PIERRE STEPHENSON

The Irony of Modern Catholic History Modern Library

Twenty Centuries of Catholic Christianity, John C. Dwyer. A history of the church from its beginnings to the present that reflects on successes and failures over the years.

An Introduction to the Contemporary Catholic Church Crown

PULITZER PRIZE WINNER • NAMED ONE OF THE BEST BOOKS OF THE YEAR BY SAN FRANCISCO CHRONICLE From National Book Award finalist David I. Kertzer comes the gripping story of Pope Pius XI's secret relations with Italian dictator Benito Mussolini. This groundbreaking work, based on seven years of research in the Vatican and Fascist archives, including reports from Mussolini's spies inside the highest levels of the Church, will forever change our understanding of the Vatican's role in the rise of Fascism in Europe. The Pope and Mussolini tells the story of two men who came to power in 1922, and together changed the course of twentieth-century history. In most respects, they could not have been more different. One was scholarly and devout, the other

thuggish and profane. Yet Pius XI and "Il Duce" had many things in common. They shared a distrust of democracy and a visceral hatred of Communism. Both were prone to sudden fits of temper and were fiercely protective of the prerogatives of their office. ("We have many interests to protect," the Pope declared, soon after Mussolini seized control of the government in 1922.) Each relied on the other to consolidate his power and achieve his political goals. In a challenge to the conventional history of this period, in which a heroic Church does battle with the Fascist regime, Kertzer shows how Pius XI played a crucial role in making Mussolini's dictatorship possible and keeping him in power. In exchange for Vatican support, Mussolini restored many of the privileges the Church had lost and gave in to the pope's demands that the police enforce Catholic morality. Yet in the last years of his life—as the Italian dictator grew ever closer to Hitler—the pontiff's faith in this treacherous bargain started to waver. With his health failing, he began to lash out at the Duce and threatened to denounce Mussolini's anti-Semitic racial laws before it was too late. Horrified by the threat to the Church-Fascist alliance, the Vatican's inner circle, including the future Pope Pius XII, struggled to restrain the headstrong pope from destroying a partnership that had served both the Church and the dictator for many years. The Pope and Mussolini brims with

memorable portraits of the men who helped enable the reign of Fascism in Italy: Father Pietro Tacchi Venturi, Pius's personal emissary to the dictator, a wily anti-Semite known as Mussolini's Rasputin; Victor Emmanuel III, the king of Italy, an object of widespread derision who lacked the stature—literally and figuratively—to stand up to the domineering Duce; and Cardinal Secretary of State Eugenio Pacelli, whose political skills and ambition made him Mussolini's most powerful ally inside the Vatican, and positioned him to succeed the pontiff as the controversial Pius XII, whose actions during World War II would be subject for debate for decades to come. With the recent opening of the Vatican archives covering Pius XI's papacy, the full story of the Pope's complex relationship with his Fascist partner can finally be told. Vivid, dramatic, with surprises at every turn, *The Pope and Mussolini* is history writ large and with the lightning hand of truth.

The Catholic Church Image

A powerful new interpretation of Catholicism's dramatic encounter with modernity, by one of America's leading intellectuals Throughout much of the nineteenth century, both secular and Catholic leaders assumed that the Church and the modern world were locked in a battle to the death. The triumph of modernity would not only finish the Church as a consequential player in

world history; it would also lead to the death of religious conviction. But today, the Catholic Church is far more vital and consequential than it was 150 years ago. Ironically, in confronting modernity, the Catholic Church rediscovered its evangelical essence. In the process, Catholicism developed intellectual tools capable of rescuing the imperiled modern project. A richly rendered, deeply learned, and powerfully argued account of two centuries of profound change in the church and the world, *The Irony of Modern Catholic History* reveals how Catholicism offers twenty-first century essential truths for our survival and flourishing.

Short History of the Catholic Church A&C Black

For 2,000 years, Catholicism—the largest religion in the world and in the United States—has shaped global history on a scale unequalled by any other institution. But until now, Catholics interested in their faith have been hard-pressed to find an accessible, affirmative, and exciting history of the Church. Triumph is that history. Inside, you'll discover the spectacular story of the Church from Biblical times and the early days of St. Peter—the first pope—to the twilight years of John Paul II. It is a sweeping drama of Roman legions, great crusades, epic battles, toppled empires, heroic saints, and enduring faith. And, there are stormy controversies: Dark Age skullduggery, the Inquisition, the Renaissance popes, the Reformation, the Church's refusal to accept sexual liberation and contemporary allegations like those made in Hitler's Pope and Papal Sin. A brawling, colorful history full of inspiring pageantry and spirited polemic, Triumph will exhilarate, amuse, and infuriate as it extols the glories of Catholic history and the gripping stories of its greatest men and women.

A History TAN Books

One cannot understand Latin America without understanding the history of the Catholic Church in the region. Catholicism has been predominant in Latin America and it has played a definitive role in its development. It helped to spur the conquest of the New World with its emphasis on missions to the indigenous peoples, controlled many aspects of the colonial economy, and played key roles in the struggles for Independence. The History of the Catholic Church in Latin America offers a concise yet far-reaching synthesis of this institution's role from the earliest contact between the Spanish and native tribes until the modern day, the first such historical overview available in English. John Frederick Schwaller looks broadly at the forces which formed the Church in Latin America and which caused it to develop in the unique manner in which it did. While the Church is often characterized as monolithic, the author carefully showcases its constituent parts—often in tension with one another—as well as its economic function and its role in the political conflicts within the Latin America republics. Organized in a chronological manner, the volume traces the changing dynamics within the Church as it moved from the period of the Reformation up through twentieth century arguments over Liberation Theology, offering a solid framework to approaching the massive literature on the Catholic Church in Latin America. Through his accessible prose, Schwaller offers a set of guideposts to lead the reader through this complex and fascinating history.

The Secret History of Pius XI and the Rise of Fascism in Europe Rowman & Littlefield

A comprehensive history of the Catholic Church from its beginnings in Jesus' ministry to its current status in an increasingly secular world.

The Pope and Mussolini Basic Books

This bestseller, now in a second edition, is a one-volume survey of the history of the Catholic Church from its beginning until, and including, the pontificate of Pope Francis.

A Brief History by Createspace Independent Publishing Platform

Catholic antimodern, 1920-1929 -- Anti-communism and paternal Catholicism, 1929-1944 -- Anti-fascism and fraternal Catholicism, 1929-1944 -- Rebuilding Christian Europe, 1944-1950 -- Christian democracy and Catholic innovation in the long 1950s -- The return of heresy in the global 1960s

The Catholic Church Through the Ages Our Sunday Visitor

We can't understand the issues swirling in today's Catholic church without understanding the past. In *Catholic History for Today's Church* acclaimed historian John W. O'Malley, SJ, illuminates some of today's most contentious issues—from celibacy to the role of the pope—through their history. In his characteristically engaging style, O'Malley's essays provide readers with an overview of each theme in history then explore how that past connects with life today. Many of the essays highlight his expertise on the papacy and the papal curia, as well as the significance and legacies of the Council of Trent and Vatican II. By taking a historical approach, O'Malley shows how contemporary issues arose, assesses where they are today, and suggests how they might be changed for the

better. *Catholic History for Today's Church* takes an invaluable long view on topics that too often find us shortsighted.

A Brief Popular History Oxford University Press

Catholics are not Christians. They worship Mary. They do whatever the pope says. They cannot divorce. They eat fish on Fridays. These flawed but common statements reflect a combined ignorance of and fascination with Catholicism and the Catholic Church. *Catholicism Today: An Introduction to the Contemporary Catholic Church* aims to familiarize its readers with contemporary Catholicism. The book is designed to address common misconceptions and frequently-asked questions regarding the Church, its teachings, and the lived experience of Catholics in modern societies worldwide. Opening with a concise historical overview of Christianity in general and Catholicism in particular, the text explores the core beliefs and rituals that define Catholicism in practice, the organization of the Church and the Catholic calendar, as well as the broad question of what it means to be Catholic in a variety of cultural contexts. The book ends with a discussion of the challenges facing the Church both now and in the coming decades. Also included are two short appendices on Eastern Catholicism and Catholicism in the United States.

Faith Handed on Catholic Basics: A Pastoral Mi

The Catholic Church: A Brief Popular History is an engaging and informative survey of the major people, periods and events in Church history. Designed with the introductory student in mind, the text is both accessible and thorough. An engaging vignette opens each chapter, drawing the reader in by encouraging a personal connection to the people of the time. A chapter overview then signals the material to follow. Throughout the text, sidebars highlight key persons and events, excerpts from primary sources enrich the reading, connections with the Church today add relevance, and end-of-chapter questions prompt reflection and review. Altogether, *The Catholic Church: A Brief Popular History* provides a solid foundation in major theological themes and prepares students for further study.

From the Apostolic Age to the Third Millennium The Catholic Church A Short History

All the makings of your favorite adventure story – drama, intrigue, promise, love, hope, and heartache spanning two thousand years...and YOU are a part of it! He is the creator, co-author, and presenter of the adult faith formation program *Epic: A Journey through Church History* and is a popular author and speaker on the Crusades and other historical topics.

A History Search Press

Spanning from the birth of Christianity through the Crusades and the Protestant Reformation to John XXIII and the Second Vatican Council, *Key Moments in Church History* is a brief and accessible guide to the origins and evolution of the Catholic Church. In this insightful and informative look at eleven of the most significant periods in church history, Finley not only helps readers understand the context and characters of the past, but sheds light on the current and future Church. The result is a hopeful and inspirational reading experience that is ideal for personal reflection or group use.

How Our Past Illuminates Our Present Liturgical Press

Delve into the exciting narrative that is the story of the Church's own history. This well-researched, educational, and invaluable reference is sure to inform members of the clergy, DREs, teachers and history buffs. Church history is the story of faith handed on, of how fallible human people, given by God to be members of the Body of Christ in the Church, have struggled to live out the Gospel in the very concrete circumstances of their lives for nearly two thousand years. If we stand within the Church, if we are the Church, then it is our story. And when we learn the story of our struggles, triumphs, and failures, we come to know more about who and what we are as a community of faith. --From the introduction *Catholic Basics: A Pastoral Ministry Series* offers an indepth yet accessible understanding of the fundamentals of the Catholic faith for adults, both those preparing

for lay ministry and those interested in the topics for their own personal growth. The series helps readers explore the Catholic tradition and apply what they have learned to their lives and ministry situations. Each title offers a reliable introduction to a specific topic and provides a foundational understanding of the concepts. Each book in the series presents a Catholic understanding of its topic as found in Scripture and the teachings of the Church. Each of the authors has paid special attention to the documents of the Second Vatican Council and the Catechism of the Catholic Church, so that further learning can be guided by these core resources. Chapters conclude with study questions that may be used for small group review or for individual reflection. Additionally, suggestions for further reading offer dependable guides for extra study. The initiative of the National Conference of Catechetical Leadership led to the development of an earlier version of this series. The indispensable contribution of the series editor, Dr. Thomas Walters, helped ensure that the concepts and ideas presented here are easily accessible to a wide audience

A Short History Saint Mary's Press

From the beginning to 1940. Written for both students and adults. The author intersperses the history with many brief, interesting biographies of famous people, and at the end of each chapter he quotes briefly from a famous writing of the era, blending a medley of elements into a comprehensive historical composition that is at once brilliant and fascinating. A story of the Church unparalleled in its scope, depth, variety and impact, and a book all Catholics should read. *How the Church Rediscovered Itself and Challenged the Modern World to Reform* Harvard University Press

This updated second edition of the Catechism of the Catholic Church incorporates all the final modifications made in the complete, official Latin text, accompanied by line-by-line explanations of orthodox Catholicism, summaries of each section, a detailed index, extensive cross-references, and helpful footnotes.

A Short History of the Catholic Church Sheed & Ward

Expanded and updated for the new millennium. Covering the life of Christ, the election of Pope Benedict XVI, and everything in between, *A Concise History of the Catholic Church* has been one of the bestselling religious histories of the past two decades and a mainstay for scholars, students, and others looking for a definitive, accessible history of Catholicism. With a clarity that will appeal to any reader, Thomas Bokenkotter divides his study into five parts that correspond to the major historical and epochal developments in Catholicism. His authoritative, thorough approach takes readers from the Church's triumph over paganism, through "the sound and fury of renewal," to a new section devoted to such topics as dissent and current developments in the ecumenical movement. Informative illustrations throughout the book, new to this edition, enrich the reader's experience, and the addition of a wide-ranging bibliography increases its value as a sourcebook.

A Concise History of the Catholic Church (Revised Edition) John Wiley & Sons

Charting the rise and development of Christianity, Carter Lindberg has succeeded in writing a concise and compelling history of the world's largest religion. He spans over 2,000 years of colorful incident to give an authoritative history of Christianity for both the general reader and the beginning student. Ranges from the missionary journeys of the apostles to the tele-evangelism of the twenty-first century. Demonstrates how the Christian community received and forged its identity from its development of the Bible to the present day. Covers topics fundamental to understanding the course of Western Christianity, including the growth of the papacy, heresy and schism, reformation and counter-reformation. Includes an introduction to the historiography of Christianity, a note on the problems of periodization, an appendix on theological terms, and a useful bibliography. An authoritative yet succinct history, written to appeal to a general audience as well as students of the history of Christianity. Written by internationally regarded theologian, Carter Lindberg, who is the author of numerous titles on theology and Church history.

A Concise Introduction to the Catholic Church A&C Black

This revised edition of a one volume history of the Roman Catholic church includes a final chapter giving an impressionistic account of some of the issues facing the Church as it nears the third millennium of its existence. It also covers the Christian history of the first two millennia, from the origins of the Church in New Testament times through to the year 2000.
