This book examines how late Victorians and Edwardians retold medieval narratives of chivalry—epics, romances, sagas, legends and ballads. Stories of Beowulf, Arthur, Gawain, St. George, Roland, Robin Hood and many more thrilled and instructed children, and encouraged adult reading. Lavish volumes and schoolbooks of the era featured illustrated texts, many by major artists. Children's books, an essential part of Edwardian publishing, were disseminated throughout the English-speaking world. Many are being reprinted today. This book examines related contexts of Medievalism expressed in painting, architecture, music and public celebrations, and the works of major authors, including Sir Walter Scott, Tennyson, Longfellow and William Morris. The book explores national identity expressed through literature, ideals of honor and valor in the years before World War I, and how childhood reading influenced 20th-century writers as diverse as C. S. Lewis, J. R. R. Tolkien, Siegfried Sassoon, David Jones, Graham Greene, Ian Fleming and John Le Carré.

A Practical Guide to Teaching English in the Secondary School Cambridge University Press More than fifty specialists have contributed to this new edition of volume 4 of The Cambridge Bibliography of English Literature. The design of the original work has established itself so firmly as a workable solution to the immense problems of analysis, articulation and coordination that it has been retained in all its essentials for the new edition. The task of the new contributors has been to revise and integrate the lists of 1940 and 1957, to add materials of the following decade, to correct and refine the bibliographical details already available, and to re-shape the whole according to a new series of conventions devised to give greater clarity and consistency to the entries.

Being Passages of Adventure in the Burman Empire Cambridge University Press

Conrad is a huge and fluffy dog with brown fur. Harry is a tiny, hairless lizard with rubbery skin. They are best friends. On a cloudy day like today, Conrad and Harry like to lie down on the ground to

watch the clouds. So turn the page and find out what happens.

Reader's Guide to Literature in English Routledge

An A-Z work with concise entries on all aspects of literature in English.

Golden World National Council of Teachers

A Guide to English Literature Routledge

An Outline History of English Literature Vikas Publishing House

It's the classic TV sitcom. Thirty years after it first aired, *The Golden Girls* is one of the most popular shows in syndication and available to view on multiple streaming services. The show ran for seven seasons, collecting a staggering 58 Emmy nominations and 11 wins along the way, and over the years, this hit comedy about four fierce and sassy 50+ roommates in Miami charmed millions of viewers with its incomparable wit. Above all, *The Golden Girls* celebrated the strength and depth of the friendship between its four iconic characters - Dorothy, Blanche, Rose, and Sophia- who have been adopted by multiple generations and attracts both gay and straight viewers. It's a comfort food. It's one of the best shows to have on when you're sick. And it's endlessly quotable with your girlfriends. It's the *Steel Magnolias* of TV shows. *The Binge Watcher's Guide to The Golden Girls* is meant to be a companion as you binge, giving you a quick recap of each episode and where it fits in the series, with a favorite quote, notable goofs and inconsistencies, and some behind-the-scenes drama.

The Diary of a Young Girl Routledge

"A Practical Guide to Teaching English in the Secondary School offers straightforward advice, inspiration and support for all training and newly qualified secondary English teachers. Based on the best research and practice available, it offers a wide range of tried and tested strategies and practical activities to ensure success in the secondary classroom. Written by expert professionals, it provides detailed examples of theory in practice, enabling you to analyse and reflect on your own teaching in order to ensure pupil learning is maximised. Providing a combination of practical ideas, educational rationales and activities to stimulate personal thought and development, this book explores a wide range of issues pertinent to the teaching and learning of English in the 21st century"--

Diamond Geographical and Historical Atlas Createspace Independent Publishing Platform Atlas book

An Introduction to Medieval English Literature Oswaal Books and Learning Pvt Ltd

Young adults are actively looking for anything that connects them with the changes happening in their lives, and the books discussed throughout *Literature for Young Adults* have the potential to make that connection and motivate them to read. It explores a great variety of works, genres, and formats, but it places special emphasis on contemporary works whose nontraditional themes, protagonists, and literary conventions make them well suited to young adult readers. It also looks at the ways in which contemporary readers access and share the works they're reading, and it shows teachers ways to incorporate nontraditional ways of accessing and sharing books throughout their literature programs. In addition to traditional genre chapters, *Literature for Young Adults* includes chapters on literary nonfiction; poetry, short stories, and drama; cover art, picture books, illustrated literature, and graphic novels; and film. It recognizes that, while films can be used to complement print literature, they are also a literacy format in their own right--and one that young adults are

particularly familiar and comfortable with. The book's discussion of literary language--including traditional elements as well as metafictional terms--enables readers to share in a literary conversation with their students (and others) when communicating about books. It will help readers teach young adults the language they need to articulate their responses to the books they are reading.

Reference Guide to English Literature: Works; title index Routledge

A comprehensive reference guide to English and American literature, including biographical information on writers, and discussions on literary genres, themes and styles.

A Guide to English Literature Macmillan International Higher Education

The phenomenon of Doris Lessing's global reputation and readership is addressed for the first time in *In Pursuit of Doris Lessing* through a series of essays that also provide a provocative overview of Lessing's long career from *The Grass Is Singing*, the first of a series of African and woman-centered politically radical works, to her latest galactic and politically conservative works. Nine different Lessings emerge from these essays, forcing us to question received propositions about the universality of literature and the stability of the text and uncovering and recovering in the process the pungent, variable, controversial Lessing who has been and remains as international and transcultural as she is African and English.

The Complete Idiot's Guide to English Literature Gale Cengage

At first glance *A Guide to English Literature* may seem to be no more than a short bibliography of English literature with perhaps rather more extensive--and certainly more outspoken--comments on the principal editions, commentaries, biographies, and critical works than bibliographies usually provide. But it is something more: this guide contains long "inter-chapters" that provide reinterpretations of the principal periods of English literature in the light of modern research, as well as two final sections summarizing in unusual detail the literary criticism that exists in English and recent scholarship in the field. The purpose of this book, then, is to provide the reader with convenient access to a disciplined study of the texts themselves. This guide proposes itself as a new kind of literary history. The conventional history of literature has often tended to become a substitute for the reading of the literature it describes: the better the history, the greater the temptation to substitute it. The present combination of reading lists and inter-chapters cannot be a substitute for anything else. Meaningless as literature in themselves, they nevertheless provide the necessary preliminary information to meaningful reading. Since oddities of arrangement derive from these assumptions, the authors are not arranged alphabetically. Instead there are chronological compartments--with the divisions circa 1500, 1650, and 1800--in which authors succeed each other

in the order of their births. This pioneering handbook is primarily a bibliographical labor-saving device. It is meant mostly for students and the general reader in that it stops where original research by the reader is expected to begin. However, the last chapter on literary scholarship is devoted specifically to the research specialist and provides indispensable equipment for the reader. There is also a general section on literary criticism which will be of use to all.

The Publishers Weekly Atlantic Publishers & Dist

[The Literary World](#) VK Global Publications Pvt Ltd

The book has a wide coverage and studies all the famous writers of English literature in the field of poetry, fiction, essay etc. The writers covered, among others, include Geoffrey Chaucer, William Shakespeare, Samuel John Milton, John Dryden, Alexander Pope, Samuel Johnson, William Wordsworth and Alfred Tennyson. A special feature of the book is that studies writers and their contributions not in isolation but in the context of surroundings and various elements of civilisation of the age of the writer. Thus it suggests a vital relationship between English literature and English life. The book is written in a simple and lucid style. It will be found of great interest by the students of English Literature, researchers and the general readers.

The Golden Dagon, Or, Up and Down the Irrawaddi Simon and Schuster

In its latest two-year syllabus for classes IX and X, 2014 (w.e.f. 2012-13 for class IX and 2013-14 for class X) the CBSE has included a new section on Long Reading Text. In this section for Class X, the following works have been recommended by CBSE: 1. *The Diary of a Young Girl*—Anne Frank 2. *The Story of My Life*—Helen Keller The school has a choice of using any one. Both these works with unabridged text are now available in strict alignment with the guidelines given by the CBSE

The Story of My Life Saint James Press

Shows how middle school English teachers can effectively use motion pictures in the classroom.

[A History of English Literature](#) Springer
