### **Assassin's Creed**

Michael Joseph  
In the 28th century, Valerian (Dane DeHaan) and Laureline (Cara Delevingne) are a team of special operatives charged with maintaining order throughout the human territories. Under assignment from the Minister of Defense, the two embark on a mission to the astonishing city of Alpha—an ever-expanding metropolis

where species from all over the universe have converged over centuries to share knowledge, intelligence and cultures with each other. There is a mystery at the center of Alpha, a dark force which threatens the peaceful existence of the City of a Thousand Planets, and Valerian and Laureline must race to identify the marauding menace and safeguard not just Alpha, but the future of the universe.

Assassin's Creed:

Origins #4 Dark Horse Comics

The new book set in the universe of Assassin's Creed. Reliving the memories of his ancestor who fought beside Joan of Arc, high-ranking Templar Simon Hathaway slowly uncovers secrets of the

past that could dangerously impact his present . . . and that of the entire Templar order. An endless conflict. An old wrong. A new revelation. Simon Hathaway, member of the Templar Inner Sanctum, brings a cool head and detached manner to his new role as Head of Abstergo Industry's Historical Research Division. But Simon also has an insatiable curiosity, and is fascinated by the thought of experiencing history first-hand through his ancestor Gabriel Laxart, who fought alongside the legendary Joan of Arc. When he enters the newly-designed Animus for its initial project, Simon finds himself unprepared for what he discovers: how

deep the conflict between the Templars and the Assassins goes, and what his ancestor is willing to do for the woman he loves. And as he slowly uncovers secrets of the past, Simon is confronted with the most dangerous truth of all: Who is the heretic . . . and who is the true believer? Assassin's Creed: The Official Movie Novelization Penguin Fearless Vikings confront their destiny in this glory-seeking prequel to Ubisoft's next hit video game, *Assassin's Creed Valhalla*. Tensions escalate when a village caught between two rival kingdoms is brutally raided. Eivor, warrior and daughter of wise King Styrbjorn, dispatches the raiders, rescues the villagers,

and claims the settlement for her father. She also seizes a prisoner--a woman, Gull, left behind by the rivals--who declares she possesses the secrets of Asgard itself. But there is more to Gull than meets the eye, and her capture will bring death and destruction to Eivor's family. In disgrace and lured by the promise of treasures and glory, Eivor undergoes a dangerous quest to regain her honor, but what terror awaits in the forgotten temple of a powerful god? All the time, her brother Sigurd forges his own legend while searching for fortune in the lands of the East. Far from home, he finds new weapons and fresh plunder, making a discovery that will change his destiny

forever . . . The Assassin's Creed universe expands with a Viking epic brought to you by writer Cavan Scott (Star Wars: The High Republic, Doctor Who, Shadow Service) with art by Martin Tunica (Crossed Plus One Hundred), and colors by Michael Atiyeh (Star Wars, The Division, Dragon Age)! Collects Assassin's Creed Valhalla: Song of Glory #1- #3.

**World of Warcraft: War Crimes** National Geographic Books  
Egypt – the turbulent final years of the Ptolemaic period. Succeeding in their mission of vengeance, Bayek of Siwa and his wife Aya eliminated those responsible for the death of their son. But their quest for retribution led them to uncover the secretive

Order of the Ancients, and its plans to control all of Egypt and beyond. Aware of the magnitude of the threat the Order poses toward the freedom of all people, Bayek and Aya parted ways to dedicate their lives to building a brotherhood to resist the power of the Order. Known as the Hidden Ones, they work from the shadows to assassinate those who would seek to control the free will of the people. With the city of Rome as her new base of operations, Aya has already enlisted the help of a number of like-minded individuals to her cause, including the senators Brutus and Cassius. But following the assassination of the power-hungry dictator Julius Caesar, Aya and

her new allies have plunged the city into even further turmoil. Narrowly avoiding her untimely demise in a fierce gladiatorial battle, Aya and co. now face the wrath of Marc Anthony as they seek to escape the wrath of Rome.

### Assassin's Creed

Ubisoft

A sweeping, lyrical tale of historical fiction that tells the unbelievable story of the early days of the Mormon church through the eyes of the woman who saw it all—Emma, the first wife of the prophet Joseph Smith. In 1825, in rural Pennsylvania, Emma Hale marries an itinerant treasure-digger, a man who has nothing but a peepstone in his pocket and a conviction that he can speak directly to God. His name is

Joseph Smith and in a few short years, he will found his own religion, gather zealous adherents by the tens of thousands, and fracture Emma's life and faith. While the Mormon religion finds its feet and runs beyond the grasp of its founder, Emma struggles to maintain her place in Joseph's heart—and in the religion that has become her world. The Mormons make themselves outcasts everywhere they go. Joseph can only maintain his authority by issuing ever-stranger commandments on God's behalf, culminating in an edict that men should marry as many women as they please. The Mormons' adoption of polygamy only sets

them further apart, and soon their communities are ravaged by violence at the hands of their outraged fellow Americans. For Emma, things take a more personal toll as Joseph brings in a new wife—a woman whom Emma considers a sister. As Emma's family grows along with Joseph's infamy, she knows there will never be peace until Joseph faces the law. But on the half-wild edge of the frontier, he's more likely to find death at the hands of a vigilante posse than a fair trial. For the sake of her people—and her soul—Emma must convince the Prophet of God to surrender... and perhaps to sacrifice his life.

Delve into the world of Ubisoft's latest installment in the acclaimed Assassin's

Creed® series with this fascinating glimpse of one of history's most storied legends: Edward Thatch, otherwise known as the infamous pirate captain Blackbeard. Few moments in history have proven as timelessly fascinating as the lawless Golden Age of Piracy, which was largely played out in the Caribbean of the sixteenth and early seventeenth centuries. In this time of rebellion, fortune, intrigue, and adventure, Blackbeard stands as one of the most fearsome captains to have ever sailed the seas. Now, as the latest historical figure to take center stage in the Assassin's Creed® franchise, Blackbeard joins the ranks of Edward Kenway—father of

Haytham Kenway and grandfather of Connor—as they navigate troubled island waters and carve out their destinies. Thoughtfully crafted to resemble an authentic pirate artifact, this illustrated journal delivers a unique insider's view into the world of the game through fascinating entries that provide a firsthand account of the day-to-day lives of the characters. This one-of-a-kind graphic novel — featuring beautifully etched illustrations and portraits, a wanted poster, removable Letter of Marque, torn pages ripped out by Blackbeard himself, and more — brings the bold worlds of Blackbeard and Kenway strikingly to life.
