Accounting Principles 11th Edition with
WileyPLUS Blackboard Card Set Wiley
Accounting Principles 11th edition, by
Weygandt, Kimmel, and Kieso provides a
clear introduction to financial accounting
that is full of real world examples that
are relevant to students' lives. The Team
for Success authors understand where
students struggle in this course and
have developed a learning system that
illustrates the accounting cycle and key
transactions, while giving them the tools

to apply their learning through sample
exercises throughout the chapter. By
expanding coverage of IFRS, this edition
keeps students at the forefront of global
issues that impact their future careers in
business and accounting. Access to
WileyPLUS is not included with this
textbook.

By expanding coverage of IFRS, this edition keeps students at the forefront of global issues that impact their future careers in business and accounting. Students get accounting when using Weygandt Accounting Principles with WileyPLUS because we make learning accounting easy and accessible for today's different types of learners. Written in a concise, clear, and conversation way, Weygandt Accounting Principles provides just the right amount of information students need to come to class prepared, while

powerful visuals and Interactive Tutorials make complex accounting concepts possible to absorb quickly. Starting with the building blocks debits and credit of the accounting cycle through a sole proprietorship, Weygandt Accounting Principles creates a solid foundation for later success in the course and subsequent business and accounting courses. This accounting principles text is known for the most relevant and easy to understand examples, while teaching students the accounting cycle through the lens of one consistent story of Pioneer Advertising Agency. Students using WileyPLUS do real accounting, get real results. WileyPLUS is a student-centered learning and assessment online environment. Students come to class prepared because the program is a

designed to meet the needs of today's accounting classroom with an innovative question design that facilitates effective learning of accounting concepts, skills, and procedures. More students get accounting when using Weygandt, Accounting Principles with WileyPLUS, because they can Read It, See It, Do It - Get It.

Wiley

For over ten years, Weygandt, Kieso,
Kimmel, Trenholm, Kinnear Accounting

Principles has been praised by both students and instructors across the country for its outstanding visual design, its carefully integrated pedagogy, and its excellent writing style and clarity of presentation. Our main focus continues to be 'Student Success in Accounting' and the new fifth edition package further enables both instructors and students to achieve successful learning outcomes. It introduces challenging accounting concepts with examples that are familiar to the student with a stepped-out pedagogy that breaks down complex topics making the material more manageable. This connection to their everyday lives helps build student motivation, a key driver of student time spent on assignments and ultimately their mastery of the concepts. Weygandt

Accounting Principles, Fifth Canadian Edition enables students to become independent and successful learners by including a variety of additional resources, more opportunities to use technology, and new features that empower students to apply what they have learned in the classroom to the world outside the classroom. The seamlessly integrated digital and print resources to accompany Accounting Principles, Fifth Canadian Edition offer additional tools for both instructors and students in order to help students experience success.
