Guitar Strumming 101 The Ultimate Beginners Guide To  
Strumming Patterns For Your Acoustic And Electric Guitar You've  
learned a few chords, and maybe how to run a scale on your

guitar. You've gotten down the basics of Sweet Molly Malone, and Swing Low, Sweet Chariot, but you know that there is something more to playing a guitar than just holding down a chord and sweeping a pick across your guitar strings. And you are right! The secret is strum patterns. Learn more about strum patterns and how they can make your music livelier and more memorable. This book will guide you through five basic strums, and point you toward learning more. It will point you toward various helpers, such as the metronome (please use one) as well as some basics about holding onto your pick. So pick up this book and your guitar

- and get ready for some toe-tapping, foot stomping music.101

Travis picking is the backbone of many acoustic guitarists technique - particularly those acoustic guitarists who fingerpick. Fingerstyle guitar is popular for guitarists all over the world. To get good at playing fingerstyle guitar, you really need to have a solid foundation. Many guitarists, (myself included) start trying to play fingerstyle without even knowing what Travis picking is. This massively hampered my playing and caused many hours of frustration. Don't make the same mistakes. If you are passionate or even mildly interested in getting good at fingerpicking, you need to have a good foundation. The eBook *How To Travis Pick* will help you get that foundation so you can kick on and be the fingerpicking guitarist you want to be, and play the songs you love with ease, joy and comfort.

Dan Thorpe of *Guitar Domination* teaches you how to get started on the guitar - the proper way. There are 8 essential steps that most guitarists don't follow. This hampers many players and increases frustration. Do you find that you are not making the progress on guitar that you would like? If so, this book has the solution. Find out the essential 8 steps to becoming the guitarist you dream about. It is time to start practicing the guitar the proper way. There are many methods people use to learn the guitar but the truth is most guitarists don't have a method at all. They just pick up their acoustic and strum a few chords or they sit and noodle about on their electric for hours on end. I know, I made those mistakes too when learning. Now, after teaching 100's of students and 10,000's of hours of lessons taught I want to ensure you learn the guitar the better way. All 8 tips will help you on your journey to be the best guitarist you can be. Some will

surprise you, but ALL 8 steps are highly effective and are the result of me teaching 10,000`'s hours of lessons and tweaking and perfecting my methods. You will get the benefit of these. In the book you will learn some simple and easy to apply nuggets of information - things such as how to improve your strumming, improve your aural skills, exactly how to practice and what to practice. All this and plenty more. This is a short and right to the point book with zero filler. I wanted to make a quick and easy guide that you can apply right away. The value of the content of the book is far more than the very low price as the information contained in it will potentially save you 100`'s hours of time and frustration. The 8 Step Beginner`s Guide To Being A Kick Ass Guitarist is a fun read and will help your guitar playing - I guarantee it. Dan Thorpe Guitar Domination 5 Stars" Good, solid advice for any beginner . Always better to start from a good base knowledge of a few seemingly simple principles instead of wasting time not mastering them from the offset. I have to say the man talks some sense. - Stephen Taylor
