A Complete Guide to Symbolism, Meanings & Methods Penguin
 The Tarot is one of the few books that cuts through conventional misperceptions to explore the Tarot deck as it really developed in the Middle Ages and Renaissance Europe-not, as some would suggest, in the far reaches of Egyptian antiquity. Mining the Hermetic, alchemical, and Neoplatonic influences behind the evolution of the deck, author Robert M. Place provides a historically grounded and compelling portrait of the Tarot's true origins, without overlooking the deck's mystical dimensions. Indeed, Place uncommonly weds reliable historiography with a practical understanding of the intuitive help and divinatory guidance that the cards can bring. He presents techniques that offer new and valuable ways to read and interpret the cards. Based on a simple three-card spread, Place's approach can be used by either the seasoned practitioner or the new inquirer.

NEW YORK TIMES BESTSELLER The complete, uncensored history of the award-winning *The Daily Show* with Jon Stewart, as told by its correspondents, writers, and host. For almost seventeen years, *The Daily Show* with Jon Stewart brilliantly redefined the borders between television comedy, political satire, and opinionated news coverage. It launched the careers of some of today's most significant comedians, highlighted the hypocrisies of the powerful, and garnered 23 Emmys. Now the show's behind-the-scenes gags, controversies, and camaraderie will be chronicled by the players themselves, from legendary host Jon Stewart to the star cast members and writers-including Samantha Bee, Stephen Colbert, John Oliver, and Steve Carell - plus some of *The Daily Show*'s most prominent guests and adversaries: John and Cindy McCain, Glenn Beck, Tucker Carlson, and many more. This oral history takes the reader behind the curtain for all the show's highlights, from its origins as Comedy Central's underdog late-night program to Trevor Noah's succession, rising from a scrappy jester in the 24-hour political news cycle to become part of the beating heart of politics-a trusted source for not only comedy but also commentary, with a reputation for calling bullshit and an ability to effect real change in the world. Through years of incisive election coverage, passionate debates with President Obama and Hillary Clinton, feuds with Bill O'Reilly and Fox, and provocative takes on Wall Street and racism, *The Daily Show* has been a cultural touchstone. Now, for the first time, the people behind the show's seminal moments come together to share their memories of the last-minute rewrites, improvisations, pranks, romances, blow-ups, and moments of Zen both on and off the set of one of America's most groundbreaking shows.

Joan Bunning's *The Big Book of Tarot* offers a complete course on how to use the tarot cards for personal guidance. The author communicates the basic depth and beauty of each card and

shows how the cards trigger psychological projection, enhance intuition, and improve communication with the Inner Guide. While there are countless books devoted to tarot, what sets Joan Bunning apart from every other writer on the subject is her ability to take a rather complicated esoteric system and break it down into clear, manageable, and easily learned parts. The lessons Bunning offers cover the basics and then move gradually into more advanced concepts. Exercises and sample responses for each lesson help you learn and practice. The book includes: Lessons on how to consider one card by itself, how to look for card pairs, and how to create the "story" of a reading A convenient reference section that contains two pages of information for each card including a picture from the popular Waite deck, a description, keywords, action phrases, and suggestions for cards with similar and opposite meanings An exploration of the meaning of reversed cards and how to work with them to give tarot readings a natural flow of high points and low points without abrupt transitions Practical insights on how to work with and interpret a wide variety of tarot spreads Note to the Reader: This book consists of material drawn from the author's many previous books as well as new material.

Here's how to get 3 to 5 times more information from each spread you cast right now: Ask better questions, do all of your pre-spreadwork, and verify the accuracy of your spread before you start making any predictions. *Advanced Tarot Secrets* illustrates, step-by-step, how to do all of this. You are about to learn how to spot patterns in spreads, find spreads hiding in the spreads you already use, and how cards interact with each other. This book reveals the advanced spread techniques and trade secrets used every day by the top psychics in the world. It is a how-to-do-it handbook for the professional who charges \$100 to \$1,000 an hour to wealthy clients who expect results. These skills are essential if you are going to read for celebrity or corporate (or government) clients. Improve your accuracy and strengthen your intuition by practicing the 11 new exercises and playing the 6 new games detailed in this book. You will learn how to: Find lost items and missing people with the Tarot Manifest practically anything you desire out of thin air using your cards Read the distant past (and future); great for solving mysteries—and crimes Solve problems and brainstorm with the Tarot Overcome writer's block and master storytelling in the section specifically for authors The Tarot is not a parlor game. In the hands of a master it is a research tool used to read the future and rewrite the events to be. This book is the official textbook for the House of White mystery school and it will take your readings to a level of mastery that puts you head and shoulders above most Tarot readers you will ever meet. There is no guesswork involved with the Tarot, or this book. There are time-tested techniques that work, and it is time that you learn and use them. *Advanced Tarot Secrets* picks up from where *The Easiest Way to Learn the Tarot—Ever!!* left off. You build on the knowledge you already have to deepen your bond with your cards and make them reveal layers of information from the same exact spreads you are using right now. We start you off by learning and doing new exercises, all designed to strengthen your intuition. These simulate the exact methods you use in "real life" readings, and make you infinitely more comfortable reading for other people. Next we introduce you to 6 new games that teach you how to see the various layers of meaning each card offers, and how cards interact in a spread. These games help you understand how the Tarot reflects the intricacies of daily life: In a simple ten-card spread you can see more details than three other people reading the same spread. Next come advanced spread basics and advanced spread techniques. Here you apply everything you learn in the exercises and games: Quick and easy ways to clear your deck between clients (useful at parties or working psychic fairs and hotlines) Why every spread needs a protagonist How to instantly verify the accuracy of your spread (no more bad readings—ever) How to modify your favorite spread to meet your needs for each reading Hidden spreads, spread patterns and themes, the four passes through a spread every reading should have When to use clarification or expansion cards, how to read cards face down—and why How to give accurate "no-spread readings" And several other advanced techniques Once you understand all of these things, you can dowse with the Tarot, work on archaeological expeditions, work for treasure hunters, work with stock analysts to predict economic trends, remote view (we don't call it "spying"), solve any problem, design your own spreads and decks, and charge a LOT more for your services. *Advanced Tarot Secrets* is not "yet another book on the Tarot," it is a Tarot revolution. This book frees you from the limitations of old worn-out techniques that create no

A deck of tarot cards includes 78 cards. In comparison to the 52-card deck of playing cards most people are used to, this can seem pretty intimidating. But tarot cards are easy to learn and fun to read! Reading tarot cards is an art more than a skill. There are many beliefs that go along with tarot cards and you basically have to learn to trust yourself and analyze what the cards are trying to tell you. For example, if a card falls out of the deck while you are shuffling them you should never put that card back in the deck. The card fell out for a reason. In a similar fashion, you will learn to read the meanings of the cards to others and explain to them what the cards are showing them. It can be a very deep and spiritual experience for both the reader and the client.

Designed for beginning as well as experienced tarot readers, *Holistic Tarot* offers a fresh and easy-to-follow approach to the use of the tarot deck for tapping into subconscious knowledge and creativity. The tarot deck has been used as a divination tool for more than two centuries; while the tarot is still most commonly thought of as "fortune telling," the true power of the tarot lies in its ability to channel a clear path for our deep intuition to shine through. Consulting the tarot can help clear creativity blockages, clarify ambitions, work through complex decisions, and make sense of emotions and relationships. Whether used for simple decision-making or an understanding of your life's purpose, learning tarot can be an indispensable tool for being more mindful of the factors that can assist or weaken your efforts toward success. In *Holistic Tarot*, author Benebel Wen provides a complete guide to using the tarot to foster personal development. Wen gives a comprehensive overview of the history of the tarot and a wide array of theories on its use (including its relationship to Jungian archetypal psychology and traditional Chinese divination practices) before digging deeply into one of the best-known tarot systems, the Rider-Waite-Smith. Beginners will find a complete guide to working with the tarot, including choosing and caring for a deck, how best to learn and remember the attributes of the major and minor arcana, the interpretation of cards and spreads, the role of meditation in a tarot practice, and how to use the tarot for improving relationships, professional development, and personal resilience. More advanced practitioners will appreciate nuanced theoretical discussions of the tarot as well as practical advice about reading others' tarot cards and setting up a practice. Containing over 500 illustrations and detailed information on each card as well as numerous spreads, *Holistic Tarot* is a complete compendium of tarot study that every practitioner should have in his or her library. "A modern alchemical achievement."—Barbara Moore, author of *Tarot Spreads* "Will become one of the jewels in the crown of tarot literature."—Anthony Louis, MD, author of *Tarot Beyond the Basics* "A tarot classic."—Sasha Graham, author of *Tarot Diva* "A magnificent, intelligent, comprehensive overview and innerview of the Rider Waite Smith system of tarot! This is the only guide you need to have. Bravo!"—James Wanless, PhD, author of *Voyager Tarot* "A huge accomplishment ... likely to become the essential guidebook for serious students of the tarot."—Joan Bunning, author of *Learning the Tarot* "No tarot enthusiast should be without this book!"—Chic and Tabatha Cicero, authors of *The Golden Dawn Magical Tarot* "Arguably the most comprehensive guide to tarot on the market today. It's also innovative: it deftly combines Eastern mysticism with Western metaphysics. It's an impressive tome that presents a wholly modern, rational approach to tarot practice while preserving notable elements of tradition."—Corrine Kenner, author of *Tarot and Astrology* [Using the Cards for Self-Care, Acceptance, and Growth](#) Peter Pauper Press, Inc.

Deeply entwined for six centuries, the art of tarot and the science

of astrology have an undeniably powerful link. With this unique and user-friendly guidebook, you can easily learn to combine tarot and astrology for yourself—and expand your tarot practice while enriching your life. Well-known tarot reader Corrine Kenner expertly teaches you everything you need to know, starting with tarot and astrology basics, the cards' archetypal symbols and imagery, the twelve signs of the zodiac, and the planets. You'll discover how every card in the tarot deck relates to astrology, and learn to: Read tarot cards and interpret an astrological chart Recognize the twelve houses' ruling signs and planets Pair the planets, signs, and houses with their corresponding tarot cards Understand the astrological associations of the Minor Arcana Make connections among the Court Cards, tarot suits, and the four elements Identify each card's qabalistic associations Give insightful readings for yourself and others You'll also find practical astrological spreads, interpretive techniques, real-life examples, and sample readings for everyday people and famous figures, including Salvador Dali, Marilyn Monroe, and Prince William.

That the Tarot originated in ancient Egypt as a divinatory tool is a romantic misconception. Ron Decker's meticulous scholarship will surprise practitioners and academics alike, revealing the Tarot's true evolution and meanings as its inventor(s) understood it. The Tarot consists of the Minor Arcana, four suits of cards similar to our modern deck, and the Major Arcana, twenty-two allegorical or "trump" cards. Decker says the four-suit deck was invented in Asia Minor before AD 1000; Italian courtiers added the trumps in the 1400s. But Tarot was first used as a game. Tarot divination was only created in the 1700s by a Parisian fortuneteller who based the trump images on Hermeticism, which merges Greco-Egyptian alchemy, astrology, numerology, magic, and mysticism. Today, the suit-cards are often traced to the ancient Jewish Cabala. But, says Decker, they, too, acquired their meanings only in the 1700s, and he cites a lost numerical system based on Cabala at that time Decker's interpretation integrates three whole systems—astrological, arithmological, mystagogical (concerning initiation rites into the Mysteries). His depth of knowledge makes the book a must-have for serious students of Tarot and esotericism
