Journalist Walls grew up with parents whose ideals and stubborn nonconformity were their curse and their salvation. Rex and Rose Mary and their four children lived like nomads, moving among Southwest desert towns, camping in the mountains. Rex was a charismatic, brilliant man who, when sober, captured his children's imagination, teaching them how to embrace life fearlessly. Rose Mary painted and wrote and couldn't stand the responsibility of providing for her family. When the money ran out, the Walls retreated to the dismal West Virginia mining town Rex had tried to escape. As the dysfunction escalated, the children had to fend for themselves, supporting one another as they found the resources and will to leave home. Yet Walls describes her parents with deep affection in this tale of unconditional love in a family that, despite its profound flaws, gave her the fiery determination to carve out a successful life. -- From publisher description.

From USA Today and Wall Street Journal best-selling romance author, W Winters, comes a provocative tale of a club designed for wealthy sinners. It's a story crafted for those of us who crave the villain. Not everyone knows about The Club, which is by design. The main floor

entertains the elite. There are dim lights, stolen touches and the liquor flows to ensure the guests get exactly what they want. There are high profile clients, cuffs and collars, contracts and secrets in every corner. But it's what lies beneath these floors, down the spiral staircase, that intrigues me the most. There's a man who stays in the corner of the darkest rooms. In this world of sinful tastes, he doesn't hide his face like the rest of them; he's not concerned with anonymity in the least. Declan Cross is powerful, brooding and his dark eyes speak of damage that my soul begs to unravel. I've always been drawn to men who are rough around the edges, the bad guys so to speak... but he's a kind of brutal that scares me. So I promised myself I'd stay away. I swore up and down, I would never give in to the fantasies that haunt me at night. One night changed everything. He knows I witnessed everything that happened. There are no deals or negotiations with men like him. He made it known in no uncertain terms what he desired most... I saw something I shouldn't have. And now I'm his. *Tease Me Once* is the beginning of a series. Prepare for everything seductive and beautifully dark.

A collection of pulse-pounding tales featuring forensic anthropologist

Temperance Brennan—including the untold story of her first case! This ebook edition contains a special preview of Kathy Reichs's upcoming novel *Two Nights*. The #1 New York Times bestselling author behind the hit Fox series *Bones*, Kathy Reichs is renowned for chilling suspense and fascinating forensic detail. The *Bone Collection* presents her trademark artistry in this collection of thrilling short fiction. In *First Bones*, a prequel to Reichs's first novel, *Déjà Dead*, she at last reveals the tale of how Tempe became a forensic anthropologist. In this never-before-published story, Tempe recalls the case that lured her from a promising career in academia into the grim but addictive world of criminal investigation. (It all began with

a visit from a pair of detectives—and a John Doe recovered from an arson scene in a trailer.) The collection is rounded out with three more stories that take Tempe from the low country of the Florida Everglades, where she makes a grisly discovery in the stomach of an eighteen-foot Burmese python, to the heights of Mount Everest, where a frozen corpse is unearthed. No matter where she goes, Tempe's cases make for the most gripping reading. Praise for Kathy Reichs and the *Temperance Brennan* series "Nobody does forensics thrillers like Kathy Reichs. She's the real deal."—David Baldacci "Kathy Reichs writes smart—no, make that brilliant—mysteries that are as realistic as nonfiction and as fast-paced as the best thrillers about Jack Reacher or Alex Cross."—James Patterson "Every minute in the morgue with Tempe is golden."—The New York Times Book Review *Four Novellas* John Wiley & Sons "Sex Time And Radio" is a 5 volume, 4 book series that serves as an All Access VIP Pass through the urban radio world of the '90s & 2000s. The author of the series is MARCUS CHAPMAN; a music historian and on-air personality heard in Chicago, Dallas, Indianapolis and Atlanta; plus near stops in New York, Los Angeles, Miami, Philadelphia, Washington DC, and North Carolina. But this historical book series makes the reader the on-air personality. It contains encounters with celebrities like Beyonce, Dr. Dre, Aaliyah, Michael Jordan, James Brown, Chris Brown, Janet Jackson, Luther Vandross, Vivica A. Fox, LL Cool J, Erykah Badu, George Clinton, and many more. It takes you from being on stage at the clubs to being backstage at the concerts. It includes backstabbing coworkers, closed door meetings, battles with station management, battles with personal demons, and sexual escapades with some of the hottest women in America. Yet the author goes beyond simply telling sex and radio stories for mindless entertainment. Chapman makes this book series a Must Read by delving into the deeper psychological reasons and life experiences that affect the male sex drive, particularly for males in the spotlight, and by tackling unspoken reasons for the continuous rise of HIV and AIDS cases. This series is also a Must Read

for music lovers, as it contains valuable insight and info on the past 40 years of R&B, funk, rock, jazz, disco, house, and hip-hop. Starting out in college radio ("Must Be the Music"), interning at #1 professional radio stations ("Sleeping With the Enemy"), early influences on the male sex drive ("Touch Me, Tease Me"; "Records, Cards, Books & Panties"), and the impact of sports teams like the 1985 Chicago Bears ("We Are the Champions") and the Chicago Bulls of the 1990s ("Three Points and Threepoints") are also covered in this first book. "Sex Time And Radio Vol. 1 & 2: Blueprint of a Radio Star (Rebel Music of a Sex Machine)" is just the opening shot in this definitive book series about the radio lifestyle in the hip-hop and R&B world of the 1990s & 2000s.
