In this fifth book of Bittner's unforgettable Savage Destiny series Zeke and Abbie are forced to defend their children against challenges faced because of their mixed blood. More settlers come west under the Homestead Act, causing the gradual and final demise of the Cheyenne way of life. The surge of new settlers brings with it a wealthy Englishman, Edward Tynes, who builds a cattle ranch near the Monroe homestead and falls in love with Abbie, admiring her strength and bravery, and jealous of her undying love for a man who cannot give her the pampered life Tynes feels she deserves. Zeke leaves to join his warrior son, Wolf's Blood, in new Indian wars, and for the first time Abbie's loyalty to her husband is tested. But no man can replace the fiercely brave, strong, handsome Zeke Monroe in Abbie's life. Climb the Highest Mountain is an action-packed, powerful love story you will never forget, the fifth in a series still in demand years after its first publication. In this totally unforgettable sixth book in the Savage Destiny series, a relentless wave of frontier progress forces itself into the lives of Zeke and Abbie Monroe, threatening their many years of abiding love and forcing a separation unlike any other they have experienced. Zeke joins the Cheyenne in their last effort to hold on to the freedom they knew until the white man invaded their pristine domain and destroyed their game, their hunting grounds, their beautiful innocence. Meet the New Dawn is a keenly powerful and poignant story about the last years of Zeke and Abbie Monroe's life together, and how their love and their passion for each other lingers on into their twilight years as proof that age and the challenges of life cannot dim the love these two share, a love that causes a man and woman to see each other only as the fifteen-year-old girl who once touched a savage older man's hand over a campfire, a touch that changed both their lives forever. Get out the Kleenex for this powerful read you will never, ever forget! PRAISE: "Power, passion, tragedy, and triumph are Rosanne Bittner's hallmarks. Attracted to the rich ceremonial life and unique architecture of the New Mexico pueblos, many early-twentieth-century artists depicted Pueblo peoples, places, and culture in paintings. These artists' encounters with Pueblo Indians fostered their awareness of Native political struggles and led them to join with Pueblo communities to champion Indian rights. In this book, art historian Sascha T. Scott examines the ways in which non-Pueblo and Pueblo artists advocated for American Indian cultures by confronting some of the cultural, legal, and political issues of the day. Scott closely

examines the work of five diverse artists, exploring how their art was shaped by and helped to shape Indian politics. She places the art within the context of the interwar period, 1915-30, a time when federal Indian policy shifted away from forced assimilation and toward preservation of Native cultures. Through careful analysis of paintings by Ernest L. Blumenschein, John Sloan, Marsden Hartley, and Awa Tsireh (Alfonso Roybal), Scott shows how their depictions of thriving Pueblo life and rituals promoted cultural preservation and challenged the pervasive romanticizing theme of the "vanishing Indian." Georgia O'Keeffe's images of Pueblo dances, which connect abstraction with lived experience, testify to the legacy of these political and aesthetic transformations. Scott makes use of anthropology, history, and indigenous studies in her art historical narrative. She is one of the first scholars to address varied responses to issues of cultural preservation by aesthetically and culturally diverse artists, including Pueblo painters. Beautifully designed, this book features nearly sixty artworks reproduced in full color.

Colored leaves, red, yellow, and brown, fluttered past George as he rode behind Woonsak in the long string of Indians and ponies. They were riding north and moving quickly. So many Indians moved along the path that George, who rode near the front of the line, could not see the end when he turned around to look. The farther they went, the more unhappy George became. For with every step, Neko (his faithful pony) took him farther and farther from his home and from Ma and Pa. Even the fluttering leaves seemed like little hands waving good-bye all the day long. So begins chapter seven of this beloved classic by Josephine Cunningham Edwards. George, a young pioneer boy is captured by Indians and raised as the son of a mighty chief. He spends his time learning the ways of these native Americans, and yearning for the day that he might find a way to return to his loving family.

Is it an ally? A rival? An enemy? A bit of all three? The question will turn Kate's world upside down, take her from the Scottish Highlands to the Australian outback to the bottom of the Bering Sea, and lead her straight on a collision course with the mysterious masters of the Great Secret Intercontinental Railway itself. The second book in Rosanne Bittner's bold *Savage Destiny* series continues the love story of Zeke and Abbie Monroe. Though his heart is as wild as his Cheyenne blood, Zeke will give up that life for his beloved Abbie. PRAISE: "Power, passion, tragedy, and triumph are Rosanne Bittner's hallmarks. The Cousins and the Cave of Fire is about a group of cousins who discover a cave which quickly becomes their "special place." They become embroiled in efforts to keep this a secret, going so far as to lie by omission to their parents. When the time warp inside the cave reveals itself to them, they double their efforts to safeguard its knowledge. For even though they have some moments of guilt, they can't resist being able to watch the comings and goings of a young Indian and his family that they see through the time warp. Eventually there is a confrontation between the elements of these two sets of different people, just as in time the cousins inevitably become found out by their parents. There is a lot of history in The Cousins and the Cave of Fire, and wherever possible to the plot of the story, a great deal of Christian Faith.
