Two hard-headed, passionate people . . . Two stubborn opponents with tender souls . . . Sometimes wars of the heart can only be won through the sweetest of surrenders. The War Between the States may be over for the rest of the country, but not for Kit Weston. Disguised as a boy, she's come to New York City to kill Baron Cain, the man who stands between her and Risen Glory, the South Carolina home she loves. But unknown to Kit, the Yankee war hero is more than her bitterest enemy—he's also her guardian. And he'll be a lot harder to kill than she's figured on . . . Believing that Kit's a boy, Cain offers the grubby rascal a job in his stable. But he has no idea what he's in for, and it's not long before the hero of Missionary Ridge discovers the truth. His scamp of a stable boy is a strong-willed, violet-eyed beauty who's hell-bent on driving him crazy.

AZULA Being loved by a man was one of the best feelings in the world. But being loved by five at once was even better, no matter how fucked up that love was. Growing up in a trailer park always made me feel different, and the stares and laughs from people who thought my family and home were strange never bothered me. I was happy, but even the happiest people took things too far sometimes, ignoring their limits and not seeing all the red flags lighting up around them. My own happiness slowly broke me as I let those five men show me how much they adored me. I let them destroy me in the best way possible, and ruin me internally simultaneously. When I reached my lowest point and exhaustion took over my body, I didn't think there'd be a way back to the girl I was before. Never had I thought the five men who ruined me would end up being the ones saving me.

It turns out it's been lying there for more than one century, prior to Christopher Columbus's discovery of America. Driven by curiosity and a sense of adventure, he begins the search for the legendary treasure of the Order of The Temple. Together with a medieval history professor and a daring Mexican archeologist they travel through Spain, the Mali desert, the Caribbean Sea and the Mexican jungle. New York Times bestselling author Bertrice Small continues her Border Chronicles with this tale of a

woman rescued, a man enraptured, and a love unanticipated by the fates... Duncan Armstrong, laird of Duffdour, had sworn never to wed unless it was to a lass he truly loved. But when he needs a favor from King James, Duncan never expects what he's forced to pay in return: the taking of a bride he neither loves nor desires. When Highland heiress Ellen MacArther's marriage plans are thwarted by a murder attempt, she has no choice but to beg the king for help. The cost for her urgent plea: to surrender her heritage and become a border lord's bride. But the price to be paid for two strangers thrown together by fate is higher than imagined. And more dangerous than the passion—and betrayal—that could consume them.

Duke of Shadows (Moonlight Square, Book 4) Oxford University Press

A heartbroken belle. A missing suitor. A heroic duke in disguise. Unmask Duke of Shadows and let the highwayman-duke steal your heart! England, 1817. Lady Portia Tennesley has always dreamed of marrying for love. When the suitor who seemed her perfect match disappears at the height of the Season, she's heartbroken. Eventually she consents to an arranged marriage with an eccentric duke she barely knows, a wealthy recluse who seems more interested in science than spending time with his new fiancée. But before Portia walks down the aisle to her grand, loveless match, she turns to the only man who can uncover her former beau's fate—the mysterious outlaw known as Silversmoke. Lucas Wakeford, the Duke of Founthurst, leads a double life that leaves him little time for romance. After his parents died at the hands of brigands as a lad, he found his true passion in standing up for the powerless as his masked alter ego, the heroic highwayman, Silversmoke. As the duke, however—his charade as a scholarly quiz aside—Luke knows he must eventually marry. Besides, having a wife around could help him blend in with his fellow noblemen. Elegant and highborn Lady Portia Tennesley seems perfect for the sort of duchess Luke needs. A fashionable belle preoccupied

with high society, she's sure to keep her nose out of his secret life fighting crime in London's underworld. But when the lady herself ventures into Silversmoke's lair, begging for the famed highwayman's help, Luke is astonished-and realizes he has seriously underestimated his future bride. Yet as Silversmoke, he can't deny a damsel in distress, so he agrees to find her missing suitor. Tangled in a web of secrets and hidden identities, will Luke and Portia's growing attraction be strong enough to survive the truth, or will their love steal away into the night? From the moment Alexandria Ocasio-Cortez beat a ten-term incumbent in the primary election for New York's 14th, her journey to the national, if not world, stage, was fast-tracked. Six months later, as the youngest Congresswoman ever elected, AOC became one of a handful of Latina politicians in Washington, D.C. Just thirty, she represents her generation, the millennials, in many groundbreaking ways: proudly working class, Democratic Socialist, of Puerto Rican descent, master of social media, not to mention of the Bronx, feminist—and a great dancer. AOC investigates her symbolic and personal significance for so many, from her willingness to use her imperfect bi-lingualism, to why men are so threatened by her power, to the long history of Puerto Rican activism that she joins. Contributors span a wide range of voices and ages, from media to the arts and politics: Keegan-Michael Key — Preface Lynda Lopez — Introduction: "The Meaning of AOC" Jennine Capó Crucet — "An Open Letter to Congresswoman Ocasio-Cortez" Andrea González-Ramírez — "Women Like Me Aren't Supposed to Run for Office" Patricia Reynoso — "'The First Latina to . . .'"
