This book traces the author's journey of ascension through the seven levels of initiation, through the process of anchoring and activating his fifty chakras, expanding to a 99-percent light quotient, then on to anchoring and fully activating all twelve bodies, which include the five higher bodies. Exactly how this is done is shared, and in-depth information is given on the workings of the inner-plane ashram under the guidance of Djwhal Khul, Lord Maitreya and Lord Melchizedek. You are invited to journey with him as he unfolds the process of his initiations, beginning at the sixth, moving through the equivalent of the tenth initiation and into the

beginning of the eleventh. Written as a personal log, this book shares, in an open and candid manner, dreams, meditations, conversations with the masters, spiritual background, thoughts and reflections and actual ascension experiences.

Ascension to the New
Earth Archway
Publishing*

There is a place you can go that is free from sickness, crime, and war. That place is not here on this Earth. Instead, it is on the "New Earth." And you can choose to obtain a new body and go there. Drawing upon thirty-three years of University research and fifteen years of "Subtle Energy" manipulations Dr. Pettit discusses

relationships between life sciences and spirituality. By understanding the concept "ask and you can receive" he outlines the questions to ask and your responsibilities to create a new body for ascending to the "New Earth" around 2012. Ascension is available for those who choose to move out of duality consciousness with suffering and pain into a new reality of Unity Consciousness with unfathomed joy and peace. Dr. Pettit explains how you can achieve this incredible gift with the following concepts. * Making a choice to ascend with your physical body * Knowing who you are and why you are on Earth * Shifting your dimensional state of consciousness *

Avoiding fear, accept change, understand time-space * Releasing false beliefs, sickness, and pain * Understand your Mer-Ka-Ba Energy Field * Universal Laws related to your spirituality * The End Times, "The Shift," and Photon Belt

The Pleiadian

Workbook is a direct transmission from the Pleiadian Emissaries of Light--Light beings from the Pleiades--who say it's time now for spiritual growth, ascension, and healing. Through Amarah Quan Yin, we are taught to open our "Ka Channels," which pull energy from our multidimensional, holographic selves into our physical bodies. These galactic healing

techniques align us with our divine selves, raise our vibratory rates, and rejuvenate and balance our bodies, while accelerating spiritual evolution and stimulating emotional healing.

2003 Best Biography Award, Mormon History Association As one of the LDS Church's most widely recognized scholars, Hugh Nibley is both an icon and an enigma. Through complete access to Nibley's correspondence, journals, notes, and papers, Petersen has painted a portrait that reveals the man behind the legend.

Starting with a foreword written by Zina Nibley Petersen and finishing with appendices that include some of the best of Nibley's personal correspondence, the biography reveals aspects of the tapestry of the life of one who has truly consecrated his life to the service of the Lord.

The Pleiadian Workbook Order of Melchizedek Chron Planet Medicine is a major work by an anthropologist who looks at medicine in a broad context. In this edition, additions to this classic text include a section on Reiki, a comparison of types of palpation used in healing, updates on craniosacral therapy, and a means of understanding how

different alternative medicines actually work. Illustrated throughout, this is the standard on the history, philosophy, and anthropology of this subject.

A holistic approach to acting. This book presents acting as a mind, body and spirit practice and actors as emotional athletes, spiritual stuntmen and stuntwomen exposed to a constant roller coaster of emotions. Going beyond where Michael Chekhov left off, it offers new acting techniques using discoveries from holistic and energy healing modalities. Answering an urgent - yet never addressed-need, this book offers invaluable tools to heal post-performance stress disorder and cutting edge information about recovering your Highest Creative Self, the essence of your character, and true

emotional balance. Emmanuelle Chaulet's *A Balancing Act* is a godsend to performing artists of any sort. Knowing how to Energize allows us to endure and even thrive during the rise and fall, the constant state of transformation, the juggling of feelings, styles, jobs, and

colleagues while maintaining an even keel." "Truly some of the freshest and most innovative 21st century contributions to the art of acting." says Mel Shrawder NYC AEA/SAG actor, Former Head of Performance, University of Miami, and faculty at the Michael Chekhov Acting Studio in NYC.

Do you feel like you just don't fit in? Are you crippled by feelings of discontent? Do you know within that there is another way of being? Are you ready to begin your

journey to truth with courage, determination, faith, and trust? Like you, author Amenti Marakita knew that she wasn't living her ultimate life. Restricted by feelings of dissatisfaction and a general sense that she just didn't fit in, she knew that something had to change. She needed strength and motivation to create happiness as an adult. Motherhood was her foundation, and secretarial work was her bread and butter, but she wasn't satisfied. She knew that it would take a leap of faith for things to really change. She took her first step to a new life by opening herself up to the world of natural therapies. She valued the process of working through challenges with various

modalities and enjoying the rewards on the other side. She accepted the invitation to explore her reality and experience her true potential as a woman. In *Close Your Eyes and Wake Up*, Marakita, a Kinergetics practitioner and instructor, shares her guidance with those who are ready to leave the status quo behind and venture boldly into the unknown.

Kinergetics opened her heart to a world of happiness within herself by allowing her programmed self to fall away. By learning to trust synchronicity, signs, and inner and outer guidance, she was reborn.

The Child and the Book: a Manual of Method, for Sunday School Teachers and Other Religious Instructors. ... Second Thousand InterVarsity Press The teachings of Melchizedek—a totally balanced, authoritative incarnation of Christ—on topics such as reincarnation, spiritual development, and free will, are presented in this manual that relates a positive approach to the current transitional stage of spiritual

evolution. Contending that the unconditional love of God is bombarding the earth in an influx of neutrinos, this account provides a history of Melchizedek, who is a major influence in both the New and Old Testaments but is vastly understudied in most churches.

Promoting a harmonious view of religion—where there is one God, understood and worshiped in a variety of different ways, each serving a purpose to those worshipping and to the overall understanding of spirituality—this testament to the Order is both down-to-earth and profound.

"Faith" gets its most powerful definition from the New Testament book of Hebrews. Yet this anonymous treatise tantalizes with both its lack of contemporary precision about faith's definition and its shrouded original context. There are, however, sufficient clues in Hebrew's text to guide astute investigators toward a strange and yet familiar world of religious challenge in which the deeply significant rituals of ancient Israel, the

attractive moral character of first-century Jews in Rome, a crowd of disaffected righteous Romans, and a purported Palestinian messiah converge to produce one of the world's most thoughtful, courageous, and brilliant calls to martyrdom. In this careful pilgrimage along the author's meticulous development of a holy challenge to remain faithful to Jesus (precisely because there are no meaningful alternatives), Brouwer helps us find an inspiring and ever-relevant call to faith--we become the persons we are through the daily choices we make about Jesus and others.
