With the 21st century upon us, many people are talking about all the "earth changes" that will occur. However, in this inspirational book, best-selling author Louise L. Hay reveals that the primary changes we will see will be internal changes. She points out that when we, as women, are willing to shift our internal ground, our earth, we will operate on a much more expanded level in life. Louise's goal is to see

that all women experience self-love, self-worth, self-esteem, and a powerful place in society. In this delightful book, Louise Hay discusses the power and importance of affirmations and shows you how to apply them right now! Louise explains that when you state an affirmation, you're really saying to your subconscious mind: "I am taking responsibility. I am aware that there is something I can do to change." Within these pages, Louise discusses specific topics and concerns (health, fearful emotions, addictions, prosperity issues, love and intimacy, and more) and presents exercises that show you how to make beneficial changes to virtually every area of your life. On the accompanying audio download, Louise offers you helpful information about affirmations that you can also use to your benefit. She recommends that you listen to it at any time of the day or night—whenever you'd like positive thoughts and ideas to permeate your consciousness and fill you with hope and joy. "It takes some time to go from a seed to a full-grown plant. And so it is

with affirmations—it takes some time from the first declaration to the final demonstration. Be patient!"

#1 NEW YORK TIMES BESTSELLER • NEWBERY MEDAL WINNER • NATIONAL BOOK AWARD WINNER Dig deep in this award-winning, modern classic that will remind readers that adventure is right around the corner-- or just under your feet! Stanley Yelnats is under a curse. A curse that began with his no-good-dirty-rotten-pig-stealing-great-great-grandfather and has since followed generations of Yelnatses. Now Stanley has been unjustly sent to a boys' detention center, Camp Green Lake, where the boys build character by spending all day, every day digging holes exactly five feet wide and five feet deep. There is no lake at Camp Green Lake. But there are an awful lot of holes. It doesn't take long for Stanley to realize there's more than character improvement going on at Camp Green Lake. The boys are digging holes because the warden is looking for something. But what could be buried under a dried-up lake? Stanley tries to dig up the truth in

this inventive and darkly humorous tale of crime and punishment—and redemption. "A smart jigsaw puzzle of a novel."

From the New York Times best-selling author of *You Can Heal Your Life* Mirror work has long been Louise Hay's signature method for cultivating a deeper relationship with yourself and others, and leading a rich and meaningful life. Now, in *Mirror Work*, she shows how in just 21 days, you can master this simple but powerful practice as an ongoing support for positive transformation and self-care. "I have been teaching people how to do mirror work as long as I have been teaching affirmations . . . The most powerful affirmations are those you say out loud when you are in front of a mirror, looking deeply into your eyes. A mirror reflects back to you the feelings you have about yourself. It makes you immediately aware of where you are resisting and where you are open

and flowing. It clearly shows what thoughts you will need to change if you want to have a joyous, fulfilling life." - Louise Hay

reflections drawn from the inspirational work of Louise Hay. Queen of the New Age . . . A founder of the self-help movement . . . The closest thing to a living saint . . . Louise Hay was called all this and more, and her work inspired millions worldwide, but she never set herself up as a guru with all the answers. She urged every attendee at her workshops and conferences, every reader of her dozens of books, to remember that it is you who has the power to heal your life. She was just here to guide you on the path of remembering the truth of who you are: powerful, loving, and lovable. In honor of Louise's life, you now hold in your hands this compilation of her most inspiring teachings from her greatest works. Our hope is that the 366 entries within this book allow you to carry the wisdom of Louise with you each and every day, and inspire you to trust the process of Life. As Louise said: "Very simply, I believe that what we give out, we get back; we all contribute to, and are responsible for, the events that take place in our lives--both the good and the so-called bad. We create our experiences

based on the words we say and the thoughts we think. When we create peace and harmony in our minds and think positive thoughts, we will attract positive experiences and like-minded people to us. In essence, what I'm saying is that what we believe about ourselves and about Life becomes true for us."
