**Learning kanji the fun and easy way! [Downloadable MP3 Audio Included]** McGraw Hill Professional  
Fast, Easy Way to Learn a Language is essential reading for anyone studying a

language at school, for business, travel or just for pleasure. Well-known inspirational teacher Bill Handley speaks 15 languages at various degrees of fluency. He is passionate about learning languages and believes language learning should be an adventure. In this book he explains: how to have fun building your

vocabulary in record time the easy way to get to grips with grammar why you should use more than one textbook how to use your 'lost time' to learn faster what to do when you feel like giving up how to write your own 'survival skills' course. Fast Easy Way to Learn a Language will have you speaking your new language in no time. The book explores all the important topics: active and passive learning, mastering a different alphabet, using recorded material, planning your own immersion program, making effective use of the internet and much more. It includes special advice for school and university students. This is the fun way to learn a language.

Do you suffer from stage fright? It's time to get over it. In *The Quick and Easy Way to Effective Speaking* (1962), self-help expert Dale Carnegie says there's no such thing as a natural-born public speaker... Purchase this in-depth summary to learn more.

First 100 Japanese Kanji Swift Books LLC  
Proposes that leaders often get distracted by focusing on tasks and neglect their responsibilities of keeping their staff engaged and motivated.

*The Quick and Easy Way to Connect with Your Child* Get Creative 6

The Globe & Mail's #1 Business Book of the Year! "ALL IN, ALL THE TIME" Low performance and high turnover is not the result of lazy, apathetic workers. It's not about decreasing budgets. And it's not about a terrible economy. It's about

leadership that doesn't engage employees. In *Nine Minutes on Monday*, leadership guru James Robbins argues that employee engagement comes down to one thing: a constant dedication to meeting the universal needs that drive performance excellence. In today's chaotic, high-stakes business environment, it is easy to get distracted from leadership responsibilities by focusing on tasks at hand instead of on strategy. But when you neglect to keep your leadership priorities in front of you, everyone suffers--your staff, your organization and, in the end, you. Whether you lead a small team or an entire organization, you'll discover the nine keys to raising productivity, boosting morale, and increasing employee engagement. *Nine Minutes on*

*Monday* combines proven engagement drivers and principles of human motivation into a simple system of execution that will show immediate results. Inside you'll find: The "9 Minute" template for maintaining focus on your leadership priorities--no matter how busy you are Three key questions that will help you connect purpose to paycheck for your staff A four-step formula for addressing subpar performance and driving complacency from the workplace A simple coaching model for fast-track staff development Four reward/recognition tools that will leave your employees feeling valued and motivated The one simple activity that will forge deep bonds of trust between you and your employees Three key ingredients that will immediately

increase the motivation level of any employee. Being a great leader is never easy, but Robbins breaks it all down into essential components to reveal its fundamental simplicity. *Nine Minutes on Monday* is your road map to igniting purpose, passion, and engagement among your team members. Master and apply the tools and techniques inside, and your employees will be motivated, inspired, and equipped to bring their best to work each and every day. Quick and simple leadership lessons for boosting performance, morale, and engagement. "James Robbins is a terrific observer, thinker, and storyteller. He also has marvelous insights about how leaders can help employees become more connected to their work setting. He weaves together personal stories with

thoughtful leadership insights into a compelling book. If leaders will do the nine minutes he suggests each Monday morning, they will become what we have called 'meaning makers' who deliver enormous value to their employees, customers, investors, and communities." -- Dave Ulrich, professor, Ross School of Business, University of Michigan; partner, The RBL Group; coauthor, *The Why of Work* "It really works! Robbins provides simple and practical tools to help all managers get on the road toward becoming great leaders. These nine easy-to-use principles are relevant to today's work environment and yet so often overlooked. Thank you for helping me to make a difference to my team." -- Sue Travis, HR Manager, Lowe's "Every manager in your workplace needs this

book. Practical and easily doable ideas that will help turn your managers into truly inspiring leaders." -- Michael Kerr, "The Workplace Energizer" and author of Putting Humor to Work "Great easy read with lots of practical applications for leaders looking to improve their game and really make a difference in the lives of those they lead." -- Debbie Stein, CFO AltaGas

Nine Minutes on Monday: The Quick and

Easy Way to Go From Manager to Leader Arcturus Publishing

The Art of Public Speaking is a fantastic introduction to public speaking by the master of the art—Dale Carnegie. Featured within this classic manual are hundreds of tips and tricks on how to become an efficient and effective public speaker. One of the core ideas in his books is that it is possible to change other people's behavior by changing one's reaction to them. This is a fascinating work and is thoroughly recommended for everyone.

#### **APA DIGITAL FIRE**

Dale Carnegie, author of the legendary How to Win Friends and Influence People, began his career as the premier "life coach" of the twentieth century by teaching the art of public speaking.

Public speaking, as Carnegie saw it, is a vital skill that can be attained through basic and repeated steps. His classic volume on the subject appeared in 1926 and was revised twice-in shortened versions-in 1956 and 1962. This 2006 revision-edited by a longtime consultant to Dale Carnegie & Associates, Inc., and the editor in charge of updating *How to Win Friends and Influence People*-is the definitive one for our era. While up-to-date in its language and points of reference, *Public Speaking for Success* preserves the full range of ideas and methods that appeared in the original: including Carnegie's complete speech and diction exercises, which follow each chapter, as the author originally designated them. This edition restores Carnegie's original appendix of the three

complete self-help classics: *Acres of Diamonds* by Russell H. Conwell, *As a Man Thinketh* by James Allen, and *A Message to Garcia* by Elbert Hubbard. Carnegie included these essays in his original edition because, although they do not directly relate to public speaking, he felt they would be of great value to the readers. Here is the definitive update of the best-loved public-speaking book of all time.

(JLPT Level N4 & AP Exam) The Quick and Easy Way to Learn the Basic Japanese Kanji [Downloadable Material Included]  
 Gill & Macmillan Ltd

This is an invaluable study guide for learning basic Japanese characters. The first 100 Japanese Kanji is intended for beginning students, or experienced speakers who need to practice their

written Japanese. Kanji are an essential part of the Japanese language and together with kana (hiragana and katakana) comprise the written components of Japanese. This book presents the kanji characters that are most commonly used. They have been carefully selected for rapid and effective learning. Each kanji's readings, meanings, and common compounds are presented, and romanized pronunciations for English speakers (romanji) are included as well. Printed with gray guidelines, stroke order guides are designed to be traced over to teach students the standard sequence of strokes used to write each character. Three indexes at the back allow the characters to be looked up as with a dictionary or by their readings. Students

who wish to practice writing kanji will find extra practice sheets available. This book includes: Step-by-step stroke order diagrams for each character. Special boxes with grid lines to practice writing characters. Words and phrases using each kanji. Romanizations (romanji) to help identify and pronounce every word. *Crochet for Beginners* Tuttle Publishing Jump in and start drawing with more than 60 step-by-step projects--which take 15 minutes each--from bestselling author Catherine Holmes. Holmes's tutorials break the process down so aspiring artists can quickly achieve satisfying results. In addition to pencil renderings, she explains how to work with a variety of media and provides tips and sidebars on such techniques as blending, texture, perspective, and

shading.

**Learning Japanese Kanji Practice Book Volume 1** Tuttle Publishing
