### **Accounting Principles, Third Canadian Edition** Wiley

Over thirty years and ten best-selling editions, Kieso and Weygandt have built a reputation for accuracy and comprehensiveness. The latest edition, a personal milestone for the authors

maintains the qualities for which previous editions have been recognized. *Intermediate Financial Accounting* Wiley Intermediate Accounting, 3e, by Spiceland/Sepe/Tomassini will gain support in traditional and technology-driven accounting departments, especially those looking for a more concise, decision-making text that reinforces challenging concepts via CD-ROM. The revision of this text is based

around a "Learning System." The revision of this "Learning System" was built on improving the clarity of the chapters, emphasizing more decision-making in order to prepare students for the changes taking place on the CPA exam, acknowledging the diversity of students and their learning styles by creating supplemental materials to assure the success of every student, and creating a consistent text and supplemental package for both students and instructor's giving us the best possible intermediate text on the market. Returning to the Third edition is the award winning "Coach" CD-ROM. The Coach CD-ROM is a multimedia product integrating audio and video clips, animated illustrations, cases, and alternative reading material that helps

students comprehend some of the more difficult topics associated with intermediate accounting. Designed specifically for the Spiceland text, instructors and students will find these learning tools placed strategically throughout the text. This is the most comprehensive Learning System in Intermediate Accounting. At only 1120 pages (300 pages less than the average intermediate accounting text), Spiceland/S/T has not sacrificed content for pages. Instead, the authors have created a very flexible text with a student friendly writing style that focuses on explaining not just how to apply a procedure, but why it's applied. Wiley Global Education  
This package includes a copy of ISBN 9781118938782 and a registration code

for the WileyPLUS course associated with the text. Before you purchase, check with your instructor or review your course syllabus to ensure that your instructor requires WileyPLUS. For customer technical support, please visit <http://www.wileyplus.com/support>. WileyPLUS registration cards are only included with new products. Used and rental products may not include WileyPLUS registration cards. Intermediate Accounting 15th Edition Binder Ready Version by Kieso, Weygandt, and Warfield improves students' readiness for their intermediate accounting course, builds awareness around the CPA exam, and prepares students for their future careers with exclusive access to internship listings from across the

country. Intermediate Accounting maintains the qualities for which the text is globally recognized, including its reputation for accuracy, comprehensiveness, accessibility, and quality problem material that best prepares students for success in their academic and professional careers. The 2014 FASB Update incorporates the recently issued standard on Revenue from Contracts with Customers in a new Revenue Recognition chapter, and helps prepare the next generation of accounting and finance students for the global economy.

**IFRS Edition** Wiley

This is the Volume 1 Study Guide to accompany Intermediate Accounting, Sixteenth Edition. Kieso, Weygandt, and Warfield's Intermediate Accounting,

Sixteenth Edition continues to set the standard for students and professionals in the field. The 16th edition builds on this legacy through new, innovative student-focused learning. Kieso maintains the qualities for which the text is globally recognized, including its reputation for accuracy, comprehensiveness, accessibility, and quality problem material that best prepares students for success on the CPA exam and accounting careers. The 16th edition offers the most up-to-date coverage of US GAAP & IFRS in a format suited to the complex challenges of teaching intermediate accounting in these changing times.

**All-Access Pack - Intermediate Accounting** Wiley

Lo/Fisher is praised for its readability and conversational writing style that helps students better understand difficult concepts in Accounting. Lo/Fisher presents the how and why of reporting accounting information from within an easily-understood theoretical framework. Lo/Fisher has a clean layout that engages the reader with a clear writing style using plain English. This text is built on the current International Financial Reporting Standards (IFRS) and incorporates Accounting Standards for Private Enterprise (ASPE) where appropriate. Our philosophy is that when students understand the current standards, they will be able to analyze and interpret changes in the future.
