DAUGHERTY STEIN

Erik Satie: Sheet Music for Piano Routledge

The affordable volume represents the largest collection of Satie piano works available. Includes 17 pieces in all by the French composer and pianist, including his most famous piece, Gymnopédies, as well as Sarabandes, Poudre d'or, En habit de cheval, and Morceaux en forme de poire. Painstakingly reprinted from the original French editions.

Piano Music of Erik Satie. Eschig. 1971 Sheet Music

These two fascinating works are combined into one volume that includes an interesting biography, background information on the writing of the music, indispensable performance suggestions and a listing of recommended readings and recordings. Also included is an outstanding CD recording from the Naxos label, by Hungarian pianist Klara Kormendi. She studied at the Bartok Conservatory and later at the Liszt Academy, where she received her diploma with distinction in 1967. Kormendi enjoyed early success in a number of national competitions before embarking on a career that has taken her to the major musical centers of

Europe. She has recorded works by Debussy and Ravel and the complete piano music of Eric Satie.

Piano music of Erik Satie Candlewick Press

Erik Satie remains one of the most bizarre figures in music history, yet everything he did has its own curious logic, once it can be perceived. In this important new study Dr Orledge reveals what made Satie 'tick' as a composer, dealing with every aspect of Satie's complex career and relating his achievement to the other arts and to the society in which he lived. Almost every figure in contemporary art was involved with Satie in some way or another, from Matisse and Picasso to Apollinaire, Cocteau and Brancusi. This, however, is no mere life-and-works study but rather an exploration of the technique behind Satie's art, which foreshadowed most of the 'advances' of twentieth-century music from serialism to minimalism, and even muzak. As the book progresses Satie appears as far more than just the composer of the popular Gymnopédies and Parade.

Piano Music of Erik Satie Hal Leonard Corporation

This wonderful classic score by Erik Satie is a high-quality

reproduction of the original music scores. Featuring wide margins and clear note heads, it is ideal for following the music and a fantastic addition to music collections. It is a fine example of the composer's work and a fantastic addition to any classical musician's repertoire. Classic Music Collection constitutes an extensive library of the most well-known and universally-enjoyed works of classical music ever composed, reproduced from authoritative editions for the enjoyment of musicians and music students the world over.

Enfantillages Pittoresques by Erik Satie for Solo Piano (1913)

Koebel Press

Erik Satie (1866-1925) was a quirky, innovative and enigmatic composer whose impact has spread far beyond the musical world. As an artist active in several spheres - from cabaret to religion, from calligraphy to poetry and playwriting - and collaborator with some of the leading avant-garde figures of the day, including Cocteau, Picasso, Diaghilev and René Clair, he was one of few genuinely cross-disciplinary composers. His artistic activity, during a tumultuous time in the Parisian art world, situates him in an especially exciting period, and his friendships with Debussy, Stravinsky and others place him at the centre of French musical life. He was a unique figure whose art is immediately recognisable, whatever the medium he employed. Erik Satie: Music, Art and Literature explores many aspects of Satie's creativity to give a full picture of this most multifaceted of composers. The focus is on Satie's philosophy and psychology revealed through his music; Satie's interest in and participation in artistic media other than music, and Satie's collaborations with other artists. This book is therefore essential reading for anyone interested in the French musical and cultural scene of the late nineteenth and early twentieth century.

An Erik Satie Entertainment Alfred Music Publishing

This "enthraling" debut novel and Wall Street Journal Top Ten Book of the Year circles the life of eccentric composer Erik Satie in La Belle Époque Paris and examines love, family, genius, and the madness of art (New York Times Book Review). Erik Satie begins life with every possible advantage. But after the dual blows of his mother's early death and his father's breakdown upend his childhood, Erik and his younger siblings -- Louise and Conrad -- are scattered. Later, as an ambitious young composer, Erik flings himself into the Parisian art scene, aiming for greatness but achieving only notoriety. As the years, then decades, pass, he alienates those in his circle as often as he inspires them, lashing out at friends and lovers like Claude Debussy and Suzanne Valadon. Only Louise and Conrad are steadfast allies. Together they strive to maintain their faith in their brother's talent and hold fast the badly frayed threads of family. But in a journey that will take her from Normandy to Paris to Argentina, Louise is rocked by a severe loss that ultimately forces her into a reckoning with how Erik -- obsessed with his art and hungry for fame -- will never be the brother she's wished for. With her buoyant, vivid reimagination of an iconic artist's eventful life, Caitlin Horrocks has written a captivating and ceaselessly entertaining novel about the tenacious bonds of family and the costs of greatness, both to ourselves and to those we love.

Strange Mr. Satie: Composer of the Absurd Clarendon Press

Erik Satie (1866-1925) came of age in the bohemian subculture of Montmartre, with its artists' cabarets and cafés-concerts. Yet apologists have all too often downplayed this background as potentially harmful to the reputation of a composer whom they regarded as the progenitor of modern French music. Whiting argues, on the contrary, that Satie's two decades in and around Montmartre decisively shaped his aesthetic priorities and compositional strategies. He gives the fullest account to date of Satie's professional activities as a popular musician, and of how he transferred the parodic techniques and musical idioms of cabaret entertainment to works for concert hall. From the esoteric Gymnopédies to the bizarre suites of the 1910s and avant-garde ballets of the 1920s (not to mention music journalism and playwriting), Satie's output may be daunting in its sheer diversity and heterodoxy; but his radical transvaluation of received artistic values makes far better sense once placed in the fascinating context of bohemian Montmartre.

Sports Et Divertissements Alfred Music Publishing

Pianists will love this newly engraved edition of these three often-played works by contemporary composer Erik Satie. The first is the most famous, but all three deserve attention in lessons and

recitals. A composer biography has been added. Titles: No. 1 in D Major * No. 2 in C Major * No. 3 in A Minor.

3 gymnopédies & 3 gnessiennes Courier Corporation

A cogent and informative portrait, Erik Satie upends the accepted history of modernist music and restores the composer to his rightful pioneering status.

Designed for easy reading, with fingerings clearly marked, and helpfully grouped by level of difficulty, each book contains pieces to delight lovers of the classical masterpieces, and in this case includes various sarabands and Gymnopédie."

3 Gymnopédies & 3 Gnessiennes for the Piano Boydell & Brewer

In a brilliant performance worthy of the composer, M. T. Anderson and Petra Mathers present a picture-book biography of the singular Erik Satie. Throughout his life, Erik Satie wanted to make a new kind of music, a kind of music both very young and very old, very bold and very shy, that followed no rules but its own. At first glance, Erik Satie looked as normal as anyone else in Paris one hundred years ago. Beyond his shy smile, however, was a mind like no other. When Satie sat down at the piano to compose or play music, his tunes were strange and dreamlike, his melodies topsy-turvy and discordant. Many people hated his music. Few understood it. But to Erik Satie there was sense in nonsense, and the vibrant, surreal compositions of this eccentric man-child would go on to influence many artists.
