MCQs for ENT: Specialist
Revision Guide for the
FRCS is a key resource for
candidates preparing to
sit the FRCS (ORL-HNS). It
contains over 300 single
best answer questions
and over 70 extended
matching questions to
help candidates prepare
for all aspects of ENT they
may face in this
challenging exam. Written
by expert consultants who
have succeeded in the
exam, this resource
provides comprehensive
coverage of theory and
practice, including new
questions on challenging
topics such as
electroneurography and
voice clinic procedures,
and questions on rare
topics such as
oropharyngeal cancers.

All answers have full explanations, providing candidates with high-quality self-assessment in order to maximize exam success. Providing a thorough assessment of the reader's ENT knowledge, this is an essential revision book for any candidate facing the FRCS ORL-HNS exam. SBA's and EMIs for the General Surgery FRCS CRC Press

A study guide for candidates of the Fellowship of the Royal College of Surgeons examination. Contains revision notes, MCQs and SBAs.

Postgraduate Orthopaedics Oxford University Press
Comprising of best of five multiple choice questions, detailed answers and separate revision notes, *Revision Notes for the Respiratory Medicine Specialty Certificate Examination* is the only book you need to prepare for this important examination.

New MRCPsych Paper I Mock MCQ Papers Routledge
The new edition of *The Best of Five MCQS for the European Specialty Examination in Gastroenterology and Hepatology* is a question book designed to assist in

preparations for the ESEGH. The book has been fully updated to reflect the structure and content of the new examination introduced in 2018 and the most recent guidelines.

Get Through MRCPsych Paper A2 Oxford

University Press, USA
As the first revision text aimed specifically at the Knowledge-Based Assessment, *Essential Revision Notes for Cardiology KBA* is the cornerstone of your revision for this new and compulsory examination. Each chapter exactly maps the core cardiology training curriculum, giving measurable assurance that you are getting the information you need to pass. Each chapter is written by a senior cardiology trainee in collaboration with a senior consultant who has expertise in that specific field, ensuring that the content is both authoritative and accessible. Drawing on the latest guidelines and documents, the concise, bullet-pointed layout allows easy access to and digestion of the key points you'll need during revision. Numerous tables, boxes and figures make this the ideal accompaniment to

retaining the large and varied amount of information needed to pass the examination. Radcliffe Publishing
The new MRCPsych examination has changed significantly. Instead of two distinct parts, there are now three written papers and one clinical exam. This book is completely up-to-date and takes into account the new format. It provides 250 practice best-of-five multiple choice questions (MCQs) and 100 extended matching items questions (EMIs) for Paper I. It contains clear, concise solutions to each question as an aid to revision. It is comprehensive and authoritative, with both authors being members of the Psychiatric Trainee's Committee of the Royal College of Psychiatrists. As well as being an essential revision aid for candidates sitting Paper I, it is also useful when preparing for Papers II and III because of the many similarly themed questions.

MRCPsych CASC: 150 Clinical Scenarios JP

Medical Ltd
This is a key resource for trainees preparing to face the challenging FRCS section 1 examination. Featuring over 600 Single Best Answers (SBAs) and

Extended Matching Items (EMIs) written by successful candidates of the General Surgery FRCS, this resource ensures high-quality self-assessment. Split into chapters on key subspecialties, all questions are mapped to the surgical curriculum and mirror the level of detail required to succeed in the section 1 examination.

Distance Education for Teacher Training CRC Press

Designed to help medical students through their exams. Built around the successful 'Essential Revision Notes for MRCP', this title focuses on what is essential learning for medical undergraduates and gives readers an 'all round' knowledge of medicine at this level.

Essential Revision Notes in Medicine for Students JP Medical Ltd

This is a fully-updated, comprehensive guide for trainees preparing for the MRCPsych CASC exam (Clinical Assessment of Skills and Competencies). Success in the CASC is the final step in being awarded the MRCPsych qualification, which signifies the physician has fulfilled the necessary training requirements and has passed the membership exams

conducted by the Royal College of Psychiatrists. The book is presented in a clear layout and covers the full range of psychiatry subspecialties likely to be encountered on exam day.

Get Through MRCPsych Paper A1 JP Medical Ltd
Written by Johns Hopkins University School of Medicine faculty and surgical residents, the second edition of The Johns Hopkins ABSITE Review Manual delivers comprehensive coverage of the American Board of Surgery In-Training Examination through two full-length practice tests. Both tests are based on actual key words from recent ABSITEs, and are accompanied by test review sections, which go over every practice test question and answer, providing rationales behind surgical decision-making. ABSITE-style question format familiarizes readers with the test's presentation and content. This edition features twice the number of questions as in the previous edition, offering even more opportunities for self-paced review. Rationales for correct and incorrect responses help to identify the test-taker's strengths and weaknesses. This book is

ideal not only for those preparing for the ABSITE, but also for surgeons and residents studying for the general surgery qualifying exam and for all surgical residents seeking to review key topics during rotations.

Essential Revision Notes for Cardiology

KBA Oxford University Press

The Royal College of Psychiatrists has recently changed the format of its membership examination to adopt multiple choice questions (MCQs). The book of mock MCQ papers includes 650 questions and answers covering all subjects of the Paper II curriculum. It is an essential aid for all candidates preparing for the MRCPsych Paper II, and will also be useful for those revising for the related Paper I and Paper III examinations.

The Johns Hopkins ABSITE Review Manual CRC Press
Comprising of 400 MCQs, this book provides essential revision content to help you pass the recently introduced MRCPsych Paper A. The most recent guidelines for the new curriculum have been followed in compiling the content. MCQs for the New MRCPsych Paper A with Answers Explained is an

invaluable aid for all candidates for the examination of the Royal College of Psychiatrists. Other clinicians and undergraduate students in medicine and health sciences will also find it useful.

MRCPsych Paper B: 600 MCQs and EMIs CRC Press Completely up to date with the latest examination changes, *Get Through MRCPsych: MCQs for Paper 1* contains 640 'best answer 1 of 5' multiple choice questions (MCQs) presented in a format closely matching the new syllabus. Modelled on actual exam questions so that they accurately reflect the style and level of difficulty, candidates can test and assess their knowledge aiding thorough exam preparation. Providing useful revision advice on question comprehension and answer strategies, candidates can feel fully prepared when they enter the examination room. Featuring an invaluable collection of revision MCQs and detailed explanatory answers referenced to major journals and specialist

textbooks, *Get Through MRCPsych: MCQs for Paper 1* is the essential revision book for trainee psychiatrists.
