LEBLANC STEWART

Drive HarperCollins Leadership

The Challenge Built to Last, the defining management study of the nineties, showed how great companies triumph over time and how long-term sustained performance can be engineered into the DNA of an enterprise from the very beginning. But what about the company that is not born with great DNA? How can good companies, mediocre companies, even bad companies achieve enduring greatness? The Study For years, this question preyed on the mind of Jim Collins. Are there companies that defy gravity and convert long-term mediocrity or worse into long-term superiority? And if so, what are the universal distinguishing characteristics that cause a company to go from good to great? The Standards Using tough benchmarks, Collins and his research team identified a set of elite companies that made the leap to great results and sustained those results for at least fifteen years. How great? After the leap, the good-to-great companies generated cumulative stock returns that beat the general stock market by an average of seven times in fifteen years, better than twice the results

delivered by a composite index of the world's greatest companies, including Coca-Cola, Intel, General Electric, and Merck. The Comparisons The research team contrasted the good-to-great companies with a carefully selected set of comparison companies that failed to make the leap from good to great. What was different? Why did one set of companies become truly great performers while the other set remained only good? Over five years, the team analyzed the histories of all twenty-eight companies in the study. After sifting through mountains of data and thousands of pages of interviews, Collins and his crew discovered the key determinants of greatness -- why some companies make the leap and others don't. The Findings The findings of the Good to Great study will surprise many readers and shed light on virtually every area of management strategy and practice. The findings include: Level 5 Leaders: The research team was shocked to discover the type of leadership required to achieve greatness. The Hedgehog Concept (Simplicity within the Three Circles): To go from good to great requires transcending the curse of competence. A Culture of Discipline: When you combine a culture of discipline with an ethic of entrepreneurship, you get the magical alchemy of great results. Technology Accelerators: Good-to-great companies think differently about the

role of technology. *The Flywheel and the Doom Loop*: Those who launch radical change programs and wrenching restructurings will almost certainly fail to make the leap. "Some of the key concepts discerned in the study," comments Jim Collins, "fly in the face of our modern business culture and will, quite frankly, upset some people." Perhaps, but who can afford to ignore these findings?

I Had a Brother Once Morgan James Publishing

India today is a vibrant free-market democracy, a nation well on its way to overcoming decades of widespread poverty. The nation's rise is one of the great international stories of the late twentieth century, and in *India Unbound* the acclaimed columnist Gurcharan Das offers a sweeping economic history of India from independence to the new millennium. Das shows how India's policies after 1947 condemned the nation to a hobbled economy until 1991, when the government instituted sweeping reforms that paved the way for extraordinary growth. Das traces these developments and tells the stories of the major players from Nehru through today. As the former CEO of Procter & Gamble India, Das offers a unique insider's perspective and he deftly interweaves memoir with history, creating a book that is at once vigorously analytical and vividly written. Impassioned, erudite, and eminently readable, *India Unbound* is a must for anyone interested in the global economy and its future.

The Black Book of Communism Renard Press Ltd

The New York Times bestseller that gives readers a paradigm-shattering new way to think about motivation from the author of *When: The Scientific Secrets of Perfect Timing* Most people believe that the best way to motivate is with rewards like money—the carrot-and-stick approach. That's a mistake, says Daniel H. Pink (author of *To Sell Is Human: The Surprising Truth About Motivating Others*). In this provocative and persuasive new book, he asserts that the secret to high performance and satisfaction—at work, at school, and at home—is the deeply human need to direct our own lives, to learn and create new things, and to do better by ourselves and our world. Drawing on four decades of scientific research on human motivation, Pink exposes the mismatch between what science knows and what business does—and how that affects every aspect of life. He examines the three elements of true motivation—autonomy, mastery, and purpose—and offers smart and surprising techniques for putting these into action in a unique book that will change how we think and transform how we live.

The Difficulty of Being Good Harper Collins

The New York Times bestselling work of undercover reportage from our sharpest and most original social critic, with a new foreword by Matthew Desmond, author of *Evicted* Millions of Americans work full time, year round, for poverty-level wages. In 1998, Barbara Ehrenreich decided to join them. She was inspired in part by the rhetoric surrounding welfare reform, which promised that a job—any job—can be the ticket to a better life. But how does anyone survive, let alone prosper, on \$6 an hour? To find out, Ehrenreich left her home, took the cheapest lodgings she could find, and accepted whatever jobs she was offered. Moving from Florida to Maine to Minnesota, she worked as a waitress, a hotel maid, a cleaning woman, a nursing-home aide, and a Wal-Mart sales clerk. She lived in trailer parks and crumbling residential motels. Very quickly, she discovered that no job is truly "unskilled," that even the lowliest occupations require exhausting mental and muscular effort. She also learned that one job is not enough; you need at least two if you int to live indoors. *Nickel and Dimed* reveals low-rent America in all its tenacity, anxiety, and surprising generosity—a land of Big Boxes, fast food, and a thousand desperate stratagems for survival. Read it for the smoldering clarity of Ehrenreich's perspective and for a rare view of how "prosperity" looks from the bottom. And

now, in a new foreword, Matthew Desmond, author of *Evicted: Poverty and Profit in the American City*, explains why, twenty years on in America, *Nickel and Dimed* is more relevant than ever.

Why I Write Penguin

In fifty well-crafted vignettes, the author searches the sweep of human history for great dog stories, from tales of great Ulysses and his dog, Argos, to FDR's Scottish terrier.

A Fine Family Phoemixx Classics Ebooks

A large segment of the population struggles with feelings of being detached from themselves and their loved ones. They feel flawed, and blame themselves. *Running on Empty* will help them realize that they're suffering not because of something that happened to them in childhood, but because of something that didn't happen. It's the white space in their family picture, the background rather than the foreground. This will be the first self-help book to bring this invisible force to light, educate people about it, and teach them how to overcome it.

The Wounded Animal Beacon Press

When *The Unbearable Lightness of Being* was first published in English, it was hailed as "a work of the boldest mastery, originality, and richness" by critic Elizabeth Hardwick and named one of the best books of 1984 by the New York Times Book Review. It went on to win the Los Angeles Times Book Prize for Fiction and quickly became an international bestseller. Twenty years later, the novel has established itself as a modern classic. To commemorate the anniversary of its first English-language publication, HarperCollins is proud to offer a special hardcover edition. A young woman in love with a man torn between his love for her and his incorrigible womanizing; one of his mistresses and her humbly faithful lover -- these are the two couples whose story is told in this masterful novel. Controlled by day, Tereza's jealousy awakens by night, transformed into ineffably sad death-dreams, while Tomas, a successful surgeon, alternates loving devotion to the dependent Tereza with the ardent pursuit of other women. Sabina, an independent, free-spirited artist, lives her life as a series of betrayals -- of parents, husband, country, love itself -- whereas her lover, the intellectual Franz, loses all because of his earnest goodness and fidelity. In a world in which lives are shaped by irrevocable choices and by fortuitous events, a world in which everything occurs but once, existence seems to lose its substance, its weight. Hence we feel, says the novelist, "the unbearable lightness of being" -- not only as the consequence of our private acts but also in the public sphere, and the two inevitably intertwine. This magnificent novel encompasses the extremes of comedy and tragedy, and embraces, it seems, all aspects of human existence. It juxtaposes geographically distant places (Prague, Geneva, Paris, Thailand, the United States, a forlorn Bohemian village); brilliant and playful reflections (on "eternal return," on kitsch, on man and animals -- Tomas and Tereza have a beloved doe named Karenin); and a variety of styles (from the farcical to the elegiac) to take its place as perhaps the major achievement of one of the world's truly great writers.

The Quigleys HarperCollins

Why should we be good? How should we be good? And how might we more deeply understand the moral and ethical failings--splashed across today's headlines--that have not only destroyed individual lives but caused widespread calamity as well, bringing communities, nations, and indeed the global economy to the brink of collapse? In *The Difficulty of Being Good*, Gurcharan Das seeks answers to these questions in an unlikely source: the 2,000 year-old Sanskrit epic, *Mahabharata*. A sprawling, witty, ironic, and delightful poem, the *Mahabharata* is obsessed with the elusive notion of dharma--in essence, doing the right thing. When a hero does something wrong in a Greek epic, he wastes little time on self-reflection; when a hero falters in the *Mahabharata*, the action stops and everyone weighs in with a different and often contradictory take on dharma. Each major character in the epic embodies a significant moral failing or virtue, and their struggles mirror with uncanny precision our own familiar emotions of anxiety, courage, despair, remorse, envy, compassion, vengefulness, and duty. Das explores the *Mahabharata* from many perspectives and compares the successes and failures of the poem's characters to those of contemporary individuals, many of them highly visible players in the world of economics, business, and politics. In every case, he finds striking parallels that carry lessons for everyone faced with ethical and moral dilemmas in today's complex world. Written with the flair and seemingly effortless erudition that have made Gurcharan Das a bestselling author around the world--and enlivened by Das's forthright discussion of his own personal search for a more meaningful life--*The Difficulty of Being Good* shines the light of an ancient poem on the most challenging moral ambiguities of modern life.

Nicomachean Ethics University of Chicago Press

This majestic novel by the author of *India Unbound* is the extraordinary chronicle, rich in passion and incident, of a Punjabi family that is uprooted from its settled existence in Lyallpur by the violence of Partition and forced to flee to India. Everything is lost in the transition, but when a son is born into the family, hopes revive of rebuilding the family's fortunes, the efforts towards which mirror those of India itself as it struggles to build itself anew.

Becoming Columbia University Press

In a novel-in-verse that brims with grief and love, National Book Award-winning and New York Times bestselling author Elizabeth Acevedo writes about the devastation of loss, the difficulty of forgiveness, and the bittersweet bonds that shape our lives.

Camino Rios lives for the summers when her father visits her in the Dominican Republic. But this time, on the day when his plane is supposed to land, Camino arrives at the airport to see crowds of crying people... In New York City, Yahaira Rios is called to the principal's office, where her mother is waiting to tell her that her father, her hero, has died in a plane crash. Separated by distance—and Papi's secrets—the two girls are forced to face a new reality in which their father is dead and their lives are forever altered. And then, when it seems like they've lost everything of their father, they learn of each other. Great for summer reading or anytime! *Clap When You Land* is a Today show pick for "25 children's books your kids and teens won't be able to put down this summer!" Plus don't miss Elizabeth Acevedo's *The Poet X* and *With the Fire on High!*

India Grows At Night Oxford University Press

Through a series of aphorisms, the Romanian philosopher meditates on the nature of being alive. In this volume, which reaffirms the uncompromising brilliance of his mind, Cioran strips the human condition down to its most basic components, birth and death, suggesting that disaster lies not in the prospect of death but in the fact of birth, "that laughable accident." In the lucid, aphoristic style that characterizes his work, Cioran writes of time and death, God and religion, suicide and suffering, and the temptation to silence. Through sharp observation and patient contemplation, Cioran cuts to the heart of the human experience. "A love of Cioran creates an urge to press his writing into someone's hand, and is followed by an equal urge to pull it away as poison." —*The New Yorker* "In the company of Nietzsche and Kierkegaard." —*Publishers Weekly* "No modern writer twists the knife with Cioran's dexterity. . . . His writing . . . is informed with the bitterness of genuine compassion." —*Boston Phoenix* "An orgy of cynicism and philosophical violence that circles around a ludicrous jibe . . . that the thing to be avoided at all costs is—yes!—getting born. The renewal of Species is an endless holocaust, and in this "fallen universe" the one unpardonable crime is to inflict Life on the unborn." —*The Irish Times (Ireland)* *Philosophy and Animal Life* Melville House

An intimate, powerful, and inspiring memoir by the former First Lady of the United States #1 NEW YORK TIMES BESTSELLER • WATCH THE EMMY-NOMINATED NETFLIX ORIGINAL DOCUMENTARY • OPRAH'S BOOK CLUB PICK • NAACP IMAGE AWARD WINNER • ONE OF ESSENCE'S 50 MOST IMPACTFUL BLACK BOOKS OF THE PAST 50 YEARS In a life filled with meaning and accomplishment, Michelle Obama has emerged as one of the most iconic and compelling women of our era. As First Lady of the United States of America—the first African American to serve in that role—she helped create the most welcoming and inclusive White House in history, while also establishing herself as a powerful advocate for women and girls in the U.S. and around the world, dramatically changing the ways that families pursue healthier and more active lives, and standing with her husband as he led America through some of its most harrowing moments. Along the way, she showed us a few dance moves, crushed Carpool Karaoke, and raised two down-to-earth daughters under an unforgiving media glare. In her memoir, a work of deep reflection and mesmerizing storytelling, Michelle Obama invites readers into her world, chronicling the experiences that have shaped her—from her childhood on the South Side of Chicago to her years as an executive balancing the demands of motherhood and work, to her time spent at the world's most famous address. With unerring honesty and lively wit, she describes her triumphs and her disappointments, both public and private, telling her full story as she has lived it—in her own words and on her own terms. Warm, wise, and revelatory, *Becoming* is the deeply personal reckoning of a woman of soul and substance who has steadily

defied expectations—and whose story inspires us to do the same.
Nicomachean Ethics Anchor

Reflections on life and art from the legendary filmmaker-novelist-poet-genius. By the time he published *The Difficulty of Being* in 1947, Jean Cocteau had produced some of the most respected films and literature of the twentieth century, and had worked with the foremost artists of his time, including Proust, Gide, Picasso and Stravinsky. This memoir tells the inside account of those achievements and of his glittering social circle. Cocteau writes about his childhood, about his development as an artist, and the peculiarity of the artist's life, about his dreams, friendships, pain, and laughter. He probes his motivations and explains his philosophies, giving intimate details in soaring prose. And sprinkled throughout are anecdotes about the elite and historic people he associated with. Beyond illuminating a truly remarkable life, *The Difficulty of Being* is an inspiring homage to the belief that art matters.

The Invisible Life of Addie LaRue Penguin UK

A brilliant, genre-defying work—both memoir and epic poem—about the struggle for wisdom, grace, and ritual in the face of unspeakable loss “A bruised and brave love letter from a brother right here to a brother now gone . . . a soaring, unblinking gaze into the meaning of life itself.”—Marlon James, author of *Black Leopard, Red Wolf* my father said david has taken his own life Adam is in the middle of his own busy life, and approaching a career high in the form of a #1 New York Times bestselling book—when these words from his father open a chasm beneath his feet. *I Had a Brother Once* is the story of everything that comes after. In the shadow of David's inexplicable death, Adam is forced to re-remember a brother he thought he knew and to reckon with a ghost, confronting his unsettled family history, his distant relationship with tradition and faith, and his desperate need to understand an event that always slides just out of his grasp. This is an expansive and deeply thoughtful poetic meditation on loss and a raw, darkly funny, human story of trying to create a ritual—of remembrance, mourning, forgiveness, and acceptance—where once there was a life.

Being Good in a World of Need Penguin UK

Four funny and fabulous stories told by each member of the unforgettable Quigley family. Meet Dad, Mum, Will, and Lucy, whose hilarious exploits have created a modern classic for bedtime reading, a treat to be enjoyed by both old and young.

The Difficulty of Being Good Penguin

Why should we be good? How should we be good? Into the Wild Harper Collins

Nicomachean Ethics Aristotle - The *Nicomachean Ethics* is one of Aristotle's most widely read and influential works. Ideas central to ethics—that happiness is the end of human endeavor, that moral virtue is formed through action and habituation, and that good action requires prudence—found their most powerful proponent in the person medieval scholars simply called "the Philosopher." Drawing on their intimate knowledge of Aristotle's thought, Robert C. Bartlett and Susan D. Collins have produced here an English-language translation of the *Ethics* that is as remarkably faithful to the original as it is graceful in its rendering. Aristotle is well known for the precision with which he chooses his words, and in this elegant translation his work has found its ideal match. Bartlett and Collins provide copious notes and a glossary providing context and further explanation for students, as well as an introduction and a substantial interpretive essay that sketch central arguments of the work and the seminal place of Aristotle's *Ethics* in his political philosophy as a whole. The *Nicomachean Ethics* has engaged the serious interest of readers across centuries and civilizations—of peoples ancient, medieval, and modern; pagan, Christian, Muslim, and Jewish—and this new edition will take its place as the standard English-language translation.

India Unbound Simon and Schuster

From J.K. Rowling, a warm, fast-paced, funny fairy tale of a fearsome monster, thrilling adventure, and hope against all odds. Once upon a time there was a tiny kingdom called Cornucopia, as rich in happiness as it was in gold, and famous for its food. From the delicate cream cheeses of Kurdsburg to the Hopes-of-Heaven pastries of Chouxville, each was so delicious that people wept with joy as they ate them. But even in this happy kingdom, a monster lurks. Legend tells of a fearsome creature living far to the north in the Marshlands... the Ickabog. Some say it breathes fire, spits poison, and roars through the mist as it carries off wayward sheep and children alike. Some say it's just a myth... And when that myth takes on a life of its own, casting a shadow over the kingdom, two children - best friends Bert and Daisy - embark on a great adventure to untangle the truth and find out where the real monster lies, bringing hope and happiness to Cornucopia once more. Featuring full color illustrations by children from across the United States and Canada, this original fairy tale from one of the world's most celebrated storytellers will captivate readers of all ages.

White Fragility Penguin Books India

Enduringly profound treatise, whose lasting effect on Western philosophy continues to resonate. Aristotle identifies the goal of life as happiness and discusses its attainment through the contemplation of philosophic truth.
