Bounty Trilogy Cambridge Scholars Publishing
 Biografi over William Bligh (1754-1817), som især er kendt fra mytteriet på Bounty, men som også var med Nelson under Københavns bombardement i 1801
Captain Bligh and Mr. Christian Bloomsbury Academic
 Who has not heard of the mutiny on the Bounty? For two hundred years this event has fired the imagination of millions of people, countless books have been written on it, and five motion pictures—so far—dramitized it on the screen. This book is unique in the literature on the mutiny and is the first companion volume to the story. The first part, the Bounty Chronicle, gives a panoramic, yet detailed, month-by-month account of the events, starting before the Bounty's departure and ending with Fletcher Christian's death on Pitcairn Island. It even chronicles Captain Bligh's second breadfruit expedition of which so many people are unaware. The second part of the book, the Bounty Encyclopedia, is full of all the exciting and fascinating details surrounding this great story.
Passion, Power and Theatre on the Bounty Penguin
 More than two centuries after Master's Mate Fletcher Christian led a mutiny against Lieutenant William Bligh on a small, armed transport vessel called Bounty, the true story of this enthralling adventure has become obscured by the legend. Combining vivid characterization and deft storytelling, Caroline Alexander shatters the centuries-old myths surrounding this story. She brilliantly shows how, in a desperate attempt to save one man from the gallows and another from ignominy, two powerful families came together and began to create the version of history we know today. The true story of the mutiny on the Bounty is an epic of duty and heroism, pride and power, and the assassination of a brave man's honor at the dawn of the Romantic age.
A Novel of the Bounty HarperCollins UK
 This study of Byron's last complete long poem, the comparatively neglected *The Island*, is the first to devote a whole book to the examination, contextualization and motivation of both the poetry and its poet. It is much more than just a monograph, however; aside from biographical considerations, it illumines aspects of study that embrace feminism, racial politics and social considerations in relation to Polynesian island society, all of which are contrasted with the loose anarchy of an eighteenth century group of British mutineers. Two historical contexts – the infamous 1789 mutiny on the Bounty and Byron's life in the year that led up to the poem's composition – serve as an extended prelude to a

deep analysis of the major symbols and characters in the poem, while its main chapters range beyond *The Island*, conducting a literary conversation with Shakespeare, Pope, 18th-century writers of memoirs and nautical sea history, classical authors and even Chinese poets, as well as other Romantic poets. Consideration is given to aspects of racial and feminist theory in relation to the poem's extraordinary central female character; in particular there is a focus on her promotion of the poem's happy ending, one that is quite unique in Byron's oeuvre. The Appendix contains the first-ever published transcript of the holograph of the poem, allowing readers to appreciate Byron's idiosyncratic and expressive punctuation—as well as his first thoughts before editing.
Bligh e-arnow
 MEN AGAINST THE SEA is the epic story of the 19 loyal men who, with Captain Bligh at the helm, were set adrift in a 23-foot open launch. Their 3,600-mile voyage remains one of the greatest feats of courage and adventure in the annals of the sea.
Mutiny Graphic Arts Books
 This epic drama follows Fletcher Christian and his mutineers' and Captain Bligh's remarkable 3,600-mile voyage in an open launch. **Dangerous Voyage of Captain Bligh, in an Open Boat, Over 1200 Leagues of the Ocean, in the Year 1789** Duckbacks
 An account of the tragic voyage of the British ship to the island of Tahiti.
A Voyage to the South Sea Bloomsbury Publishing USA
 Fletcher Christian, master's mate on HMS Bounty prepares to seize control of a ship torn apart by the sadism of her captain
Beyond the Bounty Back Bay Books
 The names William Bligh, Fletcher Christian, and the Bounty have excited the popular imagination for more than two hundred years. The story of this famous mutiny has many beginnings and many endings but they all intersect on an April morning in 1789 near the island known today as Tonga. That morning, William Bligh and eighteen surly seamen were expelled from the Bounty and began what would be the greatest open-boat voyage in history, sailing some 4,000 miles to safety in Timor. The mutineers led by Fletcher Christian sailed off into a mystery that has never been entirely resolved. While the full story of what drove the men to revolt or what really transpired during the struggle may never be known, Penguin Classics has brought together—for the first time in one volume—all the relevant texts and documents related to a drama that has fascinated generations. Here is the full text of Bligh's Narrative of the Mutiny, the minutes of the court proceedings gathered by Edward Christian in an effort to clear his brother's name, and the highly polemic correspondence between Bligh and Christian—all amplified by Robert Madison's illuminating

Introduction and rich selection of subsequent Bounty narratives. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.
The Bounty Potomac Books, Inc.
 Captain Bligh and the mutiny on the Bounty have become proverbial in their capacity to evoke the extravagant and violent abuse of power. But William Bligh was one of the least violent disciplinarians in the British navy. It is this paradox which inspired Greg Denning to ask why the mutiny took place. His book explores the theatrical nature of what was enacted in the power-play on deck, on the beaches at Tahiti and in the murderous settlement at Pitcairn, on the altar stones and temples of sacrifice, and on the catheads from which men were hanged. Part of the key lies in the curious puzzle of Mr Bligh's bad language.
A Sailor's Account of the Mutiny and Life in the South Seas HarperCollins
 In Bligh, the story of the most notorious of all Pacific explorers is told through a new lens as a significant episode in the history of the world, not simply of the West. Award-winning anthropologist Anne Salmond recounts the triumphs and disasters of William Bligh's life and career in a riveting narrative that for the first time portrays the Pacific islanders as key players. From 1777, Salmond charts Bligh's three Pacific voyages - with Captain James Cook in the Resolution, on board the Bounty, and as commander of the Providence. Salmond offers new insights into the mutiny aboard the Bounty - and on Bligh's extraordinary 3000-mile journey across the Pacific in a small boat - through new revelations from unguarded letters between him and his wife Betsy. We learn of their passionate relationship, and her unstinting loyalty throughout the trials of his turbulent career and his fight to clear his name. This beautifully told story reveals Bligh as an important ethnographer, adding to the paradoxical legacy of the famed seaman. For the first time, we hear how Bligh and his men were changed by their experiences in the South Seas, and how in turn they changed that island world forever. 'Remarkable . . . The mutiny has inspired some marvellous books, of which this is possibly the finest.' --Jim Eagles, New Zealand Herald

Mutiny on the Bounty Macmillan

From the number one bestselling author comes a swashbuckling tale of mutiny and murder in paradise . . .

[Pitcairn, Mutiny and a Seduction at Sea](#) Penguin

The mutiny on HMS Bounty, in the South Pacific on 28 April 1789, is one of history's truly great stories - a tale of human drama, intrigue and adventure of the highest order - and in the hands of Peter FitzSimons it comes to life as never before. Commissioned by the Royal Navy to collect breadfruit plants from Tahiti and take them to the West Indies, the Bounty's crew found themselves in a tropical paradise. Five months later, they did not want to leave. Under the leadership of Fletcher Christian most of the crew mutinied soon after sailing from Tahiti, setting Captain William Bligh and 18 loyal crewmen adrift in a small open boat. In one of history's great feats of seamanship, Bligh navigated this tiny vessel for 3618 nautical miles to Timor. Fletcher Christian and the mutineers sailed back to Tahiti, where most remained and were later tried for mutiny. But Christian, along with eight fellow mutineers and some Tahitian men and women, sailed off into the unknown, eventually discovering the isolated Pitcairn Island - at the time not even marked on British maps - and settling there. This astonishing story is historical adventure at its very best, encompassing the mutiny, Bligh's monumental achievement in navigating to safety, and Fletcher Christian and the mutineers' own epic journey from the sensual paradise of Tahiti to the outpost of Pitcairn Island. The mutineers' descendants live on Pitcairn to this day, amid swirling stories and rumours of past sexual transgressions and present-day repercussions. Mutiny on the Bounty is a sprawling, dramatic tale of intrigue, bravery and sheer boldness, told with the accuracy of historical detail and total command of story that are Peter FitzSimons' trademarks.

[A saga of sex, sedition, mayhem and mutiny, and survival against extraordinary odds](#) University of Hawaii Press

The Wyeth edition of the three tales of the Bounty.

The Journal of Fletcher Christian, Former Lieutenant of His Majesty's Armed Vessel Bounty; a Novel Simon and Schuster

A trip across the Pacific turns into a life or death scenario when the crew of the HMS Bounty stages a revolt against their commander. The Bounty Mutiny tells the controversial story of the mutineers and the acting lieutenant who sparked a movement. Commanding Lieutenant William Bligh was instructed to use the HMS Bounty to transport breadfruit plants to the West Indies. He worked alongside skilled colleague Fletcher Christian, who was selected to be acting lieutenant. During their time at sea, the crew experienced many challenges with complaints of abuse and

tyranny at the hands of Bligh. This eventually leads to a mutiny, in which Christian and the crew take control of the vessel. This harrowing tale is one of the most adapted events of all-time. Over the past century, it has been interpreted across multiple mediums including five feature films starring George Cross, Errol Flynn, Clark Gable, Marlon Brando and Anthony Hopkins. It's an enduring story that continues to fascinate and provoke the masses. With an eye-catching new cover, and professionally typeset manuscript, this edition of The Bounty Mutiny is both modern and readable.

More than two centuries after Master's Mate Fletcher Christian led a mutiny against Lieutenant William Bligh on a small, armed transport vessel called Bounty, the true story of this enthralling adventure has become obscured by the legend. Combining vivid characterization and deft storytelling, Caroline Alexander shatters the centuries-old myths surrounding this story. She brilliantly shows how, in a desperate attempt to save one man from the gallows and another from ignominy, two powerful families came together and began to create the version of history we know today. The true story of the mutiny on the Bounty is an epic of duty and heroism, pride and power, and the assassination of a brave man's honor at the dawn of the Romantic age.

Mutiny on the Bounty Captain Bligh and Mr. Christian
The Men and the Mutiny

The story of Fletcher Christian, sailor, adventurer and mutineer of the HMS Bounty. From New Zealand's master historical novelist comes an enthralling maritime saga of the most notorious and far-reaching rebellion in naval history, and the relationship between Englishman Fletcher Christian and Isabella, his Tahitian lover. On 28 April 1789 Fletcher and his followers take control of HMAV Bounty and set commander William Bligh adrift in the ship's launch. What follows is a story brimming with conflict as Fletcher, his fellow-mutineers and their Tahitian women seek sanctuary from the wrath of the Royal Navy, then attempt to build a new society on remote Pitcairn Island. But their attempts are doomed, as envy, lust and racism destroy the Utopia that Fletcher and Isabella dreamed of. This is historical fiction at its finest.

[The Man and His Mutinies](#) Good Press

When Captain Samuel Wallis became the first European to land at Tahiti in June 1767, he left not only a British flag on shore but also three guinea hens, a pair of turkeys, a pregnant cat, and a garden planted with peas for the chiefess Porea. Thereafter, a succession of European captains, missionaries, and others planted seeds and

introduced livestock from around the world. In turn, the islanders traded away great quantities of important island resources, including valuable and spiritually significant plants and animals. What did these exchanges mean? What was their impact? The answers are often unexpected. They also reveal the ways islanders retained control over their societies and landscapes in an era of increasing European intervention. *Trading Nature* explores—from both the European and Tahitian perspective—the effects of "ecological exchange" on one island from the mid-eighteenth century to the present day. Through a series of dramatic episodes, *Trading Nature* uncovers the potency of trading in nature. In the interweavings of chiefly power, ordinary islanders, the ambitions of outsiders, transplanted species, and existing ecologies, the book uncovers the cultural and ecological impacts of cross-cultural exchange. Evidence of these transactions has been found in a rich variety of voyage journals, missionary diaries, Tahitian accounts, colonial records, travelers' tales, and a range of visual and material sources. The story progresses from the first trades on Tahiti's shores for provisions for British and French ships to the contrasting histories of cattle in Tahiti and Hawai'i. Two key exportations of species are analyzed: the great breadfruit transplantation project that linked Britain to Tahiti and the Caribbean and the politically volatile trade in salt-pork that ran between Tahiti and the Australian colonies in the nineteenth century. In each case, the author explores the long-term impacts of the exchanges on modern Tahiti. *Trading Nature* is a finely researched and entertaining work that will find a ready audience among those with an interest in the Pacific, ecological history, and the startling consequences of entangling people, plants, and animals on island shores.

After the Bounty National Library Australia

After the mutiny on the Bounty on 28 April 1789, led by Fletcher Christian, Captain William Bligh and 18 others were forced onto a 7-metre-long open boat and cast adrift. It was the beginning of a 47-day, 6700-kilometre journey from Tofua (a volcanic island in the Tonga group) to Timor. On this amazing voyage of survival, Bligh wrote daily entries in a small water-stained notebook and a selection of facsimile pages from this notebook is the foundation of *In Bligh's Hand: Surviving the Mutiny on the Bounty*. All but one of the men survived to reach Timor. *In Bligh's Hand* gives readers an insight into the character of William Bligh, the man who saved his men's lives through his iron will and stubborn adherence to a relentless regime of rationing and navigational calculations that kept the launch on course.
