Cases in Leadership, Third Edition is a unique collection of 32 real-world leadership cases from Ivey Publishing plus 16 practitioner readings from the Ivey Business Journal. The updated casebook helps business students gain a better understanding of leadership and enables them to be more effective leaders through their careers. Each of the selected cases are about complex leadership issues that require the attention of the decision maker. This casebook provides an invaluable supplement to any standard leadership text by connecting theory to actual cases. However, it has been organized to work especially well in conjunction with the Sixth Edition of Peter Northouse's Leadership: Theory and Practice.

The Well of Loneliness, first published in 1928, is a timeless portrayal of lesbian love. The thinly disguised story of Hall's own life, it was banned outright upon publication and almost ruined her literary career as the subject was that of an obscenity trial and forbidden at the time in England. The novel tells the story of Stephen, an ideal child of aristocratic parents—a fencer, a horse rider and a keen scholar. Stephen grows to be a war hero, a bestselling writer and a loyal, protective lover. But Stephen is a woman, and is attracted to women. As her ambitions drive her, and society incarcerates her, Stephen is forced into desperate actions. Although Gordon's attitude toward her own sexuality is

anguished, the novel presents lesbianism as natural and makes a plea for greater tolerance. It became an international bestseller, and for decades was the single most famous lesbian novel.

Behold Your Queen! St. Martin's Press
The debut novel by the author of *Rattlebone*. "Told in a melody all its own, this story touches many lovely and unexpected notes." —Elizabeth Strout, #1 New York Times bestselling author
It is 1950 and October Brown is a twenty-three-year-old first-year teacher thanking her lucky stars that she found a room in the best boardinghouse for Negro women teachers in Wyandotte County, Kansas. During an affair with an unhappily married handyman, October becomes pregnant. With job in jeopardy and her reputation in tatters, October goes back to Ohio to be with her family: her older sister, Vergie, and her aunts who raised the sisters after their mother was killed by their father. After giving birth, she gives the child to Vergie and her husband to raise as their own, then returns to Kansas City to rebuild her life. But something is missing—and, apparently too late, October realizes what she has done . . . The Midwest, the flourishing of modern jazz, and the culture of segregation form a compelling historical backdrop for this timeless and universal tale of one person's battle to understand and master her own desires, and to embrace the responsibilities and promise of mature adulthood. In *October Suite*, Clair "has skillfully brought lyricism and word-play to her first novel, a family saga filled with secrets, redemption, and rivalry, as two sisters try to reclaim bonds forged in early childhood tragedy" (*Library Journal*).

“Maxine Clair deserves our admiration for this beautifully written and humane novel.” —The Washington Post “A beautifully imagined novel that pulses with all the colors and sounds of the lives we live.” —Marita Golden, author of *The Wide Circumference of Love*

When Iberian Jews were converted to Catholicism under duress during the Inquisition, many struggled to retain their Jewish identity in private while projecting Christian conformity in the public sphere. To root out these heretics, the courts of the Inquisition published checklists of koshering practices and "grilled" the servants, neighbors, and even the children of those suspected of practicing their religion at home. From these testimonies and other primary sources, Gitlitz & Davidson have drawn a fascinating, award-winning picture of this precarious sense of Jewish identity and have re-created these recipes, which combine Christian & Islamic traditions in cooking lamb, beef, fish, eggplant, chickpeas, and greens and use seasonings such as saffron, mace, ginger, and cinnamon. The recipes, and the accompanying stories of the people who created them, promise to delight the adventurous palate and give insights into the foundations of modern Sephardic cuisine.

This new volume illustrates over 50 Tiffany lamps, windows, mosaics, ceramics, and enamels, supplemented by archival photographs and documents. The opening chapter focuses on the objects designed by Clara Driscoll - from the early and experimental. Deep Sea lamp to the popular Wisteria model - and illuminates steps in the design and manufacturing process previously unknown to scholars. The second chapter examines Clara's role as manager of the Women's Class Cutting Department, discusses the role of women within the larger context of the firm, and describes the tension between the men's and women's departments. The final chapter explores Clara's

experience as a single working woman in New York City during the 1890s and early 1900s. The volume also features brief biographies of the 63 women designers, selectors, and glass cutters associated with Tiffany Studios.

In this enthralling story of love, loss, and divided loyalties, two students fall in love on the eve of WWI and must face a world at war—from opposing sides. Cambridge, MA, 1914: Helen Windship Brooks, the precocious daughter of the prestigious Boston family, is struggling to find herself at the renowned Harvard-Radcliffe university when carefree British playboy, Riley Spencer, and his brooding German poet-cousin, Wils Brandl, burst into her sheltered world. As Wils quietly helps the beautiful, spirited Helen navigate Harvard, they fall for each other against a backdrop of tyrannical professors, intellectual debates, and secluded boat rides on the Charles River. But with foreign tensions mounting and the country teetering on the brink of World War I, German-born Wils finds his future at Harvard—and in America—increasingly in danger. When both cousins are called to fight on opposing sides of the same war, Helen must decide if she is ready to fight her own battle for what she loves most.

Based on the true story behind a mysterious and controversial World War I memorial at this world-famous university, *The End of Innocence* sweeps readers from the elaborate elegance of Boston's high society to Harvard's hallowed halls to Belgium's war-ravaged battlefields, offering a powerful and poignant vision of love and hope in the midst of a violent, broken world.

The alkaline diet helps you to eat

healthy, stay healthy, and live your life the way you should. It consists of useful information about the best alkaline meal plan to help you reduce body acids that cause illnesses and diseases. The same logic is applied in order to find out the triggers for health, sickness, obesity and weight loss etc. The logic is actually simple: There has to be Acid - Alkali Balance. We are organisms consisting of billions of cells. The body communicates when things go wrong, and in case of excess acidity there is pain, discomfort, acid influx, and other signs and symptoms. As for this book, I have written it in such a way so that it is easily understandable to absolute newcomers who have no idea about the Alkaline Diet, but it also caters for experienced dieters who are looking for something new! How Can Deacons Mobilize Service in the Church? Deacons are essential to a church's health—yet confusion abounds regarding their biblical job description. What's their God-given role in a local congregation and how do they relate to the church's overall mission? In this short book, Matt Smethurst makes the case that deacons are model servants called to meet tangible needs, organize and mobilize acts of service, preserve the unity of the flock, and support the ministry of the elders. Clearing away common misconceptions, Smethurst offers practical guidance for deploying deacons and helping churches to flourish.

This stunning fantasy inspired by Chinese folklore is a companion novel to

Starry River of the Sky and the New York Times bestselling and National Book Award finalist *When the Sea Turned to Silver* In the valley of Fruitless mountain, a young girl named Minli lives in a ramshackle hut with her parents. In the evenings, her father regales her with old folktales of the Jade Dragon and the Old Man on the Moon, who knows the answers to all of life's questions. Inspired by these stories, Minli sets off on an extraordinary journey to find the Old Man on the Moon to ask him how she can change her family's fortune. She encounters an assorted cast of characters and magical creatures along the way, including a dragon who accompanies her on her quest for the ultimate answer. Grace Lin, author of the beloved *Year of the Dog* and *Year of the Rat* returns with a wondrous story of adventure, faith, and friendship. A fantasy crossed with Chinese folklore, *Where the Mountain Meets the Moon* is a timeless story reminiscent of *The Wizard of Oz* and Kelly Barnhill's *The Girl Who Drank the Moon*. Her beautiful illustrations, printed in full-color, accompany the text throughout. Once again, she has created a charming, engaging book for young readers.

What would you do if destiny twisted the road you took? What if it threw you to a place you did not want to go? Would you fight, would you run or would you accept? Set across two cities in India in the early eighties, *Life is What You Make it* is a gripping account of a few significant years of Ankita's life. Ankita Sharma has the world at her feet. She is

young, good-looking, smart and tones of friends and boys swooning over her. She also manages to get into a premier management school for her MBA. Six months later , she is a patient in a mental health hospital. Life has cruelly and coldly snatched that which meant the most to her and she must now fight to get it all back. It is a deeply moving and inspiring account of growing up, of the power of faith and how determination and an indomitable spirit can overcome even what destiny throws at you. A tale, at its core a love-story that makes us question our beliefs about ourselves and our concept of sanity, and forces us to believe that life is truly what one makes it.

She was a poor Southern tobacco farmer who worked the same land as her slave

ancestors, yet her cells—taken without her knowledge—became one of the most important tools in medicine: The first “immortal” human cells grown in culture, which are still alive today, though she has been dead for more than sixty years. HeLa cells were vital for developing the polio vaccine; uncovered secrets of cancer, viruses, and the atom bomb’s effects; helped lead to important advances like in vitro fertilization, cloning, and gene mapping; and have been bought and sold by the billions. Yet Henrietta Lacks remains virtually unknown, buried in an unmarked grave. Henrietta’s family did not learn of her “immortality” until more than twenty years after her death, when scientists investigating HeLa began using her husband and children in research without informed consent. And though the cells had launched a multimillion-dollar industry that sells human biological materials, her family never saw any of the profits. As Rebecca Skloot so brilliantly shows, the story of the Lacks family—past and present—is inextricably connected to the dark history of experimentation on African Americans, the birth of bioethics, and the legal battles over whether we control the stuff we are made of. Over the decade it took to uncover this story, Rebecca became enmeshed in the lives of the Lacks family—especially Henrietta’s daughter Deborah. Deborah was consumed with questions: Had scientists cloned her mother? Had they killed her to harvest her cells? And if her mother was so important to medicine, why couldn’t her children afford health insurance? Intimate in feeling, astonishing in scope, and impossible to put down, *The Immortal Life of Henrietta Lacks* captures the beauty and drama of scientific discovery, as well as its human

consequences.

The Hills is Lonely Crossway

The freshly dead body sprawled on the Bedford Square doorstep of General Brandon Balantyne is an affront to every respectable sensibility. The general denies all knowledge of the shabbily dressed victim who has so rudely come to death outside his home, but Superintendent Thomas Pitt cannot believe him—for in the dead man's pocket, Pitt finds a rare snuffbox that recently graced the general's study. The superintendent must tread lightly, however, lest his investigation trigger a tragedy of immense proportions, ensnaring honorable men like flies in a web. Pitt's clever wife, Charlotte, becomes his full partner in probing this masterpiece of evil, spawned by an amorality greater than they can imagine.

Barbara Kingsolver's acclaimed international bestseller tells the story of an American missionary family in the Congo during a poignant chapter in

African history. It spins the tale of the fierce evangelical Baptist, Nathan Price, who takes his wife and four daughters on a missionary journey into the heart of darkness of the Belgian Congo in 1959. They carry with them to Africa all they believe they will need from home, but soon find that all of it - from garden seeds to the King James Bible - is calamitously transformed on African soil. Told from the perspective of the five women, this is a compelling exploration of African history, religion, family, and the many paths to redemption. The *Poisonwood Bible* was nominated for the Pulitzer Prize in 1999 and was chosen as the best reading group novel ever at the Penguin/Orange Awards. It continues to be read and adored by millions worldwide.

Dr. A. P. J. Abdul Kalam had a great belief in the power of the youth. He met over 21 million children and young people in India and outside and spoke to

them about the power of knowledge, ambition, moral behavior and the need to bring about change in society. He travelled to almost every corner of the country meeting the youth in schools, universities and institutions and interacted with them like a committed teacher. In *Learning How to Fly* some of his nearly 2, 000 lectures have been compiled. These lectures were addressed to teachers and students in school and beyond. In each one of them he has spoken about preparing oneself best for life, to identify and overcome challenges and how to bring out the best within each individual. Through stories from his own life, those of his teachers and mentors as well as stories of some of the greatest men and women of the world and the latest developments in science and technology, he shows us the importance of dreams and the hard work needed to turn those dreams into reality. Filled with warmth, inspiration and a positive attitude, *Learning How to Fly* is essential reading for every Indian, young and old.
