**Ask a Manager** Cambridge University Press

From the creator of the popular website Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called "the Dear Abby of the work world." Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit "reply all" • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager "A must-read for anyone who works . . .

[Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work."—Booklist (starred review) "The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience."—Library Journal (starred review) "I am a huge fan of Alison Green's Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor."—Robert Sutton, Stanford professor and author of The No Asshole Rule and The Asshole Survival Guide "Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way."—Erin Lowry, author of Broke Millennial: Stop Scraping By and Get Your Financial Life Together *English File* OUP Oxford

English File Advanced Student's Book is suitable for CEFR level C1 English File, third edition, provides a balance of grammar, vocabulary, pronunciation and skills to give students the right mix of language and motivation to get them talking. With lively lessons and engaging topics, classes are enjoyable and provide opportunity for students to practise and improve. Support for teachers includes a Teacher's Book with over 100 photocopiables along with extra tips and ideas. The Classroom Presentation Tool brings your classroom to life with the Student's Book and Workbook on-screen and interactive.

The course that gets students talking.

New English file

English File is a flexible course for adults and young adults which reflects the realities of both learning and teaching. At each of the first two levels, there is a fast-track core of 60 hours' class work, with additional material which can extend the course to more than 120 hours. English File 1 is for beginners and false beginners. English File gives students a real sense of achievement and progress. It offers clear

learning objectives, an organized approach to revision and reference work, and a fully integrated home-study programme. For teachers, there are well-planned lessons that work, a realistic syllabus focusing on what can be achieved in a first level course, and a complete source of ready-to-use supplementary materials. • Lessons which cover the grammar pronunciation, and vocabulary syllabus of the course, with in-built revision and recycling. • Systematic pronunciation work, with a memorable and learner-friendly introduction to English sounds. • Graded listening materials and tasks. • Travel with English. Functional language, practical communication in international 'survival' contexts. • Revision and extension. Consolidation and development of core lessons through skills work. • Vocabulary file. Systematic vocabulary development and revision, and learning tips. • Grammar file. Self-check grammar reference in language graded for beginner level. • Word bank. An active picture dictionary for memorable study and reference.

The course that gets students talking, now available in American English at four levels.

*English File - Advanced*

Teaching Materials and the Roles of EFL/ESL Teachers is published amidst a decade long increase in academic publications and training courses concerned with the evaluation and design of English language teaching materials. It is timely to consider what effect the advice on offer has had on teachers' practice. Are teachers evaluating materials carefully, using textbooks in the ways expected by textbook writers, developing their own materials, and mediating between materials and learners in the ways advised in the professional literature? The book explores these issues from a variety of perspectives. The views of publishers/textbook writers, those contributing to the professional literature, and teacher educators are synthesised to

establish a 'theory' of how teachers can best fulfil their roles vis-à-vis materials and learners. This is then compared with 'practice', as represented by published accounts of teachers' actual practices and learners' perspectives. The conclusion reached is that teacher education in materials evaluation and design is essential and suggestions are offered as to the form this might take. The book is intended particularly for MA students and teacher educators concerned with materials evaluation and design, but is of interest to all those concerned with the publication and use of English language teaching materials.
