NOEMI BRAXTON

The Last Unicorn Harper Collins
Resilient, strong, and unabashedly Irish, Kathryn "Fifi" McFadden has lived through some of the most tumultuous decades of American and world history. Through the years, she became a consummate storyteller, regaling her children and grandchildren with tales from her life. Fifi always said she should write a book, and now, with the help of her son Philip, she's done exactly that. Full of vivid historical detail and the wit and wisdom only Fifi can bring, *The Last Unicorn* takes you from her family's humble origins in Ireland, through her own innocent youth, growing up in depression era Tarrytown, New York; to her life as a struggling working mom raising five sons, and to the twilight of her years. With insightful glimpses of life on the American home front and the Pacific theater of combat during World War II, the turbulent times of the 1960s and 1970s, and the dawn of new millennium, Fifi provides an eyewitness account of these historic periods. Fifi's tales encompass all the joys and sorrows life has to offer. Taken as a whole, they paint a portrait of a remarkable woman, as well as the many lives she touched and helped shape. *The Last Unicorn*; is not only a family history, but a tribute to Fifi and her incredible generation.

I See by My Outfit Gallery Books
Star, a baby unicorn and one of the last eight unicorns on earth, must find a way to help save her friends from the evil dragons.

The Last Unicorn Boss Fight Books
Little Unicorn was the last unicorn in the whole wide world. More than anything, she wished for a unicorn friend to prance, play and neigh with. Will Little Unicorn find a friend in the enchanted

forest?

The Last Unicorn Simon and Schuster
Discusses how pets have played an important role in life in the White House and relates anecdotes of presidential pets from the Kennedy administration to Bo, the Obama's Portuguese water dog.

The Last Unicorn Idea & Design Works Llc

"Claudio Bianchi has lived alone for many years on a hillside in Southern Italy's scenic Calabria. Set in his ways and suspicious of outsiders, Claudio has always resisted change, preferring farming and writing poetry. But one chilly morning, as though from a dream, an impossible visitor appears at the farm. When Claudio comes to her aid, an act of kindness throws his world into chaos. Suddenly he must stave off inquisitive onlookers, invasive media, and even more sinister influences"--
How Venture Capital Works Tachyon Publications

New and uncollected stories from the beloved author of *The Last Unicorn Unicorn Coloring Book for Kids Ages 4-8* Tor Books

An award-winning author's quest to find and understand a creature as rare and enigmatic as any on Earth. In 1992, in a remote mountain range, a team of scientists discovered the remains of an unusual animal with exquisite long horns. It turned out to be a living species new to Western science -- a saola, the first large land mammal discovered in fifty years. Rare then and rarer now, a live saola had never been glimpsed by a Westerner in the wild when Pulitzer Prize finalist and nature writer William deBuys and conservation biologist William Robichaud set off to search for it in central Laos. Their team endured a punishing trek up and down white-water rivers and through mountainous terrain

ribboned with the snare lines of armed poachers who roamed the forest, stripping it of wildlife. In the tradition of Bruce Chatwin, Colin Thubron, and Peter Matthiessen, *The Last Unicorn* chronicles deBuys's journey deep into one of the world's most remote places. It's a story rich with the joys and sorrows of an expedition into undiscovered country, pursuing a species as rare and elusive as the fabled unicorn. As is true with the quest for the unicorn, in the end the expedition becomes a search for something more: the essence of wildness in nature, evidence that the soul of a place can endure, and the transformative power of natural beauty.

Turn Your Fandom Into Cash SAGE

Peter S. Beagle's beloved fantasy classic captured imaginations around the world, and takes on new life in this luscious, fully illustrated graphic novel adaptation. *The Last Unicorn* is a tale for any age about the wonders of magic, the power of love, and the tragedy of loss. The unicorn, alone in her enchanted wood, learns that she may be the last of her kind. Reluctant at first, she sets out on a journey to discover the fate of her fellow unicorns, even if it means facing the terrifying anger of the Red Bull and the malignant evil of the king who wields its power. Along the way, she'll encounter a cast of unforgettable characters, including Schmendrick the magician, the bandit Molly Grue, the noble Prince Lír, and the occasional talking butterfly. Adapted by Peter B. Gillis and lushly illustrated by Renae De Liz and Ray Dillon, *The Last Unicorn* is simultaneously current and timeless in this newest incarnation.

Pets at the White House Tachyon Publications

This is a resource that will capture and excite the imagination of young people.

A beautifully told story explores, through a mythical animal, the environmental issues of endangered species. The tale includes adventure and time travel. Each of the six lessons provides teacher notes, class activities, discussion points, games and worksheets. The stories could be incorporated into: " Literacy hour " PSHCE " Citizenship " Geography " History " Environmental studies National curriculum connections are provided for Key Stage 2 and 3 including: " Living things " Chronological understanding " Ideas and evidence in science " Thinking about the lives of people in other places and times, and people with different values and customs. Another inspirational idea put into practice by the author team who were highly commended in the NASEN/TES book competition for their previous work on Anger Management.

The Last Unicorn Turtleback Books

This New York Times Notable Book is the captivating tale of one man's quest to capture the ghost of his dead lover. His odyssey draws him into the lives of three magical women on horseback with a dangerous quest of their own. A dazzling fantasy of love and death, lust and betrayal, from the beloved author of *The Last Unicorn*.

Routledge

In 1963, Dr. Martin Luther King Jr. articulated his dream, JFK was assassinated, and zip codes were first introduced to the US. The world was monumentally changing and changing fast. But in the eyes of future fantasy author Peter Beagle and his best friend Phil, it wasn't changing fast enough. For these two twenty-something beatnik Jews from the Bronx, change was something you chased after night and day across the country on the trembling seat of a motor scooter.

Nico The Unicorn iUniverse

Conversing in a mausoleum with the dead, an eccentric recluse is tugged back into the world by a pair of ghostly lovers bearing an extraordinary gift—the final chance for his own happiness. When challenged by a faithless wife and aided by a talking raven, the lives of the living and the dead may be renewed by courage and passion, but only if not belatedly. Told with an elegiac wisdom, this delightful tale of magic and otherworldly love is a timeless work of fantasy imbued with hope and wonder. After multiple printings since 1960, this newest edition will contain the author's recent revisions and will stand as the definitive version of an ageless classic. *A Really Good Brown Girl* Subterranean Press

This geeky guide (by an avowed geek) shows you the ins-and-outs of making money involved in the worlds you love to immerse yourself in or one you want to create. *Turn Your Fandom Into Cash* teaches fans how to power up their own geeky businesses, harness the power of their fandom, and shield themselves against the wrath of intellectual property holders. This book will also offer real-world examples for aspiring Tony Starks and Bruce Waynes. In many cases, these passion-pursuits have led to full-time careers; in one case, it created a \$100 million business. This book is filled with advice from geeky creators, all of whom have earned money following their passions. Some of these creators work independently, others take gigs when they're not at their day jobs, and some have created businesses that have earned millions. In *Turn Your Fandom Into Cash*, you will learn: How many opportunities there are to find work doing something you love. What kind of education and financial outlay is

required to start your particular geek business. How to acquire a license from a major media publisher. What kind of work you can legally create, even without a license. Advice on why you should—and should not—go into business for yourself. Practical tips on getting your products and services noticed by fans. Truly, there has never been a better time to have a geek business. Now grab your lightsaber or your Lucille and take a slice out of the fandom you love dearly.

The Last Unicorn Ace Books

Nothing would ever be the same. Not for eleven-year-old Billy Hastings. The day drunk driver ran a stoplight and crashed into their car, his father was killed instantly, and Billy was forced to wear a brace on his crippled leg. He had hoped that when he and his mother moved to a new town he might leave the nightmare behind. But it didn't work. The memory followed him like a bad dream. Until he met Nico. From the day he first saw Nico, Billy knew he was no ordinary horse. Nico was a unicorn. A magic unicorn. And he would change Billy's life forever.

A Screenplay Hachette UK

"Peter S. Beagle first imagined his beloved heroine when he was twenty-three, half a decade before she sprang into the world. Now the Last Unicorn's fantastical origins are recaptured in this beautifully illustrated, commemorative hardcover edition, which includes Beagle's revisited, wry musings upon his early writing career. In this appealingly familiar yet wonderfully strange adventure, a brave unicorn leaves her solitary life behind, determined to discover if she is the last of her kind. She is forewarned by a forlorn dragon and befuddled by a chatty butterfly; her traveling companion is an exiled demon with a split personality and a penchant

for philosophy. Somewhere between mythology, modernity, and magic, the last unicorn is finding her world irrevocably transformed."--

The Last Unicorn New York : Ballantine Books

This book examines the relationship that exists between fantasy cinema and the medium of animation. Animation has played a key role in defining our collective expectations and experiences of fantasy cinema, just as fantasy storytelling has often served as inspiration for our most popular animated film and television. Bringing together contributions from world-renowned film and media scholars, *Fantasy/Animation* considers the various historical, theoretical, and cultural ramifications of the animated fantasy film. This collection provides a range of chapters on subjects including Disney, Pixar, and Studio Ghibli, filmmakers such as Ralph Bakshi and James Cameron, and on film and television franchises such as Dreamworks' *How To Train Your*

Dragon (2010-) and HBO's *Game of Thrones* (2011-).

A Fine and Private Place Red Wheel/Weiser

Collects the later fiction of a noted fantasy author, including previously unpublished and uncollected stories, as well as a novella about the last unicorn, who allies with two demons to seek out any survivors of her species. Original.
