Pope Francis: A Photographic Portrait of the People's Pope offers a rare look at life behind the scenes with His Holiness Pope Francis. Inspiring photographs from one of Pope Francis' official photographers, Rodolfo

Felici, capture both significant and informal events, from papal visits throughout the world to spontaneous moments at the Vatican, creating an exceptionally intimate portrait of the pope and an inside look at papal life. In Pope Francis: A Photographic Portrait of the People's Pope, this close-up is coupled with the inside knowledge of author Father Michael Collins, a former adviser at the Vatican, who provides a complete look at the workings of the papacy and the Holy City.

Created in full cooperation with the Vatican, Pope Francis: A Photographic Portrait of the People's Pope is a beautiful tribute to His Pope Francis, the first Jesuit and Latin American pope and a true pope of the people.

#1 NATIONAL BESTSELLER • A profoundly moving spiritual journey through our system of capital punishment and an unprecedented look at the human consequences of the death penalty •

"Stunning moral clarity."
 —The Washington Post Book World • Basis for the award-winning major motion picture starring Susan Sarandon and Sean Penn "Sister Prejean is an excellent writer, direct and honest and unsentimental. . . . She almost palpably extends a hand to her readers."
 —The New York Times Book Review In 1982, Sister Helen Prejean became the spiritual advisor to Patrick Sonnier, the convicted killer of two teenagers who was sentenced to die in the

electric chair of Louisiana's Angola State Prison. In the months before Sonnier's death, the Roman Catholic nun came to know a man who was as terrified as he had once been terrifying. She also came to know the families of the victims and the men whose job it was to execute—men who often harbored doubts about the rightness of what they were doing. Out of that dreadful intimacy comes a profoundly moving spiritual journey through our system of capital punishment. Here

Sister Helen confronts both the plight of the condemned and the rage of the bereaved, the fears of a society shattered by violence and the Christian imperative of love. On its original publication in 1993, *Dead Man Walking* emerged as an unprecedented look at the human consequences of the death penalty. Now, some two decades later, this story—which has inspired a film, a stage play, an opera and a musical album—is more gut-wrenching than ever, stirring deep and life-

changing reflection in all who encounter it.

When an Iranian president

thunders a murderous threat or an obscure Turkish drunkard has a dream in Mecca or a Jewish couple from Brooklyn lands at Tel Aviv's Ben Gurion airport, these events might seem disconnected. But they're not. In *Dateline Jerusalem*, CBN News correspondent Chris Mitchell connects the dots and unveils Jerusalem as the epicenter and crossroads of the spiritual, political, and, yes, supernatural worlds. For thousands of years, Jerusalem's powerful draw has always

transcended simple economics, military strategy, and religious affiliation. In our own time, as the Arab Spring threatens to become an Islamic Winter, one commentator warns: “The Arab Spring doesn’t lead to democracy, it leads to Jerusalem.” Indeed, the fragile peace of Israel is in new peril as violent Islamic factions vie for control of surrounding nations. Yet Muslims are converting to Christianity in record numbers. Dateline Jerusalem untangles and chronicles

all this through the riveting narrative of a Christian reporter in the upheaval of the modern Fertile Crescent. We live in a world where we cannot afford to be ill informed. What happens in the strategic Middle East, Israel, and Jerusalem is critical. It matters to you. Today’s news might focus on Washington, New York, London, or Moscow, but history’s final chapter will be written in Jerusalem. Chris Mitchell’s firsthand experiences and reporting uniquely qualify him to expound on and

explain the major trends and developments sweeping the Middle East and affecting the world. Mitchell has served as the bureau chief for CBN News since August 2000. **Dateline Jerusalem** Winepress Publishing 2021 Association of Catholic Publishers third place award in Scripture 2021 Catholic Media Association Award second place award in pilgrimages/Catholic travel Biblical scholar and seasoned pilgrimage guide Stephen J. Who's who and Where's where in the Bible 2.0

National Geographic Books

Written by an L. A. County homicide detective and former atheist, *Cold-Case Christianity* examines the claims of the New Testament using the skills and strategies of a hard-to-convince criminal investigator. Christianity could be defined as a “cold case”: it makes a

claim about an event from the distant past for which there is little forensic evidence. In *Cold-Case Christianity*, J. Warner Wallace uses his nationally recognized skills as a homicide detective to look at the evidence and eyewitnesses behind Christian beliefs. Including gripping stories from his career and the visual techniques he developed in the courtroom, Wallace uses illustration to examine the powerful evidence that validates the claims of Christianity.

A unique apologetic that speaks to readers' intense interest in detective stories, *Cold-Case Christianity* inspires readers to have confidence in Christ as it prepares them to articulate the case for Christianity.
