Life with My Horses Penguin

The Saddle Club's number-one practical joker, Stevie Lake, has decided to reform. The only problem is, nobody believes her. Things get worse for poor Stevie when she tries to shoot a movie for school--Cinderella on horseback. After all, just because she's given up playing pranks on people, it doesn't mean she's given up wild schemes. But when no one in the cast cooperates, Stevie decides she has to revert to her old, practical joking ways...and then some. Watch out, Pine Hollow!

There are No Problem Horses, Only Problem Riders Alpha Books

Horse trainer Henry Dailey tells Alec about his brother Bill, who tried to tame wild and undisciplined horses with affection and kindness.

The Complete Idiot's Guide to Horses Obvious Books

Started with the horse love at a very young age. Knew nothing except where they ate, where they pooped and that I loved them. Over the years I went from very dumb about horses to knowing quite a bit. Not everything, I might add, but hoped that by sharing my experiences from over the years might help a beginner getting started with their first horses.

Ground Training Simon and Schuster
Did you know that a miniature horse weighs just a few pounds, while a giant draft horse can weigh well over a ton? Or that from a standstill a mule can jump, kangaroo-like, more than five feet high? With answers to hundreds of questions about behavior, physiology, training, and special breed characteristics, *Knowing Horses* has all your horse quandaries

covered.

The Complete Idiot's Guide to

Betting on Horses Open Road Media
Discusses the behavior of horses, describes the basic methods for training horses, and recommends solutions for common difficulties with controlling and handling horses.

Dumb Animals and how to Treat

Them Random House Value Publishing

Outlines the history and benefits of massage, and tells how to use massage to reduce stress, improve circulation, and soothe aching muscles

Horse Stories Skylark

An introduction to Greek and Roman mythology provides explanations of all the gods and their roles, origins of the myths and theories on who wrote them, and the function of myths in society

The Complete Idiot's Guide to

Beating the Blues Balboa Press
 “People ought to try to make their horses happy,” wrote Jacob Biggle’s wife Harriet in *The Biggle Horse Book* in 1894. “A happy, cheerful horse will do more work and live longer, and thus be more profitable to its owner, than one whose temper is kept constantly ruffled, whose disposition is soured by ill-usage, and whose peace of mind is often disturbed by the crack of the whip, the hoarse voice of the driver, the strain of overwork, the discomfort of a hard bed, or the pangs of hunger and thirst.” When it comes to the treatment of animals—especially the horse—the Biggles were ahead of their time. Folksy and informative, this manual offers timeless tips on the effective and humane treatment and training of horses and detailed descriptions of all the major breeds. Practical horsemen and veterinarians of the era contributed their wisdom and insight, and their maxims on owning, riding, and working with horses will provide endless hours of entertainment. Here are just a few: “Proper food and lots of sentiment will make with good blood a good horse.” “If you must put frosty bits in some mouths, let it be your own. Suffering begets sympathy.” “The three greatest enemies of the horse are idleness, fat, and a dumb blacksmith.” “Don’t try to fit a horse to the collar. It won’t work. Fit the collar to the horse.” Enhanced with beautiful engravings, illustrations, and snippets of poetry throughout, *The Biggle Horse Book* remains a loving and fitting tribute to “this noble servitor of man.”

Horse Sense and Nonsense Penguin
 *** Winner of the Best International Equine Non-Fiction Award at the EQUUS Film & Arts Fest 2022, California USA ***

The Adult Rider Penguin

The founders of The Saddle Club -- Stevie Lake, Carole Hanson, and Lisa Atwood -- gear up for the adventure of their lives when their friend Kate Devine invites them to her family's dude ranch. They will have a whole week of cowboy-style riding, plus the fun of making Kate a club member. But when they arrive,

the girls soon realize there's more to the West than Hollywood shootout and colorful costumes. To show a cowhand that they're not just "dumb dudes," they pitch in with chores and help on a cattle roundup, where Stevie has a run-in with a dangerous rattlesnake. Another sour note for Stevie: Her birthday is coming up, and no one seems to care. Little does she know that her Saddle Club buddies have a top-secret surprise in the works for her!

[Complete Idiot's Guide to Horseback Riding](#) Taylor Trade Publications
