The Function of Elijah as a Model in Luke-Acts Charisma Media

The story of the prophet Elijah's transformation from fierce zealot to compassionate hero and cherished figure in Jewish folklore "In a series on Jewish Lives, this volume is about the Jewish life--the one that goes on forever. Becoming Elijah blends meticulous scholarship with bold literary and poetic imagination. Don't miss it!"--Arthur Green, author of *Judaism for the World* In the Bible Elijah is a zealous prophet, attacking idolatry and injustice, championing God. He performs miracles, restoring life and calling down fire. When his earthly life ends, he vanishes in a whirlwind, carried off to heaven in a fiery chariot. Was this a spectacular death, or did Elijah escape death entirely? The latter view prevailed. Though residing in heaven, Elijah revisits earth--to help, rescue, enlighten, and eventually herald the Messiah. Because of his messianic role, Jews open the door for Elijah during each seder--the meal commemorating liberation from slavery and anticipating final redemption. How did this zealot turn into a compassionate hero--apparently the most popular figure in Jewish folklore? Becoming Elijah explores this question, tracing how Elijah develops from the Bible to Rabbinic Judaism, Kabbalah, and Jewish ritual (as well as Christianity and Islam). His transformation is pertinent and inspirational for our polarized, fanatical world.

Fourteen members of The Context Group honor Bruce J. Malina and his scholarship in this volume by following his consistent example of developing or using explicit social scientific models to interpret documents from the ancient Mediterranean world. Ordinary features of that cultural world such as gossip, reciprocity, a pervasive military presence, the power of women, and becoming a follower of Jesus stand out with greater clarity in the Bible when a reader understands the cultural matrix in which such social dynamics function. These essays reflect The Context Group's more than twenty years of collaborative experience in researching the cultural context of the Bible. New insights are built on the solidly established foundations of their earlier cross-cultural studies. Readers will find the individual essays enlightening and challenging. Taken as a whole they form a valuable resource and a stimulating and helpful aid to further study. John J. Pilch, Ph.D., a founding member of The Context Group, is Professor of Biblical Literature at Georgetown University, Washington, DC.

There is a marked resemblance between our time and that of Elijah and Elisha. Theirs was a time of judgment; ours is as well. But there is a deeper resemblance. Their day was an age of syncretism, of radical compromise between the worship of the Lord and Baal worship. The two had been blended together to make one religion, so that a refusal to see the necessity for uncompromising religion marked Israel. Israel rarely denied the Lord

or professed open apostasy. Rather, it pursued a course of religious syncretism, using the name of the Lord but absorbing with their religion whatever other faith was expedient for them. Thus, they were not open pagans, but pagans who practiced their unbelief under cover of the Lord's name. Syncretism is again our problem. Numerous forces, powers, and persons are accorded sovereignty over man. Today, Baal-worship is again prevalent in the name of the Lord. Humanistic statism is easily and readily submitted to by churchmen: children are placed in humanistic state schools, given into the hands of the enemies of God, and people are only indignant if you condemn this practice. The major concern of most church members is not the Lord's battles, nor the urgency to make a stand against compromise, but, "How can I best enjoy life?" The similarity does not end there. Elijah and Elisha's day was one of prosperity, a false prosperity that was largely the product of inflation. Our age, too, has been marked by an inflationary prosperity, and the loosening of moral and religious standards is one result. People want things, not qualities or virtues. This mindset demands more material wealth for men and diminishes the need for moral and educational performance and excellence. It is now a virtue to tolerate evil and to be intolerant of any material lack for man. In Chariots of Prophetic Fire, R J. Rushdoony challenges the Church of our day to resist compromise and the temptation of expediency, and realize that the power today does not lie in politics or governments but in God's men of faith.

Learning through experience definitely makes an impression, but isn't it better sometimes to learn from the successes and failures of others? Scripture tells us that those who came before us are examples for us (1 Cor. 10:6 and 11), given that we could learn what to do-and what not to do. Few offer us the lessons that Elijah does. Looking for God's provision? Elijah dealt with that. Trying to believe God when everything in the natural is against you? Elijah dealt with that too. Battling with self-pity? Elijah faced that as well. Elijah's ministry wasn't very long, but it was packed full of life lessons that we can use today. You may not think an Old Testament prophet has anything to teach you, but you'll want to think again-a man translated to heaven by a whirlwind must have something to share. Explore the right-and wrong-ways to serve God, and learn more about how God honors His servants. This book offers the life experience without the hard knocks!

Spiritual Stamina in Every Season WestBow Press

Go the distance in the life of faith. Life is like a rollercoaster. One day it seems that everything in life is good, and the next day it can feel like everything is falling apart. Then there are those in between days when we're coasting along without much thought to the highs or lows. The prophet Elijah experienced this rollercoaster ride as well. One moment he was hiding out in the wilderness during a famine, being fed by the ravens, and the next he was on the mountaintop where God showed up in a powerful way with fire and then rain. Even Elijah grew weary of all the ups and downs, telling God, "I have had enough" (1 Kings 19:4). He needed spiritual stamina in order to keep on going and fulfill all the plans God had for his life. We do too! In this six-week study grounded in 1 and 2 Kings, we will examine the life of the prophet Elijah, an ordinary man who did extraordinary things for God in the midst of the highs and lows of life. We'll learn some of the spiritual stamina secrets that helped him to hold on and persevere in faith, including practical habits related to making decisions, caring for the soul, accepting his circumstances, mentoring, and finishing well—which was his ultimate legacy. Whether we're currently in a mountaintop season where we're experiencing God's power and blessing, a valley season where we feel like running away, or somewhere in between, Elijah's life will inspire us to go the distance in the life of faith. Best of all, his story will challenge us but not shame us, because we'll discover that Elijah was just as human as we are. He doubted and struggled just as we do, but ultimately, he chose to believe God. As we study his life, we will grow in faith and develop spiritual stamina that will help us not only to survive but actually thrive in every season. Bible Study Features: Examine the life of the prophet Elijah. Learn practical disciplines that give us spiritual stamina for every season in life. Grow in faith and be inspired by an ordinary man who did extraordinary things for God. Be enabled to not just survive but thrive in the midst of the ups and downs of life. The participant workbook, to be used along with the study's DVD, includes five days of lessons for each week, combining study of Scripture with personal reflection, application, and prayer. Other components for the Bible study, available separately, include a Leader Guide, DVD with six sessions of about 25 minutes each, and boxed Leader Kit (an all-inclusive box containing one copy of each of the Bible study's components). A companion Prayer Devotional is also available.

Elijah or Greek form Elias was, according to the Books of Kings in the Hebrew Bible, a prophet and a miracle worker who lived in the northern kingdom of Israel during the reign of King Ahab. In 1 Kings 18, Elijah defended the worship of the Hebrew God over that of the Canaanite deity Baal. This is a study of the prophet Elijah. It is a verse by verse study of his life, packed with illustrations and Biblical insight.
