Battle Angel Macmillan
Only Aaron and his fellow
Nephilim can protect the
world from Satan's wrath
in this riveting finale to
the New York Times
bestselling *The Fallen*
series. Satan is

determined to create his
own Hell on Earth and has
unleashed unfathomable
chaos into the world. Cut
off from Heaven,
humanity's only hope for
salvation rests with
eighteen-year-old Aaron
and the other Nephilim
who fight by his side.
These angelic warriors will
protect civilization and
restore God's favor no
matter the cost. But there

can be only one
champion—and defeat is
eternal. The battle lines
have been drawn.
Armageddon is here.
[The Birds of Heaven](#)
HarperCollins
Set in Guatemala and
based on a true story,
“this intriguing literary
thriller will appeal to
lovers of international
crime fiction” (Booklist).
Guillermo Rosensweig is a

member of the Guatemalan elite, runs a successful law practice, has a wife and kids—and a string of gorgeous lovers. Then one day he crosses paths with Maryam, a Lebanese beauty with whom he falls desperately in love . . . to the point that when he loses her, he sees no other option than to orchestrate his own death. The *Mastermind* is based on the bizarre real-life story of Rodrigo Rosenberg, a Guatemalan attorney who, in 2009, planned his own

assassination after leaving behind a video accusing Guatemalan president Álvaro Colom of his murder. This is a fascinating depiction of modern-day Guatemala and the corrupt, criminal, and threatening reality that permeates its society. “Engaging . . . Raw and unforgettable.” —Publishers Weekly “This is a compelling story that can easily be read in a single sitting. And, as in any good mystery, when things go wrong, the novel becomes that much more interesting. Even for

readers with no interest in Guatemala per se, this is one worth reading for the sheer joy of the writing itself.” —Reviewing the Evidence “A riveting account of one man’s high-stakes journey to self-reckoning.” —Cristina García, author of *Dreaming in Cuban* *Silver, Sword, and Stone* Simon & Schuster Children’s Hailed as “toweringly important” (Baltimore Sun), “a work of scrupulous and significant reportage” (E. L. Doctorow), and “an

unforgettable historical drama" (Chicago Sun-Times), Big Trouble brings to life the astonishing case that ultimately engaged President Theodore Roosevelt, Supreme Court justice Oliver Wendell Holmes, and the politics and passions of an entire nation at century's turn. After Idaho's former governor is blown up by a bomb at his garden gate at Christmastime 1905, America's most celebrated detective, Pinkerton James McParland, takes over the

investigation. His daringly executed plan to kidnap the radical union leader "Big Bill" Haywood from Colorado to stand trial in Idaho sets the stage for a memorable courtroom confrontation between the flamboyant prosecutor, progressive senator William Borah, and the young defender of the dispossessed, Clarence Darrow. Big Trouble captures the tumultuous first decade of the twentieth century, when capital and labor, particularly in the raw, acquisitive West, were

pitted against each other in something close to class war. Lukas paints a vivid portrait of a time and place in which actress Ethel Barrymore, baseball phenom Walter Johnson, and editor William Allen White jostled with railroad magnate E. H. Harriman, socialist Eugene V. Debs, gunslinger Charlie Siringo, and Operative 21, the intrepid Pinkerton agent who infiltrated Darrow's defense team. This is a grand narrative of the United States as it charged, full of hope and trepidation, into the

twentieth century.
Heavenly Macmillan
 As the war between
 Heaven and Hell rages on,
 half angel and half human
 Aaron and the other
 Nephilim are determined
 to protect humanity, but
 when casualties mount
 around them, Aaron and
 his beloved Vilma's loyalty
 and faith will be tested.
Motherhood Deferred

The Fallen 4 HarperCollins
 Riley has crossed the
 bridge into the afterlife—a
 place called Here, where
 time is always Now. She
 has picked up life where
 she left off when she was
 alive, living with her

parents and dog in a nice house in a nice neighborhood. When she's summoned before The Council, she learns that the afterlife isn't just an eternity of leisure. She's been assigned a job, Soul Catcher, and a teacher, Bodhi, a possibly cute, seemingly nerdy boy who's definitely hiding something. They return to earth together for Riley's first assignment, a Radiant Boy who's been haunting a castle in England for centuries. Many Soul Catchers have tried to get him to cross

the bridge and failed. But all of that was before he met Riley . . . Radiance is the first book in the Riley Bloom series from bestselling author Alyson Noël.

Ancient Light Bloomsbury Publishing USA

In addition, the enormous spans of cranes' migrations have encouraged international conservation efforts."

[The Fallen 5](#) Penguin

Aaron Corbet is an eighteen-year-old Nephilim and the one who will reunite the fallen angels with Heaven. But

right now Aaron isn't interested in saving anybody other than himself, his magically powered dog, and his younger, autistic foster brother, Steven, from Verchiel, the cruel leader of the Powers. Verchiel is bent on destroying Aaron, and with him all hope of angelic reconciliation. With the help of a fallen angel, Aaron manages to arrive in the angelic refuge known as Aerie. Though he hopes to catch his breath before continuing the Good Fight, Aaron learns that the

other residents of Aerie are concerned about his presence and his role in their future. But how can he win their trust when he has accidentally led the Powers straight to the sanctuary of the Fallen? *Sleeper Code* Fawcett Evil forces are after Morgan, forces connected with a dark wave of magick. And she knows something is wrong with the way Cal is acting, although she can't put her finger on it. Cal is definitely hiding something, but is he out to hurt her, as Hunter

says?
Empire of Storms Random House
 Her parents are so overwhelmed with their two other children that they don't see Zoe lost in her broken life. Matthias, a guardian sent from Heaven, watches over Zoe's autistic sister, and after Zoe is convinced he's legit, angel and lost girl come together in a love that changes destiny. *The Fallen 2* Oxford University Press, USA
 The Man Booker Prize-winning author of *The Sea* gives us a brilliant,

profoundly moving new novel about an actor in the twilight of his life and his career: a meditation on love and loss, and on the inscrutable immediacy of the past in our present lives. Is there any difference between memory and invention? That is the question that fuels this stunning novel, written with the depth of character, the clarifying lyricism and the sly humor that have marked all of John Banville's extraordinary works. And it is the question that haunts Alexander Cleave,

an actor in the twilight of his career and of his life, as he plumbs the memories of his first—and perhaps only—love (he, fifteen years old, the woman more than twice his age, the mother of his best friend; the situation impossible, thrilling, devouring and finally devastating) . . . and of his daughter, lost to a kind of madness of mind and heart that Cleave can only fail to understand. When his dormant acting career is suddenly, inexplicably revived with a movie role portraying a

man who may not be who he says he is, his young leading lady—famous and fragile—unwittingly gives him the opportunity to see with aching clarity the “chasm that yawns between the doing of a thing and the recollection of what was done.” Ancient Light is a profoundly moving meditation on love and loss, on the inscrutable immediacy of the past in our present lives, on how invention shapes memory and memory shapes the man. It is a book of spellbinding power and

pathos from one of the greatest masters of prose at work today. This eBook edition includes a Reading Group Guide.

The Fallen Simon and Schuster

Hidden somewhere, in nearly every major city in the world, is an underground seduction lair. And in these lairs, men trade the most devastatingly effective techniques ever invented to charm women. This is not fiction. These men really exist. They live together in houses known as Projects. And Neil

Strauss, the bestselling author and journalist, spent two years living among them, using the pseudonym Style to protect his real-life identity. The result is one of the most explosive and controversial books of the last decade—guaranteed to change the lives of men and transform the way women understand the opposite sex forever. On his journey from AFC (average frustrated chump) to PUA (pick-up artist) to PUG (pick-up guru), Strauss not only shares scores of original

seduction techniques but also has unforgettable encounters with the likes of Tom Cruise, Britney Spears, Paris Hilton, Heidi Fleiss, and Courtney Love. And then things really start to get strange—and passions lead to betrayals lead to violence. The Game is the story of one man's transformation from frog to prince to prisoner in the most unforgettable book of this generation.

Quest for the Spark

Simon Pulse

The follow-up to "Halo." Even the love of her

boyfriend, Xavier Woods, and her archangel siblings, Gabriel and Ivy, can't keep the angel Bethany Church from being tricked into a motorcycle ride that ends up in Hell. There, Jake Thorn bargains for Beth's release back to Earth. But what he asks of her will destroy her.

Reckoning Grove Creek Publishing

For the millions of women who have postponed having children only to find in some cases that they cannot, and for the young women who are

uncertain of how and when they will face motherhood, this searing memoir will have powerful resonance. Excerpted in The New York Times Magazine.

Savage Scholastic UK Teenager Tom Lovett suffers from a rare form of narcolepsy that can knock him out for days at a time. At least, this is what his parents and doctors have always told him. But Tom's about to make a shocking discovery: He's actually a sleeper assassin. His narcoleptic "fits" are cover for his

horrific missions. In fact, his entire life has been a lie. The truth is, Tom shares a body with Tyler Garrett, a separate personality who has committed coldblooded murder without a second thought. Now, Tom is on a mission to take down the evil agency that created him. But can he also fight the evil within himself? In the tradition of The Bourne Identity and The Bourne Supremacy, Sleeper Code and Sleeper Agenda are a two-part white-knuckle thrill ride that will keep readers

riveted to the very last page.

The Fallen 2 Square Fish Destined for Heaven or Hell? The saga continues from THE FALLEN 1. Aaron's senior year has been anything but typical. Half-angel and half-human, he has been charged to reunite the Fallen with Heaven. But the leader of the Dark Powers is determined to destroy Aaron—and all hope of angelic reconciliation. Struggling to harness the incredible force within him, Aaron trains for the ultimate

battle. With the Dark Powers building in strength and numbers, their clash may come sooner than he expects. And everyone who's ever mattered to Aaron is now in grave danger. Aaron must protect the girl he loves and rescue the only family he's ever known. Because if he can't save them from the Dark Powers, how can he hope to save the Fallen?
