### **Michigan Reports**

Scarecrow Press  
Both brawls and elaborate martial arts have kept movie audiences on the edges of their seats since cinema began. But the filming of fight scenes has changed significantly through the years--mainly for the safety of the combatants--from improvised scuffles in the Silent Era to exquisitely choreographed and edited sequences involving actors, stuntmen and technical experts. Camera angles prevented many a broken nose. Examining more than 300 films--from *The Spoilers* (1914) to *Road House* (1989)--the author provides behind-the-scenes

details on memorable melees starring such iconic tough-guys as John Wayne, Randolph Scott, Robert Mitchum, Lee Marvin, Charles Bronson, Clint Eastwood, Bruce Lee, Chuck Norris and Jackie Chan.

### **Cleaning and Dyeing World**

Bantam  
Wagon trains heading west were forced to defend themselves against Indians, cope with injuries and illness, and struggle to find food. The group of easterners Rock Bannon was scouting for faced another problem. They were being deceived. When he warned them to remain on the Humboldt Trail, Sharon Crockett and the others refused to listen. Mort Harper, a stranger riding a beautiful black mare,

had dazzled them with his charm and good looks. The southern route was the best way to go, Harper told them. But best for whom? Bannon wondered. That route led straight to the Salt Lake Desert. The conditions would be brutal. And if Harper wasn't steering them toward those deadly alkali flats, where were they headed? And what would happen once they got there?

From its beginnings at the turn of the 20th century to its pervasive presence in 21st-century America, basketball has grown into an undeniably important sport. The 575 entries in this biographical dictionary present concise

narratives on the lives and careers on the most important names in basketball history. Entries include both classic players such as Kareem Abdul-Jabbar and Bob Cousy as well as more recently established and up-and-coming stars such as Carmelo Anthony, Kevin Garnett, and LeBron James. Entries for coaches such as the Boston Celtics' Red Auerbach and Mike Krzyzewski from Duke University present the figures who have shaped the game from courtside, while the inclusion of female players and coaches such as Lisa Leslie, Diana Taurasi, and Pat Summitt show that basketball is not just a sport for men. Classic Movie Fight Scenes McFarland

After presenting as groundwork an overview of the classic theorists - seminal thinkers such as Jung, Rank, Frazer, Jessie Weston, and Ernest Becker - *The Sports Immortals* goes on to show how the sports public creates heroes and villains in precisely the same way the Greeks filled Olympus with archetypal deities. It shows why Babe Ruth was a hero and Joe Jackson a villain, despite the fact that

the former admired and learned from the latter; it explains why John L. Sullivan and Jim Corbett, who were both "gods," were such different "gods." The historical scope of this study extends from that era - the era of Sullivan, in the late nineteenth century - to the present.

*The Tall Stranger*  
Cowboys, Wild West frontiers, gunfights, ghosts and hauntings of deserted and sometimes not so deserted places... once again our talented bunch of writers have come up with an intriguing set of stories set in everyone's favourite genre...

*The Jungle Book (With the Original Illustrations by John L. Kipling)* Longman  
The Jungle Book is a collection of stories.

The tales in the book are fables, using animals in an anthropomorphic manner to give moral lessons.

The Pall Mall Budget  
Mystic Toad Press LLC  
Each edition contains "the names and origin of the civil divisions, and the names and dates of election or appointment of the principal state and county officers from the Revolution to the present time."

History of Cortland County Thirteen Press  
Kelly Logan reads about the Tall Man in the newspaper. Hes a dangerous criminal, but nobody knows what he looks like, except that he is very tall. But sixteen-year-old Kelly has her own worries -how will she get on in the big city? Shes too busy to think

about the Tall Man, until a late-night phone message makes her think again. Find out what happens next in this fast-moving thriller.

McFarland

The National Tribune was the premier Union veterans' newspaper of the post-Civil War era. Launched in 1877 by a New York veteran to help his comrades and sway Congress to pass better pension laws, a short time later the National Tribune began publishing firsthand accounts penned by the veterans themselves, and did so for decades thereafter. This rich, overlooked, and underused source of primary material

offers a gold mine of eyewitness accounts of battles, strategy, tactics, camp life, and much more. From generals to privates, the paper printed articles and long serials on everything from major battles such as Gettysburg and Antietam, to arguments about which battery fired the shot that killed General Leonidas Polk, whether Grant's army was surprised at Shiloh, and just about every topic in between. Unbeknownst to many, a number of Confederate accounts were also published in the paper. Decades in the making, Dr. Rick Sauers' unique multi-volume reference work The National Tribune Civil War Index: A Guide to the Weekly Newspaper Dedicated

to Civil War Veterans, 1877-1943 lists every article (1877-1943). The first two volumes are organized by author, his unit, title, and page/column location. The third volume—the main index—includes a subject, author, and unit guide, as well as a “Unit as Sources” index that lists articles that mention specific commands but are written by soldiers who were not members of that unit. As an added bonus, this reference guide includes the contents of both the National Tribune Scrapbook and the National Tribune Repository, two short-lived publications that included articles by veterans, and a listing of the major libraries that have National Tribune holdings.

Thanks to Dr. Sauers, Civil War researchers and writers worldwide now have easy access to the valuable contents of this primary source material.

*Register of Officers and Agents, Civil, Military and Naval [etc]* U of Nebraska Press  
 First published in 1937, *Of Mice and Men* has been a staple of American literature ever since. Divided by decade, *The Essential Criticism of John Steinbeck's Of Mice and Men* provides an overview of criticism over the 70 years the book has been in print. Michael J. Meyer has assembled significant articles and book excerpts from critics and reviewers, citing the early book reviews and highlighting some of the most significant

essays. While not all critical studies are included, those assessments not present in the text are evaluated by summaries and their bibliographic citations are given. The essays express various critical approaches, including those that criticize the book and examine what some consider the book's flaws. Ideal for research work at all levels, this volume collects in one place the most significant contributions to the study of the novel, making it a welcome addition to the canon of Steinbeck criticism. The Saturday Evening Post Bloomsbury Publishing USA  
 This edition includes:  
 The Jungle 100%: The Story of a Patriot The Moneychangers King Coal: A Novel The

Metropolis The Brass Check: A Study of American Journalism The Book of Life (Vol.1&2) The Profits of Religion: An Essay in Economic Interpretation The Fasting Cure Mental Radio (A Book on Parapsychology) A Cadet's Honor; or, Mark Mallory's Heroism On Guard; or, Mark Mallory's Celebration The West Point Rivals; or, Mark Mallory's Stratagem A Prisoner of Morro; or, In the Hands of Enemy They Call Me Carpenter: A Tale of the Second Coming Damaged Goods (The Great Play 'Les Avaries' of Eugene Brieux) Jimmie Higgins A Captain of Industry: Being the Story of a Civilized Man King Midas: A Romance; or, Springtime and Harvest Love's

Pilgrimage Samuel the Seeker The Journal of Arthur Stirling; or, The Valley of the Shadow The Overman Sylvia's Marriage The Machine The Naturewoman The Second-Story Man Prince Hagen The Pot Boiler: A Comedy in Four Acts The Menagerie; or, Night in a County Workhouse Letter to John Beardsley The Crimes of the "Times": A Test of Newspaper Decency" Upton Sinclair (1878–1968) was an American author who wrote books in many genres, but in all of them advocating for the moral ethics, better life style for the working people and social justice. Writing during the Progressive Era, Sinclair describes the world of industrialized America from both the

working man's point of view and the industrialist. He has also won the Pulitzer Prize for Fiction in 1943.

In 1901, Philadelphia's celebrity female journalist stepped off a train in Blackfoot, Montana, and into a world of living legends. The miners and frontiersmen, Indians and trappers that Caroline Lockhart met there inspired this beautiful, single, strong-willed woman to live a life she had only dreamed about in what remained of the Wild West.

### **Western Ghost**

**Stories** Popular Press Essentially the last of the bare-knuckle heavyweight champions, John L.

Sullivan was instrumental in the acceptance of gloved fighting. His charisma and popular appeal during this transitional period contributed greatly to making boxing a nationally popular, "legitimate" sport. Sullivan became boxing's first superstar and arguably the first of any sport. From his first match in the late 1870s through his final championship fight in 1892, this biography contains a thoroughly researched, detailed accounting of John L. Sullivan's boxing career. With special attention to the 1880s, the decade during which Sullivan came to prominence, it follows Sullivan's skill development and discusses his opponents and fights in detail, providing

various viewpoints of a single event. Beginning with a discussion of early boxing practices, the sport itself is placed within sociological, legal and historical contexts including anti-prize fighting laws and the so-called "color line." A complete record of Sullivan's career is also included.
