The global village has arrived. Recent census figures show that communities in the United States are more culturally and ethnically diverse than ever before. And you may be just one of many who find it challenging to build relationships with people from backgrounds unlike your own. How do you befriend an international student or a new coworker from a different country? What can you expect when your church building is shared with a congregation from another cultural group? Why are your words and actions sometimes misinterpreted by others? Crosscultural specialist Patty Lane answers these questions and more. She shows you how to develop hands-on relational skills that build crosscultural friendships. And she provides practical resources to help you navigate multicultural environments with sensitivity and savvy. Filled with vivid stories of real-life situations, her helpful guidebook explains frequently misunderstood aspects of culture, debunks stereotypes and suggests ways to resolve crosscultural conflicts. Above all, Lane demonstrates God's heart for building bridges across cultures and shows how you can reach out to people of every nation, culture and ethnicity. Whether you are actively ministering to people of different cultural backgrounds, traveling to other countries for your business or simply want to make friends across cultural lines, this engaging handbook is a perfect introduction to the journey.

A Beginner's Guide to Crossing Cultures John Wiley & Sons
 The extraordinary, groundbreaking novel from Laurie Halse Anderson, with more than 2.5 million copies sold! The first ten lies they tell you in high school. "Speak up for yourself--we want to know what you have to say." From the first moment of her freshman year at Merryweather High, Melinda knows this is a big fat lie, part of the nonsense of high school. She is friendless, outcast, because she busted an end-of-summer party by calling the cops, so now nobody will talk to her, let alone listen to her. As time passes, she becomes increasingly isolated and practically stops talking altogether. Only her art class offers any solace, and it is through her work on an art project that she is finally able to face what really happened at that terrible party: she was raped by an upperclassman, a guy who still attends Merryweather and is still a threat to her. Her healing process has just begun when she has another violent encounter with him. But this time Melinda fights back, refuses to be silent, and thereby achieves a measure of vindication. In Laurie Halse Anderson's powerful novel, an utterly believable heroine with a bitterly ironic voice delivers a blow to the hypocritical world of high school. She speaks for many a disenfranchised teenager while demonstrating the importance of speaking up for oneself. Speak was a 1999 National Book Award Finalist for Young People's Literature.

A group of Utopians, unhappy with dissolute, mid-19th-century America, takes to the pastoral life; but the members find little satisfaction in the communal life. Instead of changing the world, they pursue self-centered paths that ultimately lead to tragedy. Absorbing 1852 novel about love, idealism, and politics bristles with Hawthorne's perceptive wit and intelligence.

****A Guardian 'Best Thriller of the Year!'** The New York Times bestselling author of *Maggie Murders* and *Moriarty* brilliantly reinvents the classic crime novel once again with this clever and inventive mystery starring a fictional version of the author himself as the Watson to a modern-day Holmes, investigating a case involving buried secrets, murder, and a trail of bloody clues. A woman crosses a London street. It is just after 11am on a bright spring morning, and she is going into a funeral parlor to plan her own service. Six hours later the woman is dead, strangled with a crimson curtain cord in her own home. Enter disgraced police detective Daniel Hawthorne, a brilliant, eccentric man as quick with an insult as he is to crack a case. And Hawthorne has a partner, the celebrated novelist Anthony Horowitz, curious about the case and looking for new material. As brusque, impatient, and annoying as Hawthorne can be, Horowitz—a seasoned hand when it comes to crime stories—suspects the detective may be on to something, and is irresistibly drawn into the mystery. But as the case unfolds, Horowitz realizes he's at the center of a story he can't control . . . and that his brilliant partner may be hiding dark and mysterious secrets of his own. A masterful and tricky mystery which plays games at many levels, *The Word Is Murder* is Anthony Horowitz at his very best.

Don't miss this New York Times bestselling "impossible to put down" (Buzzfeed) novel with deadly stakes, thrilling twists, and juicy secrets—perfect for fans of *One of Us is Lying* and *Knives Out*. Avery Grambs has a plan for a better future: survive high school, win a scholarship, and get out. But her fortunes change in an instant when billionaire Tobias Hawthorne dies and leaves Avery virtually his entire fortune. The catch? Avery has no idea

why—or even who Tobias Hawthorne is. To receive her inheritance, Avery must move into sprawling, secret passage-filled Hawthorne House where every room bears the old man's touch—and his love of puzzles, riddles, and codes. Unfortunately for Avery, Hawthorne House is also occupied by the family that Tobias Hawthorne just dispossessed. This includes the four Hawthorne grandsons: dangerous, magnetic, brilliant boys who grew up with every expectation that one day they would inherit billions. Their apparent Grayson Hawthorne is convinced that Avery must be a conwoman, and he's determined to take her down. His brother, Jameson, views her as their grandfather's last hurrah: a twisted riddle, a puzzle to be solved. Caught in a world of wealth and privilege, with danger around every turn, Avery will have to play the game herself just to survive.

There is a certain church, in the city of New York which I have always regarded with peculiar interest on account of a marriage there solemnized under very singular circumstances in my grandmother's girlhood. That venerable lady chanced to be a spectator of the scene, and ever after made it her favorite narrative. Whether the edifice now standing on the same site be the identical one to which she referred I am not antiquarian enough to know, nor would it be worth while to correct myself, perhaps, of an agreeable error by reading the date of its erection on the tablet over the door. It is a stately church surrounded by an enclosure of the loveliest green, within which appear urns, pillars, obelisks, and other forms of monumental marble, the tributes of private affection or more splendid memorials of historic dust. With such a place, though the tumult of the city rolls beneath its tower, one would be willing to connect some legendary interest.
