear as he forages for food, fashions a warm nest in a hollow log, models clay statues of his family for company,

and continues to brood on the problem of how to get across the river--and home. Abel's time on the island brings him a new understanding of the world he's separated from. Faced with the daily adventure of survival in his solitary, somewhat hostile domain, he is moved to reexamine the easy way of life he had always accepted and discovers skills and talents in himself that hold promise of a more meaningful life, if and when he should finally return to Mossville and his dear Amanda again. Abel's Island is a 1976 New York Times Book Review Notable Children's Book of the Year and Outstanding Book of the Year, and a 1977 Newbery Honor Book.

To figure out William Steig's word puzzles you need merely read the letters, numbers, and symbols aloud. If at first the messages aren't clear, there are clever pictures accompanying each one to give you hints. Some are easy, some are hard, but all are a hilarious treat when the phrases are decoded. This is the original 1984 edition, with black-and-white drawings. Also included is an answer key at the end.

Spring is in the air!
Bear, Bird, and Mouse are all excited that winter snows are melting away, but their friend Rabbit is not. There are too many things about winter that Rabbit adores, and spring just seems to spell trouble. His friends offer an abundance of reasons to love spring and the changing seasons, but will Rabbit listen? Daniel Kirk has written a lively and humorous tale with the gentle message that change can be fun.
