Robert Hass
demonstrates
once again
the
unmistakable
intelligence
and original
voice that
have won him
both literary
acclaim and
the affection
of a broad
general
readership.
Here Hass
extends and
deepens his
ongoing
explorations
of nature and

human history, solitude, and the bonds of children, parents, and lovers. Here his passion for apprehending experience with language--for creating experience with language--finds supple form in poems that embrace all that is alive and full of joy. Sun Under Wood is the most impressive collection yet from one of our most accomplished poets.
Essential Haiku National

Geographic Books
The greatest collection of hockey-related poetry this or any house has ever published, and a watershed moment in American letters.
Hockey haiku is the most rarefied of the haiku genres, and it represents the perfect union of graceful brutality, ordered chaos, and the blood that courses through our veins...and onto the ice.
Hockey Haiku: The Essential

Collection is full of poems that embody to perfection hockey's unique harmony of beauty and violence. For example: Zamboni bumper: Don't laugh---It crushed the leg of the Little Leaguer. And it turns to the questions we as a hockey society are reluctant to answer: Conflict--How can I pledge my allegiance to two national anthems?

'It was with
awe That I
beheld Fresh
leaves, green
leaves, Bright
in the sun'
When the
Japanese
haiku master
Basho
composed The
Narrow Road
to the Deep

North, he was
an ardent
student of Zen
Buddhism,
setting off on
a series of
travels
designed to
strip away the
trappings of
the material
world and
bring spiritual
enlightenment
. He writes of
the seasons
changing, the
smell of the
rain, the
brightness of
the moon and
the beauty of
the waterfall,
through which
he sensed the
mysteries of
the universe.
These writings
not only
chronicle
Basho's
travels, but

they also capture his vision of eternity in the transient world around him.

Translated with an Introduction by Nobuyuki Yuasa
On Love and Barley Kelsey Street Press
 The Essential Haiku brings together Robert Hass's beautifully fresh translations of the three great masters of the Japanese haiku tradition: Matsuo Basho (1644-94), the ascetic and seeker, and

the haiku poet most familiar to English readers; Yosa Buson (1716-83), the artist, a painter renowned for his visually expressive poetry; and Kobayashi Issa (1763-1827), the humanist, whose haiku are known for their poignant or ironic wit. Each haiku master's section of the book is prefaced with an eloquent and informative introduction by Robert Hass, followed by a selection of over 100

poems and then by other poetry or prose by the poet, including journals and nature writing. Opening with Hass's superb introductory essay on haiku, the book concludes with a section devoted to Basho's writings and conversations on poetry. The seventeen-syllable haiku form is rooted in a Japanese tradition of close observation of nature, of making poetry from subtle suggestion. Each haiku is

a meditation,
a centring, a
crystalline
moment of
realisation.
Reading them
has a way of
bringing about
calm and
peace within
the reader.
The
symbolism of
the seasons
and the
Japanese habit
of mind blend
together in
these poems
to create an
alchemy of
reflection that
is
unsurpassed
in literature.
Infused by its
great
practitioners
with the spirit
of Zen
Buddhism, the
haiku served

as an example
of the power
of direct
observation to
the first
generation of
American
modernist
poets like Ezra
Pound and
William Carlos
Williams as
well as an
example of
spontaneity
and Zen
alertness to
the new poets
of post-war
America and
Britain.
Universal in its
appeal, Robert
Hass's The
Essential
Haiku is the
definitive
introduction to
haiku and its
greatest
poets, and has
been a

bestseller in
America for
twenty years.
'I know that
for years I
didn't see how
deeply
personal these
poems were
or, to say it
another way,
how much
they have the
flavour -
Basho might
have said "the
scent" - of
particular
human life,
because I had
been told and
wanted to
believe that
haiku were
never
subjective. I
think it was
D.H. Lawrence
who said the
soul can get to
heaven in one
leap but that,

if it does, it leaves a demon in its place. Better to sink down through the level of these poems - their attention to the year, their ideas about it, the particular human consciousness the poems reflect, Basho's profound loneliness and sense of suffering, Buson's evenness of temper, his love for the materials of art and for the colour and shape of things, Issa's pathos and comedy and

anger' - Robert Hass Twentieth Century Pleasures Penguin UK
 "No practicing poet has more talent than Robert Hass."
 —Atlantic Monthly The National Book Award-winning author of *Time and Materials*, Robert Hass is one of the most revered of all living poets. With *The Apple Trees at Olema*, the former Poet Laureate and winner of the 2008 Pulitzer Prize offers twenty new and selected poems

grounded in the beauty of the physical world. As with all of the collections of this great artist's work, published far too infrequently, *The Apple Trees at Olema* is a cause for celebration. **Haiku** Harper Collins
 Step into a series of dazzling, funny, melancholy, and joyous moments with this collection of haiku masterworks. Beloved translator Peter Beilenson's

goal was twofold: to craft a book of haiku accessible to anyone, and to render his best guess at what the poets would have written in English. His translations preserve the sublime spirit of each verse, conjuring vivid visual and emotional impressions in spare words. Haiku icon Basho is represented amply here, as are imagery-virtuoso Buson and wry, warm, painfully human Issa.

The verses of Shiki, Joso, Kyorai, Kikaku, Chora, Gyodai, Kakei, Izen, and others also appear, all illuminated by lovely woodblock prints. Ranging from exquisite (In the sea surf edge/Mingling with the bright small shells.../Bush-clover petals - Basho) to bittersweet (Dead my fine hopes/And dry my dreaming, but still.../Iris, blue each spring - Shushiki) to silly (Dim the grey cow comes/Mooing

, mooing, and mooing/Out of the morning mist -Issa), this collection will stir your senses and your heart. *The Apple Trees at Olema* Shambhala Publications An acute and deeply insightful book of essays exploring poetic form and the role of instinct and imagination within form—from former poet laureate, Pulitzer Prize and National Book Award winning author Robert Hass. Robert

Hass—former poet laureate, winner of the National Book Award, and recipient of the Pulitzer Prize—illuminates the formal impulses that underlie great poetry in this sophisticated, graceful, and accessible volume of essays drawn from a series of lectures he delivered at the renowned Iowa Writers' Workshop. A *Little Book on Form* brilliantly synthesizes Hass's formidable gifts as both a poet and a critic and

reflects his profound education in the art of poetry. Starting with the exploration of a single line as the basic gesture of a poem, and moving into an examination of the essential expressive gestures that exist inside forms, Hass goes beyond approaching form as a set of traditional rules that precede composition, and instead offers penetrating insight into

the true openness and instinctiveness of formal creation. A *Little Book on Form* is a rousing reexamination of our longest lasting mode of literature from one of our greatest living poets.

Basho

Companions for the Journey 2005 CHOICE Outstanding Academic Title
 Basho's *Haiku* offers the most comprehensive translation yet of the poetry of Japanese writer Matsuo Bashō (1644-1694),

who is credited with perfecting and popularizing the haiku form of poetry. One of the most widely read Japanese writers, both within his own country and worldwide, Bashō is especially beloved by those who appreciate nature and those who practice Zen Buddhism. Born into the samurai class, Bashō rejected that world after the death of his master and became a wandering poet and

teacher. During his travels across Japan, he became a lay Zen monk and studied history and classical poetry. His poems contained a mystical quality and expressed universal themes through simple images from the natural world. David Landis Barnhill's brilliant book strives for literal translations of Bashō's work, arranged chronologically in order to show Bashō's

development as a writer. Avoiding wordy and explanatory translations, Barnhill captures the brevity and vitality of the original Japanese, letting the images suggest the depth of meaning involved. Barnhill also presents an overview of haiku poetry and analyzes the significance of nature in this literary form, while suggesting the importance of Bashō to

contemporary American literature and environmental thought.

Essential

Haiku

Versions of Basho, Buson, and Issa

Harper Collins Matsuo Basho stands today as Japan's most renowned writer, and one of the most revered. Yet despite his stature, Basho's complete haiku have never been collected under one cover. Until now. To render the writer's full body of work

in English, Jane Reichhold, an American haiku poet and translator, dedicated over ten years to the present compilation. In *Barbo: The Complete Haiku* she accomplishes the feat with distinction. Dividing the poet's creative output into seven periods of development, Reichhold frames each period with a decisive biographical sketch of the poet's travels, creative influences, and personal

triumphs and defeats. Supplementar y material includes two hundred pages of scrupulously researched notes, which also contain a literal translation of the poem, the original Japanese, and a Romanized reading. A glossary, chronology, index of first lines, and explanation of Basho's haiku techniques provide additional background information. Finally in the spirit of Basho,

elegant semi-ink drawings by well-known Japanese artist Shiro Tsujimura front each chapter.

The Penguin Book of Haiku

Shambhala Publications
An anthology of more than 800 poems that were originally written in English by over 200 poets from around the world. This collection tells the story for the first time of Anglophone haiku, charting its evolution over the last one

hundred years and placing it within its historical and literary context.

The Universe in a Nutshell

Harper Collins
Highlighting a lesser-known aspect of one of America's most influential authors, this new collection displays Jack Kerouac's interest in and mastery of haiku.

Experimenting with this compact poetic genre throughout his career, Kerouac often included haiku in novels, correspondenc

e, notebooks, journals, sketchbooks, and recordings. In this collection, Kerouac scholar Regina Weinreich supplements an incomplete draft of a haiku manuscript found in Kerouac's archives with a generous selection of Kerouac's other haiku, from both published and unpublished sources. With more than 500 poems, this is a must-have volume for Kerouac enthusiasts everywhere.

Japanese

Haiku Tuttle Publishing Here are more than two hundred of the best haiku of Japanese literature translated by one of America's premier poet-translators. The haiku is one of the most popular and widely recognized poetic forms in the world. In just three lines a great haiku presents a crystalline moment of image, emotion, and awareness. This illustrated collection includes haiku

by the great masters from the seventeenth to the early twentieth century. The Essential Etheridge Knight Chartwell Books Kobayashi Issa (1763-1827), along with Basho and Buson, is considered one of the three greatest haiku poets of Japan, known for his attention to poignant detail and his playful sense of humor. Issa's most-loved work, The Spring of My Life, is an

autobiographical sketch of linked prose and haiku in the tradition of Basho's famous Narrow Road to the Interior. In addition to The Spring of My Life, the translator has included more than 160 of Issa's best haiku and an introduction providing essential information on Issa's life and valuable comments on translating (and reading) haiku.

Book of Haikus

Harper Collins For three hundred

years, a stolen relic passes from one fortune-seeker to the next, indelibly altering the lives of those who possess it. In modern-day Tokyo, Robin Swann's life has sputtered to a stop. She's stuck in a dead-end job testing antiques for an auction house, but her true love is poetry, not pottery. Her stalled dissertation sits on her laptop, unopened in months, and she has no one to confide

in but her goldfish. On the other side of town, Nori Okuda sells rice bowls and tea cups to Tokyo restaurants, as her family has done for generations. But with her grandmother in the hospital, the family business is foundering. Nori knows if her luck doesn't change soon, she'll lose what little she has left. With nothing in common, Nori and Robin suddenly find their futures inextricably

linked to an ancient, elusive tea bowl. Glimpses of the past set the stage as they hunt for the lost masterpiece, uncovering long-buried secrets in their wake. As they get closer to the truth—and the tea bowl—the women must choose between seizing their dreams or righting the terrible wrong that has poisoned its legacy for centuries. **A House by Itself** Penguin UK

American readers have been fascinated, since their exposure to Japanese culture late in the nineteenth century, with the brief Japanese poem called the hokku or haiku. The seventeen-syllable form is rooted in a Japanese tradition of close observation of nature, of making poetry from subtle suggestion. Infused by its great practitioners with the spirit of Zen Buddhism, the

haiku has served as an example of the power of direct observation to the first generation of American modernist poets like Ezra Pound and William Carlos Williams and also as an example of spontaneity and Zen alertness to the new poets of the 1950's. This definite collection brings together in fresh translations by an American poet the essential poems of the three greatest

masters: Matsuo Basho in the seventeenth century; Yosa Buson in the eighteenth century; and Kobayashi Issa in the early nineteenth century. Robert Haas has written a lively and informed introduction, provided brief examples by each poet of their work in the haibun, or poetic prose form, and included informal notes to the poems. This is a useful and inspiring addition to The Essential Poets series.

Bruce Ross
shows you
how to
capture a
fleeting

moment, like painting a picture with words, and how to give voice to your innermost thoughts, feelings, and observations. You don't have to be a practiced poet or writer to write your own haiku, and this book shows you how. In this book, aspiring poets will find: Accessible, easy-to-replicate examples and writing prompts A foreword that looks at the state of haiku today as the form

continues to expand worldwide An introduction to related Japanese haiku forms such as tanka, haiga, renga, haibun, and senryu A listing of international journals and online resources Do you want to tell a story? Give haibun a try. Maybe you want to express a fleeting feeling? A tanka is the perfect vehicle. Are you more visual than verbal? Then a haiga, or illustrated

haiku, is the ideal match. Finally, a renga is perfect as a group project or to create with friends, passing a poem around, adding line after line, and seeing what your group effort amounts to. Ross walks readers through the history and form of haiku, before laying out what sets each Japanese poetic form apart. Then it's time to turn to your notebook and start drafting some verse of your own!
