 Are you tired of asking "What should I do  
 with my life?" Are you sick of your job?  
 Don't worry, I know how you feel! I used to  
 start every working week saying "I hate  
 my job" and spend every Friday night  
 drinking too much to drown my misery. I  
 was a cubicle worker in large corporates,  
 going to pointless meetings, writing  
 endless documents no one would read,  
 testing computer systems that would soon  
 be obsolete. Every day, my soul and my  
 creativity died a little. Maybe you feel the  
 same? Well, life is too short to just exist on

the edge of breakdown, and there is a  
 better way of living. You need to discover  
 what you love to do and then make that  
 your job, your life's work. This book will  
 take you through understanding the way  
 you feel now as well as how to improve  
 your current situation immediately so you  
 can create enough space to work on  
 breaking out and doing what you truly  
 love. It also contains the career change  
 process I used to go from management  
 consultant to full-time author-  
 entrepreneur. It's time to change your  
 career and your life.

Unlike the "experts," Bigland has achieved  
 real, tangible success over two-plus

decades. He's also still in the trenches  
 today, practicing the same strategies  
 advocated in *Along for the Ride*. So he's a  
 true expert and can speak with authority  
 on what it takes to reach actual financial  
 independence. In doing that, Bigland's not  
 afraid to shatter both the myths and the  
 egos of those who create them. His views  
 may not make *Along for the Ride* popular  
 among those with get rich quick schemes.  
 Yet the book is certain to delight anyone in  
 need of honest, actionable advice on  
 becoming financially independent. For  
 these readers, Bigland offers a simple,  
 straightforward blueprint based on real  
 estate and stock investing. On the real  
 estate side, he advocates a strategy  
 involving owning your principal residence

and steadily acquiring rental properties. And, on the stock investing side, his approach focuses on dividend growth and index investing via low-cost ETFs. These two overall methods (real estate and stock investing) are used to create a reliable stream of passive income. Or, as both the book and Warren Buffet call it, "a snowball." With *Along for the Ride*, learn to do the following: cultivate the right mindset for real estate investing overcome the trader's mentality make your first move in the world of real estate buy your first property invest in quality assets stop chasing small money build a support team go the extra mile in buying or selling have your money work for you Bigland shares the secrets of the stock market and shows you how to model your financial behavior on successful investors'. He also includes a question and answer section and a list of recommended resources. Bigland encourages you to take a step back and avoid quick responses to current events. Instead, outline your long-term financial goals and commit to a solid, steady strategy moving forward.

An ancient power. A desperate quest. The

clock is ticking. When psychologist and

religious expert Dr. Morgan Sierra's sister

and niece are kidnapped, she's thrust into

a deadly race against time to find twelve

ancient stones that could unleash

unimaginable power. With only days until

Pentecost and the kidnapper's deadline,

Morgan must use all her knowledge and

resources to track down the artifacts.

She's not alone in the hunt. Jake Timber,

an enigmatic agent of ARKANE, a secret British agency investigating the supernatural, has his own orders to retrieve the stones at any cost. Torn between her desperate need to save her family and Jake's mission to secure the stones, lines blur as Morgan and Jake forge an uneasy partnership. From the holy sites of Israel and the Vatican to the desert of Tunisia and the Sonoran wilderness of Arizona, Morgan and Jake face sinister forces, ancient traps, and a fanatical enemy determined to use the stones' power for their own dark purposes. Danger, betrayal and a growing attraction complicate their quest. With Pentecost approaching and a storm of apocalyptic proportions brewing, Morgan must confront her past and unearth long-buried secrets to have any hope of saving her family and preventing global catastrophe. Emotions run high and faith is tested as the clock ticks down. Can Morgan stop the stones from falling into the wrong hands, or will she have to choose between saving her family and saving the world? Fast-paced and gripping, *Stone of Fire* is a thrilling adventure that weaves together history, archaeology, and the supernatural into a pulse-pounding race against time. Perfect for fans of Dan Brown, James Rollins, and Steve Berry, this action-packed novel will keep you turning pages late into the night. *Stone of Fire* is book 1 of the ARKANE Thriller series by award-winning, New York Times and USA Today bestselling author, J.F. Penn. It can also be read as a stand-alone story.

Learn how to live the life you want, not

just the life you can afford in this highly engaging, step-by-step guide to winning at personal finance! Managing your money is like going to the dentist or standing in line at the DMV. Nobody wants to do it, but at some point, it's inevitable: you need to clean your teeth, renew your license, and manage your personal finances like a grown-up. Whether you're struggling to pay off student loan debt, ready to stop living paycheck to paycheck, or have finally accepted that your Beanie Baby collection will never pay off, tackling your finances may seem immensely intimidating. But it doesn't have to be. In fact, by approaching it as a game--or something that requires you to set clear goals, as well as face challenges you must "beat"--personal finance can not only be easy to understand, but it can also be fun! In *Get Money*, personal finance expert Kristin Wong shows you the exact steps to getting more money in your pocket without letting it rule your life. Through a series of challenges designed to boost your personal finance I.Q., interviews with other leading financial experts, and exercises tailored to help you achieve even your biggest goals, you'll learn valuable skills such as: Building a budget that (gasp) actually works Super-charging a debt payoff plan How to strategically hack your credit score Negotiating like a shark (or at least a piranha) Side-hustling to speed up your money goals Starting a lazy investment portfolio...and many more! Simply put, with this gamified guide to personal finance, you'll no longer stress about understanding how your finances work--you'll finally "get" money.

**Make Money While You Sleep** Ember Get Rich, Don't Bitch Today, more than ever before, wealth is something every woman has the power to create. Yet Jean Chatzky constantly hears all the excuses why women can't and don't master their money. Now, she reveals the secrets and the strategies she created to take control of her own money--strategies through which she gained her "money confidence." It's time for you to find yours! In *Make Money, Not Excuses* Jean shares these valuable lessons: • Where to start • How to get over your "I'm not smart enough to deal with money" feelings • Why being a "good-enough investor" will make more

money for you in the long-term (while trying to be a "great investor" will drive you crazy) • How (and where) to save your money • Why women make better investors--and higher returns--than men • How to track where you're overspending • How to pay off your debt Jean is unsurpassed in her ability to explain money and investing in simple, straightforward ways. Here she breaks down the scariest parts of dealing with money--from investing in stocks to saving for your retirement--and makes them practical, easy, empowering, and, yes, even enjoyable. This is your road map to real wealth. "Chatzky writes like the smart, candid best friend you wish you had." -Newsweek

The New York Times bestseller that gives readers a paradigm-shattering new way to think about motivation from the author of *When: The Scientific Secrets of Perfect Timing* Most people believe that the best way to motivate is with rewards like money--the carrot-and-stick approach. That's a mistake, says Daniel H. Pink (author of *To Sell Is Human: The Surprising Truth About Motivating Others*). In this provocative and persuasive new book, he asserts that the secret to high performance and satisfaction--at work, at school, and at home--is the deeply human need to direct our own lives, to learn and create new things, and to do better by ourselves and our world. Drawing on four decades of scientific research on human motivation, Pink exposes the mismatch between what science knows and what business does--and how that affects every aspect of life. He examines the three elements of true motivation--autonomy, mastery, and purpose--and offers smart and surprising techniques for putting these into action in a unique book that will change how we think and transform how we live.
