Wake Up! Preparing for the End-Times Outpouring is a trumpet calling the body of Christ to wake up to the fact that we are living in the "post defeat of the saints era" (see Dan. 7:21). Wake Up!

gives the historical evidence of the defeat of the saints; in contrast it looks at the characters of Daniel and his friends and the first disciples and shows how they acted and responded to the stimulus from their culture, so they could be effective witnesses for Jesus Christ. Wake Up! encourages believers to become overcomers at the end of the end-times and to learn to counteract against the defeat of the saints. Believers are called to be continually filled by the Holy Spirit, to learn to release the gifts of the Spirit to destroy the works of the Devil, and to bring in the harvest and glorify the Lord. You will learn: The defeat of the saints prophesied in Daniel 7:21 is shown with numerous historical evidences how the defeat of the saints has occurred over the past three centuries. The saints are now living in the "post-defeat of the saints era," but they are not to remain defeated. They need to be continually filled by the Holy Spirit and then demonstrate who Jesus is to the whole world. The little horn is still trying to defeat the saints through the Illuminati, whose goal it is to completely wipe out Christianity with their eugenic plans wanting to kill 90 percent of the world. The Ancient of Days has been pouring out His Spirit to help the saints to defeat the works of the Devil. Believers are to receive the Holy Spirit continually and then learn to demonstrate the gifts of the Spirit so we can bring glory to the Lord.

Selected by the Modern Library as one of the 100 best nonfiction books of all time From the Modern Library's new set of beautifully repackaged hardcover classics by Truman Capote—also available are *Breakfast at Tiffany's* and *Other Voices, Other Rooms* (in one volume), *Portraits and Observations*, and *The Complete Stories* Truman Capote's masterpiece, *In Cold Blood*, created a

sensation when it was first published, serially, in *The New Yorker* in 1965. The intensively researched, atmospheric narrative of the lives of the Clutter family of Holcomb, Kansas, and of the two men, Richard Eugene Hickock and Perry Edward Smith, who brutally killed them on the night of November 15, 1959, is the seminal work of the "new journalism." Perry Smith is one of the great dark characters of American literature, full of contradictory emotions. "I thought he was a very nice gentleman," he says of Herb Clutter. "Soft-spoken. I thought so right up to the moment I cut his throat." Told in chapters that alternate between the Clutter household and the approach of Smith and Hickock in their black Chevrolet, then between the investigation of the case and the killers' flight, Capote's account is so detailed that the reader comes to feel almost like a participant in the events.

Blood Fever Blue Blood, True BloodConflict and Creation : A Personal Story

Shares new documents to expose the sinister alien influence in world governments, financial systems, and scientific institutions throughout history • Shows how Eisenhower's treaty with the Greys, signed at Holloman Air Force Base in 1954, gave the aliens authority to abduct humans for "research" • Reveals how Reptilian-influenced ex-Nazis infiltrated the U.S. government • Explains how the Reptilians have created alien-human hybrids under their control to replace the human population Long ago, the Galactic Federation sent the Atlans, a fierce group of humans from the Pleiades, to Earth to confront the newest colony of the combative ever-spreading alien race known as the Reptilians. The ensuing battle sank the continent of Lemuria and drove the Reptilians underground beneath the Indian subcontinent as well as to Antarctica. Able to shapeshift to appear human, the Reptilians then infiltrated the Atlantean civilization, abducting humans and creating Reptilian hybrids. As Len Kasten shows, this technique of infiltration and hybridization prior to an all-out attack has been the hallmark of Reptilian conquest throughout the galaxy. Chronicling the history of the Reptilian Empire's influence on Earth and their conquest of 21 star systems, Kasten reveals how the human race is enmeshed in a skillfully concealed plot to enslave humanity and exploit our planet's physical and biological resources. Revealing Hitler's pact with extraterrestrials and the Reptilian influence on the Nazi state, he shares new documents that disclose the rescue and rehabilitation of Nazi war criminals to assist in the Cold War, which then corrupted many U.S. government institutions. Focusing on crucial events in the decade after World War II, he examines the Reptilians' human allies, the Illuminati, who control the levers of financial, technological, and military power throughout the world through various secret societies. He shows how Eisenhower's treaty with the Greys, signed at Holloman Air Force Base in 1954, gave the aliens permission to take humans up to their spaceships, ostensibly for genetic study--in return for alien technology--and how these abductions led to the creation of a hybrid race under Reptilian mind control. He also explains how Kennedy was assassinated by the CIA because of his plans to rout out this Nazi-Reptilian presence. Contrasting the Reptilians with the benevolent Ebens, the aliens from Zeta Reticuli who crashed at Roswell, Kasten exposes the stealthy tactics of the Reptilians, their relationship with the Greys, and their advanced genetic bio-technology and teleportation abilities--as well as what we need to do to defeat their plans.
