"Making an auspicious entry into children's books, Laden provides a stylish, droll answer to the riddle of what dogs do while their owners sleep." —Publishers Weekly "I have a dog. Nothing exotic or special, just an ordinary dog." Or so this little boy thinks—until one morning, when he opens the door a little early and sees his dog jump out of a limousine. That night, he decides to follow his dog, and that's when the fun starts, in a nighttime romp around town where he learns what adventures dogs get up to while their humans are fast asleep. A terrific read-aloud and true "comedic gem," Nina Laden's story will have everyone captivated by the coolest dog around (Parents' Choice). "Laden's dog characters are especially keenly drawn . . . A whimsical book." —Kirkus Reviews "Sophisticated enough for older children and silly enough for younger listeners, this boy-and-his-dog book has a clever text, great illustrations and strong appeal." —School Library Journal

*A Book for Every Teacher: Teaching English Language Learners* is a unique and compressive text written for mainstream classroom teachers. The passion for writing this book comes from our working experiences with the K-12 teachers in four school districts through our ELL Center professional development program. Through this program, we provide professional training through our federally funded research and service projects. The

purpose of our professional training is to prepare general education teachers to work effectively with English language learners (ELLs). While working with the teachers on a daily basis, we know the immediate needs of the teachers. This motivated us to embark this book project. In recent years, the ELL school population has the highest increase among school populations. As the NEA data indicates, providing ELL students with high quality services and programs is an important investment in America's future (NEA, 2013). This book is our investment in helping teachers to meet their challenges and provide useful information and strategies for teaching ELLs. The book is designed with K-12 teachers in mind. It is best used by teachers who have or will have ELLs in their classrooms and who seek information and strategies to better work with and serve their ELLs to achieve

academic success. With this design, teachers can use the book as a text or reference tool. This book can also be adopted as text materials for professional training. Teachers are the most important factor for ELLs' academic success. *A Book For Every Teacher* Cambridge University Press
