The tragic bombing of EuroTours Flight 1023 was big news. To FBI Agent Cam Daggett it was more than that. It was personal. His parents and son were on that plane. And for two years he's been after the killer who did it. All he has to go on is a name: Anthony Kort . . . and the knowledge that Kort is in the United States with

a detonator no airport security can detect. HE MUST BE STOPPED. Daggett's colleagues at the Bureau and his girlfriend tell him his vendetta has become an obsession. They suggest he leave the investigation to other agents, in order to keep it objective. But having painstakingly constructed a portrait of the terrorist, Daggett believes he's now the only one with any chance of predicting Kort's next target. A novel of madness and revenge, Hard Fall begs readers to fasten their seatbelts.

Grdankl the Strong, president of Kprshtskan, is plotting to take over the American government. His plan is to infiltrate the science fair at Hubble Middle School, located in a Maryland suburb just outside Washington. The rich kids at Hubble cheat by buying their projects every year, and Grdankl's cronies should have no problem selling them his government-corrupting software. But this year, Toby Harbinger, a regular kid with Discount Warehouse shoes, is determined to win the \$5,000 prize-even if he has to go up against terrorists to do it. With the help of his best friends, Tamara and Micah, Toby takes on Assistant Principal Paul Parmit, aka "The Armpit", a laser-eyed stuffed owl, and two eBay buyers named Darth and the Wookiee who seem to think that the Harrison-Ford-signed BlasTech DL-44 blaster Toby sold them is a counterfeit. What transpires is a hilarious adventure filled with mystery, suspense, and levitating frogs.

The Cave of the Dark Wind Penguin

When an earthquake strikes Neverland Island, things quickly go very wrong. The Lost Boys' underground hideaway is flooded, forcing them to leave. Meanwhile a mysterious barrel washes ashore and falls into the hands of the pirates. When their leader, Captain Hook, finds out what's in the barrel, he hatches an evil plan. But worst of all is the change in the mermaids. These once-

peaceful friends of the natives have turned violent, using their needle-sharp teeth to attack anybody who goes into the water. When they injure some members of the native Mollusk tribe, the Mollusk leader, Fighting Prawn, feels he has no choice but to fight back. As the warriors prepare to attack, the Lost Boys and the chief's daughters, Shining Pearl and Little Scallop, set off on a secret mission to try to make peace with the mermaids. Instead they're captured by the mermaids, and while in captivity they discover the cause of the problem - the Blood Tide, which is poisoning the lagoon and will eventually kill the mermaids. With time running out, they must try to stop the tide and save the mermaids, as well as themselves. But to do so, they must deal with Captain Hook, whose plan threatens to destroy the Mollusk village and change life on Neverland Island forever.

Edge of Extinction #1: The Ark Plan CHANGDER OUTLINE
August Strindberg's novel *The Red Room* centers on the civil servant Arvid Falk as he tries to find meaning in his life through the pursuit of writing. He's accompanied by a crew of painters, sculptors and philosophers each on their own journey for the truth, who meet in the "Red Room" of a local restaurant. Drawing heavily on August's own experiences, *The Red Room* was published in Sweden in 1879. Its reception was less than complimentary in Sweden—a major newspaper called it "dirt"—but it fared better in the rest of Scandinavia and soon was recognised in his home country. Since then it has been translated into multiple languages, including the 1913 English translation by Ellise Schleussner presented here. This book is part of the

Standard Ebooks project, which produces free public domain ebooks.
