[Awakening the Dreamer](#) Cartwheel Books

The only guided journal of its kind, *Dreamer's Journal* is a vibrant, visual exploration of dream symbols that provides anyone with the resources to record and interpret their dreams. Filled with information about common dream symbols and plenty of room for journalers to write and draw out their dreams, *Dreamer's Journal* is a timeless keepsake for those who want to analyze their dreams. Opening with a short introduction to the science of sleep and dreaming, the journal then features a list of prompts to think about as you record your dreams in the pages that follow. Complete with a dream dictionary organized by theme (think animals, places, occupations, etc.), this journal will be a go-to for anyone looking to find meaning in their dreams.

Dreamer's Dictionary Orchard Books

THE SPELLBINDING NINE KINGDOMS SAGA CONTINUES AS A MAGE WITHOUT MAGIC AND A STABLE MAID WITHOUT A HOME FACE THE APPROACHING SHADOWS OF DARKNESS—AND CHOICES THAT WILL CHANGE THEM BOTH FOREVER... Acair of Ceangail, still dodging his reputation as a notorious black mage, has undertaken the ultimate quest: ridding the world of a mysterious, terrible dark magic while using no magic of his own. But he never bargained for three maddening complications: attempting to safeguard his beautiful but horse-obsessed companion, Léirsinn; trying not to slay a profoundly irritating prince of Neroche; and slipping in and out of places he knows will spell his doom if he's caught. Léirsinn of Sáraichte simply wants to do what needs to be done—find the makers of various spells and rescue her grandfather. But walking side by side with Acair brings a terrible revelation about the magic she needs, and what its price will exact from her soul. Together, Acair and Léirsinn face danger they never could have imagined, culminating in choices that will alter them and the history of the Nine Kingdoms forever.

[The Tale of an American Dreamer](#) Simon and Schuster

A stunning YA fantasy inspired by ancient Mesoamerica, this gripping debut introduces us to a lineage of seers defiantly resisting the shifting patriarchal state that would see them destroyed—perfect for fans of Tomi Adeyemi and Sabaa Tahir. Indir is a Dreamer, descended from a long line of seers; able to see beyond reality, she carries the rare gift of Dreaming truth. But

when the beloved king dies, his son has no respect for this time-honored tradition. King Alcan wants an opportunity to bring the Dreamers to a permanent end—an opportunity Indir will give him if he discovers the two secrets she is struggling to keep. As violent change shakes Indir's world to its core, she is forced to make an impossible choice: fight for her home or fight to survive. Saya is a seer, but not a Dreamer—she has never been formally trained. Her mother exploits her daughter's gift, passing it off as her own as they travel from village to village, never staying in one place too long. Almost as if they're running from something. Almost as if they're being hunted. When Saya loses the necklace she's worn since birth, she discovers that seeing isn't her only gift—and begins to suspect that everything she knows about her life has been a carefully-constructed lie. As she comes to distrust the only family she's ever known, Saya will do what she's never done before, go where she's never been, and risk it all in the search of answers. With a detailed, supernaturally-charged setting and topical themes of patriarchal power and female strength, Lizz Huerta's *The Lost Dreamer* brings an ancient world to life, mirroring the challenges of our modern one.

Strange the Dreamer Penguin

Greg has just fallen in love with Ginny Winters when the dreams begin--nightmares of chasing Ginny through a strange, deserted city. Then Greg wakes up and discovers that he's Richard, an emotionally-disturbed man committed to a sanitarium--and married to Ginny. *Dreamer* foreshadows the complexity of Quinn's Turner Award-winning book *Ishmael*.

Capture the Power of Your Dreams & Live Your Best Life Farrar, Straus and Giroux (BYR)

Once, there was a pig who admired birds. But he could never join them. Or could he? Thus begins the journey of a pig with big dreams, and the perseverance to make them come true. He develops flight plans, builds experimental contraptions, and has far-flung adventures, but at the end of the day, his favorite thing to do is still to sit and watch for those he loves best: the birds. Il Sung Na creates a world at once whimsical and aspirational, where anything is possible and, yes, even pigs can learn to fly.

The Dreamer's Song University of Oklahoma Press

We are resilience. We are hope. We are dreamers. Yuyi Morales brought her hopes, her passion, her strength, and her stories with her, when she came to the United States in 1994 with her infant son. She left behind nearly everything she owned, but she didn't come empty-handed. From the author-illustrator of *Bright Star*, *Dreamers* is a celebration of making your home with the things you always carry: your resilience, your dreams, your hopes and history. It's the story of finding your way in a new place, of navigating an unfamiliar world and finding the best parts of it. In dark times, it's a promise that you can make better tomorrows. This lovingly-illustrated picture book memoir looks at the myriad gifts migrants bring with them when they leave their homes. It's a story about family. And it's a story to remind us that we are all dreamers, bringing our own strengths wherever we roam. Beautiful and powerful at any time but given particular urgency as the status of our own Dreamers becomes uncertain, this is a story that is both topical and timeless. The lyrical text is complemented by sumptuously detailed illustrations, rich in symbolism. Also included are a brief autobiographical essay about Yuyi's own experience, a list of books that inspired her (and still do), and a description of the beautiful images, textures, and mementos she used to create this book. A parallel Spanish-language edition, *Soñadores*, is also available. Winner of the Pura Belpré Illustrator Award! Areli Is a Dreamer Sterling Publishing Company, Inc.

Seekers after wisdom have always been drawn to American Indian ritual and symbol. This history of two nineteenth-century Dreamer-Prophets, Smohalla and Skolaskin, will interest those who seek a better understanding of the traditional Native American commitment to Mother Earth, visionary experiences drawn from ceremony, and the promise of revitalization implicit in the Ghost Dance. To white observers, the Dreamers appeared to imitate Christianity by celebrating the sabbath and preaching a covenant with God, nonviolence, and life after death. But the Prophets also advocated adherence to traditional dress and

subsistence patterns and to the spellbinding Washat dance. By engaging in this dance and by observing traditional life-ways, the Prophets claimed, the living Indians might bring their dead back to life and drive the whites from the earth. They themselves brought heaven to earth, they said, by "dying, going there, and returning," in trances induced by the Washat drums. The Prophets' sacred longhouses became rallying points for resistance to the United States government. As many as two thousand Indians along the Columbia River, from various tribes, followed the Dreamer religion. Although the Dreamers always opposed war, the active phase of the movement was brought to a close in 1889 when the United States Army incarcerated the younger Prophet Skolaskin at Alcatraz. Smohalla died of old age in 1894. Modern Dreamers of the Columbia plateau still celebrate the Feast of the New Foods in springtime as did their spiritual ancestors. This book contains rare modern photographs of their Washat dances. Readers of Indian history and religion will be fascinated by the descriptions of the Dreamer-Prophets' unique personalities and their adjustments to physical handicaps. Neglected by scholars, their role in the important pan-Indian revitalization movement has awaited the detailed treatment given here by Robert H. Ruby and John A. Brown.

Dreamer's Dictionary Routledge

Award-winning author Juliet Marillier "weaves magic, mythology, and folklore into every sentence on the page" (The Book Smugglers). Now she presents the first novel in an enchanting series that will transport readers to a magical vision of ancient Ireland.... In exchange for help escaping her long and wrongful imprisonment, embittered magical healer Blackthorn has vowed to set aside her bid for vengeance against the man who destroyed all that she once held dear. Followed by a former prison mate, a silent hulk of a man named Grim, she travels north to Dalriada. There she'll live on the fringe of a mysterious forest, duty bound for seven years to assist anyone who asks for her help. Oran, crown prince of Dalriada, has waited anxiously for the arrival of his future bride, Lady Flidais. He knows her only from a portrait and sweetly poetic correspondence that have convinced him Flidais is his destined true love. But Oran discovers letters can lie. For although his intended exactly resembles her portrait, her brutality upon arrival proves she is nothing like the sensitive woman of the letters. With the strategic marriage imminent, Oran

sees no way out of his dilemma. Word has spread that Blackthorn possesses a remarkable gift for solving knotty problems, so the prince asks her for help. To save Oran from his treacherous nuptials, Blackthorn and Grim will need all their resources: courage, ingenuity, leaps of deduction, and more than a little magic.

An Inspirational Primer Scholastic Inc.

Tells the story of Martin Dressler's rise from bellhop to builder of hotels and his plans to build the Grand Cosmo

Dreamer's Daughter Strange the Dreamer

Pura Belpré Award Winner A tender, transcendent, and meticulously crafted novel from Newbery Honoree, Pam Muñoz Ryan, and three-time Caldecott Honoree, Peter Sís! From the time he is a young boy, Neftalí hears the call of a mysterious voice. Even when the neighborhood children taunt him, and when his harsh, authoritarian father ridicules him, and when he doubts himself, Neftalí knows he cannot ignore the call. He listens and follows as it leads him under the canopy of the lush rain forest, into the fearsome sea, and through the persistent Chilean rain on an inspiring voyage of self-discovery that will transform his life and, ultimately, the world. Combining elements of magical realism with biography, poetry, literary fiction, and transporting illustrations, Pam Muñoz Ryan and Peter Sís take readers on a rare journey of the heart and imagination as they explore the inspiring early life of the poet who became Pablo Neruda.

Clinical Journeys Simon and Schuster
