BURKE IBARRA

Community Based Corrections West Academic Publishing
 Clear, concise, and cutting edge, Joel Samaha's best-selling CRIMINAL LAW, 11th Edition helps you apply criminal law's enduring foundations and principles to fascinating court cases and specific crimes. With a balanced blend of case excerpts and author commentary, the author guides you as you sharpen your critical thinking and legal analysis skills. As you progress through the book, you'll learn about the general principles of criminal liability and its defenses, as well as the elements of crimes against persons, property, society, and the state. You'll also see these principles at work in the cases and crimes that illustrate them. Available with InfoTrac Student Collections <http://gocengage.com/infotrac>. Contemporary Corrections Cengage Learning

Providing the undergraduate criminal law course with a nationally acclaimed blend of analysis and illustrative cases, Joel Samaha's CRIMINAL LAW has been the textbook of choice among instructors for more than 30 years. Praised for his clear, concise, and engaging writing style, Samaha presents criminal law using a combined text/casebook approach. The text is known for its methodical, careful explanations of traditional law categories as well as its inclusion of both classic and contemporary cases. Packed with the latest topics and cases, new You Decide critical thinking features, and new Criminal Law in Focus discussions, the Twelfth Edition is even more effective in helping students understand and think analytically about the underlying principles and policies that specific cases illustrate. Research Methods in Criminal Justice and Criminology

Cengage Learning

This text presents an alternative to the larger, 700 page-plus, expensive texts available to students. By focusing on a "back to basics" approach, it gives students everything they need to know for future coursework without excessive coverage. Written at an accessible level, it presents the role corrections plays in society within the criminal justice system. It also deals with the corrections continuum and with community-based corrections.

Criminal Law in a Nutshell Prentice Hall

Thoroughly updated, the Study Guide includes the following elements to help students get the most out of their classroom experience: learning objectives, a chapter summary, key terms and concepts, and a self-test. The self-test consists of multiple choice, fill-in-the-blank, true/false, and essay questions.

Policing in America Cengage Learning

For courses in Forensic Accounting An inside view into the practice of forensic accounting As a result of increased litigation and regulatory enforcement, the demand for forensic accountants has never been higher. This area of specialty is considered the top niche market in the accounting profession. The new Forensic Accounting is the first text of its kind to provide a comprehensive view of what forensic accountants actually do and how they do it. With experience as both practitioners and educators, authors Robert Rufus, Laura Miller, and William Hahn offer a unique perspective that bridges the gap between theory and practice. They present concepts in the context of a scientific approach, emphasizing critical thinking, reasoning, and problem solving-skills that are useful in a wide variety of academic and professional environments. And because its content is consistent with the AICPA curriculum for the Certified in Financial Forensics (CFF) credential, this text gives your students a head start on the path toward career advancement. Forensic Accounting facilitates an outstanding teaching and learning experience-for you and your students. It will help you to: * Introduce the requisite forensic accounting skills: The text identifies a three-layer skill set and provides students instruction in the key areas of forensic accounting expertise. * Offer an inside view into forensic accounting practice: Integrated case studies and sample documents give students a glimpse into the actual practice of forensic accounting. * Highlight the importance of a scientific

approach: The authors explain the benefits of utilizing a scientific approach and provide opportunities for students to practice its application. * Foster thorough understanding via learning aids: Various tools, throughout the text and at the end of each chapter, support students as they learn and review.

Nursing Care and the Activities of Living John Wiley & Sons

The Basics of Digital Forensics provides a foundation for people new to the digital forensics field. This book teaches you how to conduct examinations by discussing what digital forensics is, the methodologies used, key tactical concepts, and the tools needed to perform examinations. Details on digital forensics for computers, networks, cell phones, GPS, the cloud and the Internet are discussed. Also, learn how to collect evidence, document the scene, and how deleted data can be recovered.

The new Second Edition of this book provides you with completely up-to-date real-world examples and all the key technologies used in digital forensics, as well as new coverage of network intrusion response, how hard drives are organized, and electronic discovery. You'll also learn how to incorporate quality assurance into an investigation, how to prioritize evidence items to examine (triage), case processing, and what goes into making an expert witness. The Second Edition also features expanded resources and references, including online resources that keep you current, sample legal documents, and suggested further reading. Learn what Digital Forensics entails Build a toolkit and prepare an investigative plan Understand the common artifacts to look for in an exam Second Edition features all-new coverage of hard drives, triage, network intrusion response, and electronic discovery; as well as updated case studies, expert interviews, and expanded resources and references

Rationales for Nursing Practice Pearson

A distinguished professor of law and philosophy at the University of Chicago, a prolific writer and award-winning thinker, Martha Nussbaum stands as one of our foremost authorities on law, justice, freedom, morality, and emotion. In *From Disgust to Humanity*, Nussbaum aims her considerable intellectual firepower at the bulwark of opposition to gay equality: the politics of disgust. Nussbaum argues that disgust has long been among the fundamental motivations of those who are fighting for legal discrimination against lesbian and gay citizens. When confronted with same-sex acts and relationships, she writes, they experience "a deep aversion akin to that inspired by bodily wastes, slimy insects, and spoiled food--and then cite that very reaction to justify a range of legal restrictions, from sodomy laws to bans on same-sex marriage." Leon Kass, former head of President Bush's President's Council on Bioethics, even argues that this repugnance has an inherent "wisdom," steering us away from destructive choices. Nussbaum believes that the politics of disgust must be confronted directly, for it contradicts the basic principle of the equality of all citizens under the law. "It says that the mere fact that you happen to make me want to vomit is reason enough for me to treat you as a social pariah, denying you some of your most basic entitlements as a citizen." In its place she offers a "politics of humanity," based not merely on respect, but something akin to love, an uplifting imaginative engagement with others, an active effort to see the world from their perspectives, as fellow human beings. Combining rigorous analysis of the leading constitutional cases with philosophical reflection about underlying concepts of privacy, respect, discrimination, and liberty, Nussbaum discusses issues ranging from non-discrimination and same-sex marriage to "public sex." Recent landmark decisions suggest that the views of state and federal courts are shifting toward a humanity-centered vision, and Nussbaum's powerful arguments will undoubtedly advance that cause. Incisive, rigorous, and deeply humane, *From Disgust*

to Humanity is a stunning contribution to Oxford's distinguished Inalienable Rights series.

Essentials of Criminal Justice Wadsworth Publishing Company
Objective, comprehensive, and up-to-date, the eleventh edition of best-selling COMMUNITY-BASED CORRECTIONS provides an excellent introduction to the theory, procedures, evidence-based practices, and personnel involved in community-based corrections. Students learn about the supervision techniques and treatment programs that constitute alternatives to incarceration, and which are designed to meet the level of risk and needs of each individual. These include probation, parole, electronic monitoring, house arrest, residential facilities, restitution, fines, and other options. Coverage of theories related to community correctional goals includes discussion of specific deterrence; rehabilitation through risk, needs, and responsivity; and restorative justice. Input from professionals in the field gives students invaluable insight into real-world practice. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Encountering Death and Dying Wadsworth Publishing Company
The most accessible, straightforward, and engaging introduction to the Canadian criminal justice system. Engaging and accessible, this text introduces students to the realities of criminal justice in today's world. Drawing on case studies, media issues, and controversies, Exploring Criminal Justice in Canada critically examines the organization and function of the criminal justice system and the individuals, social values, and legal systems that shape Canadian criminal justice institutions.

In the field of law enforcement in the United States, it is essential to know the contemporary problems being faced and combine that knowledge with empirical research and theoretical reasoning to arrive at best practices and an understanding of policing. Policing in America, Eighth Edition, provides a thorough analysis of the key issues in policing today, and offers an issues-oriented discussion focusing on critical concerns such as personnel systems, organization and management, operations, discretion, use of force, culture and behavior, ethics and deviance, civil liability, and police-community relations. A critical assessment of

police history and the role politics played in the development of American police institutions is also addressed, as well as globalization, terrorism, and homeland security. This new edition not only offers updated research and examples, it also incorporates more ways for the reader to connect to the content through learning objectives, discussion questions, and "Myths and Realities of Policing" boxes. Video and Internet links provide additional coverage of important issues. With completely revised and updated chapters, Policing in America, Eighth Edition provides an up-to-date examination of what to expect as a police officer in America. In full color, including photographs and illustrations Video links provide additional coverage of topics discussed in the text Learning objectives, critical thinking questions, and review questions in every chapter help to reinforce key concepts Updated figures and "Myths and Realities of Policing" boxes provide important context Includes all-new content, such as further coverage of violent crime reduction programs, gangs, and drug use Access to student and instructor ancillaries, including Self-Assessments, Case Studies, Test Bank, and PowerPoint Lecture Slides

Cengage Learning

This straightforward introduction to criminal procedure combines case excerpts with clear, detailed legal discussion and analysis to equip readers with a solid understanding of the field. Widely acclaimed author Dr. Joel Samaha is known for his unique ability to help readers grasp the complexities of law by clearly and carefully presenting all sides of an issue. The exciting new Eighth Edition addresses the entire criminal procedure process--from search and seizure to post-conviction sentencing and review by appellate courts--while providing new or expanded coverage of such key issues as terrorism/homeland security, the USA-PATRIOT Act, searches and seizures, military tribunals, recent changes to sentencing guidelines, and more.

Criminal Law Wadsworth Publishing Company

The first and BEST-SELLING brief introduction to criminal justice text, "Criminal Justice: A Brief Introduction 9e" offers instructors and students a trusted, authoritative and impeccably researched introduction to police, courts, and corrections. Designed with a new visual approach, this edition integrates graphic art with the important concepts and ideas of criminal justice. Its unifying theme, its unmatched timeliness and its coverage of trends and technology makes this text THE standard by which all other brief texts are judged. An interactive website along with author tweets (@schmalleger) extends chapter material and provides up-to-the minute current the most recent information on this ever-evolving field.

Criminal Law John Wiley & Sons

With CRIMINAL PROCEDURE FOR THE CRIMINAL JUSTICE PROFESSIONAL, 10e, International Edition, you'll have everything you need to develop a comprehensive understanding of the legal rights, duties, and liabilities of criminal justice professionals. This timely text presents a uniquely practical, real-life approach to criminal procedure, which makes it an ideal reference book as you begin your career. Using clear and concise statements of criminal procedure law and understandable explanations of the reasoning behind the law, authors John N. Ferdico, Henry F. Fradella, and Christopher Totten clarify potentially confusing and obscure legal matters. Additionally, they reduce the complexity of criminal procedure law into simple, straightforward guidelines and recommendations, illustrated with interesting examples of actual cases.

Criminal Justice in Action Saunders

Designed to provide students with the knowledge needed to protect computers and networks from increasingly sophisticated attacks, SECURITY AWARENESS: APPLYING PRACTICE SECURITY IN

YOUR WORLD, Fourth Edition continues to present the same straightforward, practical information that has made previous editions so popular. For most students, practical computer security poses some daunting challenges: What type of attacks will antivirus software prevent? How do I set up a firewall? How can I test my computer to be sure that attackers cannot reach it through the Internet? When and how should I install Windows patches? This text is designed to help students understand the answers to these questions through a series of real-life user experiences. In addition, hands-on projects and case projects give students the opportunity to test their knowledge and apply what they have learned. SECURITY AWARENESS: APPLYING PRACTICE SECURITY IN YOUR WORLD, Fourth Edition contains up-to-date information on relevant topics such as protecting mobile devices and wireless local area networks. Criminal justice professionals often do not receive the training they need to recognize constitutional principles that apply to their everyday work. Constitutional Law for Criminal Justice offers a way to solve this problem by providing a comprehensive, well-organized, and up-to-date analysis of constitutional issues that affect criminal justice professionals. Constitutional Law for Criminal Justice makes complex concepts accessible to students at all levels of criminal justice education. The chapters begin with an outline and end with a summary. Key terms and concepts are defined in the glossary. Tables, figures, and charts are used to

synthesize and simplify information. The result is an incomparably clear, student-friendly textbook that has remained a leader in criminal justice education for 50 years.

The Core Cengage Learning

This text presents the fundamentals of criminal investigation and provides a sound method for reconstructing a past event (i.e., a crime), based on three major sources of information — people, records, and physical evidence. Its tried-and-true system for conducting an investigation is updated with the latest techniques available, teaching the reader new ways of obtaining information from people, including mining the social media outlets now used by a broad spectrum of the public; how to navigate the labyrinth of records and files currently available online; and fresh ways of gathering, identifying, and analyzing physical evidence.
