Far From
You Far From
You is an
emotional and
compelling
story that took
me by
complete
surprise. This
book follows
Sophie, who
has nearly
died twice.
First, it was a
car accident
that left her
disabled and
with an
addiction to

drugs to cope
with her
chronic
pain. Far From
You by Tess
Sharpe Far
From You was
a well written
book and had
me up into the
late hours
finishing it. I
liked the
character of
Sophie, even
though at
times I felt like
she was little
dramatic. I
couldn't really
relate to any
of the
characters
because other
than Sophie
none of them
had a real
story. Amazon.

Books If you
can resist that
premise,
you're a much
stronger
person than I
am. FAR FROM
YOU is told in
alternate
timelines, one
in the present
where Sophie
investigates
Mina's
murder, and
one in the
past where
she struggles
to hide her
addiction and
the depth of
her feelings
for Mina from
everyone she
knows. Far
