Aiming for
This is a lucid and up-to-date overview of language change. It discusses where our evidence about language change comes from, how and why changes happen, and how languages begin and end. It considers both changes which occurred long ago, and those currently in progress. It does this within the framework of one central question - is language change a symptom of progress or decay? It concludes that language is neither progressing nor decaying, but that an understanding of the factors surrounding change is essential for anyone concerned about language alteration. For this substantially revised third edition, Jean Aitchison has included two new chapters on change of meaning and grammaticalization. Sections on new methods of reconstruction and ongoing chain shifts in Britain and America have also been added as well as over 150 new references. The work remains non-technical in style and accessible to readers with no previous knowledge of linguistics.

This Progress with Oxford Grammar, Punctuation and Spelling Age 6-7 workbook will help your child to progress with grammar.

punctuation and spelling while having fun. They will learn how to write more complex sentences and how to use an apostrophe correctly. Each Progress with Oxford book is focused on the skills your child will need to master at each stage of the school curriculum. The books are precisely matched to your child's age to make sure they are aligned with school expectations for their year, helping children to fully achieve their potential. The series has been created to help every child develop essential skills at home, with minimal help and support. Picture clues are used to show very young children how to complete activities, whilst reminder boxes, tips and advice support older children to become self-sufficient learners. A lively character accompanies your child through all the colourful and engaging activities, and fun stickers are included to reward their work. A handy progress chart at the end of each book captures their achievements, so you both know what to do next. Find further support on the Oxford Owl at Home website, which provides specific advice on helping your child learn about grammar, punctuation and spelling, and fun activities to extend their skills.
