The story of one of the most recognisable

and successful players in world football. Didier Drogba is renowned for his heading ability, sharp shooting and sheer strength. He has played for his native Ivory Coast and for clubs in France, China and Turkey,

but it is as a Chelsea striker that he is best known. His feats with Chelsea have made him a cult hero among supporters. In Didier Drogba's honest and revealing autobiography he will talk about life as an immigrant in Paris, the importance of his education and how finding success later than most professional footballers has kept him grounded. In 2012 Didier was voted Chelsea's greatest ever player. He talks from a privileged behind-the-scenes position about tactics and how he felt mentally and physically as well as anecdotes from the dressing room. Didier provides unique insight into important and controversial matches from the first trophy he won with them in 2005 to the Premier League title a decade later; as well as what persuaded him to stay when he was at his lowest ebb. Away from football Drogba has been widely applauded for his involvement in trying to broker peace in the Ivorian civil war - he is a UN Goodwill Ambassador and does a huge amount of work with the Didier Drogba Foundation - Time magazine named him one of the world's 100 most influential people. Go behind the scenes at Stamford Bridge and find out about life on and off the field for

this humble Chelsea hero.
