 BOOK OF THE YEAR
 When life has driven you to your knees, the only thing that works is prayer.
 Desperation has many faces: the addict who has hit bottom; the laid-off worker struggling to

make the next house payment; the person who seems to have it all together but is wracked with fear, guilt, anger, or shame. We know we need help, but we are afraid to let anyone—especially God—see how broken we truly are. In Holy Desperation, Heather King demonstrates that, when we're desperate, it's precisely the right time to cry out to God. King, a survivor of addiction and

other forms of desperation, begins with the basics of how to pray when you're uncertain that God exists or when you feel that you're beyond God's reach. She challenges the assumptions that only the saintly can pray and that prayer ought to be tidy and nice. She reveals how prayer leads us beyond ourselves and into a life of purpose, lived for the good of others. Ultimately, Holy Desperation is an invitation

to engage in bold, come-exactly-as-you-are prayer, offering a way forward, upward, and outward for anyone desperate enough to cry out for God's help and presence. You are not alone. *Spiritual Classics* Paraclete Press Whether you are a beginner at prayer or fully engaged in the life of prayer, this little book will offer profound insight and encouragement. Emilie Griffin

discusses the relentless human hunger for prayer, the seeming elusiveness of God, the pitfalls of discouragement and doubt, and the whispers of consolation that come through prayer. She invites us ultimately to put the book down, to mend the ragged edges of our own prayer lives, and to set out once again on the remarkable adventure that is prayer. **Simple Ways to Pray** Wm.

B. Eerdmans Publishing In Wonderful and Dark Is This Road, Emilie Griffin invites us to discover the fascinating, yet often misunderstood, spiritual path of mysticism. Griffin explores the origins of mysticism, the different expressions and gifts of mysticism, and the recognized stages on the mystical journey. In beautifully transparent prose, she illuminates the insights of famous mystics throughout the centuries, from the Apostle Paul, to the Desert Fathers and Mothers, to Thomas Merton and Evelyn Underhill. Ultimately, and perhaps most importantly, Griffin reveals mysticism as a spiritual path that is open to us all, offering the gift of an intimate knowledge of divine love to those who choose it. This is a book that has the potential to transform not only our inner lives, but our world.

Pray Your Experience
Shambhala Publications

Are you struggling today? Do you look back and long for what used to be, or are you looking ahead and have no idea what's coming? Are you stuck in the middle of a mess because life has not turned out as you expected? When you run to God for answers, do you often feel like you aren't getting them--

or at least aren't getting the answers you want? Are you holding on . . . but not sure how much longer you can? In times of not knowing, Sheila Walsh offers a lifeline of hope. With great compassion born of experience and hardship, Walsh comes alongside the hurting, fearful, and exhausted to remind us that we serve a God who is so much greater than our momentary troubles, no matter how

insurmountable they feel. She doesn't offer a quick fix. She offers a God fix. Sharing from her own painful struggles and digging deep into biblical stories of rescue, hope, and miracles, she gives you the strength to keep going, to keep holding on to God in a world turned upside down. The accompanying study includes 10 lessons to help individuals or groups dive deeper. [The Reflective Executive](#)

Wipf and Stock Publishers Offers a guide to fighting back against Satan's temptations though the use of prayer, outlining advice on developing personal prayer strategies to counter the enemy's diverse assault strategies. [The Pietist Impulse in Christianity](#) Paraclete Press (MA) J. I. Packer and Carolyn Nystrom show how prayer is an essential, expected

practice as a follower of Christ, but also a privilege and joy. With wisdom, humility and sincerity the authors lead us through different moods of praying, including brooding, praising, asking, complaining and hanging on. Their personal stories offer hope and encouragement to those who pray. *Green Leaves for Later Years* Harper Collins Best-selling author Richard

J. Foster offers a warm, compelling, and sensitive primer on prayer, helping us to understand, experience, and practice it in its many forms-from the simple prayer of beginning again to unceasing prayer. He clarifies the prayer process, answers common misconceptions, and shows the way into prayers of contemplation, healing, blessing, forgiveness, and rest.

Coming to prayer is like coming home, Foster says. "Nothing feels more right, more like what we are created to be and to do. Yet at the same time we are confronted with great mysteries. Who hasn't struggled with the puzzle of unanswered prayer? Who hasn't wondered how a finite person can commune with the infinite Creator of the universe? Who hasn't questioned whether prayer isn't

merely psychological manipulation after all? We do our best, of course, to answer these knotty questions but when all is said and done, there is a sense in which these mysteries remain unanswered and unanswerable . . . At such times we must learn to become comfortable with the mystery." Foster shows how prayer can move us inward into personal transformation

, upward toward intimacy with God, and outward to minister to others. He leads us beyond questions to a deeper understanding and practice of prayer, bringing us closer to God, to ourselves, and to our community. Prayer Lulu.com The Mahamudra Prayer by the Third Karmapa Rangjung Dorje is a short yet thorough and profound text which presents all

the essential points of Mahamudra teaching in terms of view, practice, and fruition. It is a classic that, especially in the tradition of the Karma Kagyu school of Tibetan Buddhism, has been and is widely used whenever a disciple is given a first introduction into Mahamudra. The Third Karmapa shows how to recognize our ultimate potential as a buddha. The short root text is further explained by

Khentin Tai Situpa Pema Donyo Nyingje Wangpo, the twelfth incarnation of the Tai Situpa lineage, which is one of the most important lineages of the Kagyu tradition. His deep understanding of Western culture, especially of the Western psychological perspective, allows him to expound the Dharma with a clarity and directness that is truly inspiring. *Clinging to Jesus*
Zondervan

“Griffin is a trustworthy guide . . . She writes with the unmistakable authenticity and authority of a woman steeped in prayer.” – America Join Emilie Griffin in this daily companion for the Lenten journey. Using ancient and modern texts as inspiration for her own reflections, Emilie Griffin nurtures and guides us into a deeper knowledge of ourselves and God. We discover that Lent is our chance for a fresh start,

and an opportunity to joyfully put ourselves in God’s hands. Lent is a time when we deepen our faith in a journey not of grand gestures but of small surrenders. We are converted not only once in our lives but many times, and the conversion is little by little and often imperceptible. But Lent gives us a time to move the process along, intentionally, by a series of small surrenders.

When we choose some exercise for Lent-daily worship, daily prayer, abstinence from one thing or another, it is not so much the practice that transforms us, but it is our willingness to change.
—from Small Surrenders *Praying Our Experiences* Paraclete Press
Verse by verse, Pastor Beasley-Topliffe guides readers through the Covenant Prayer, a classic prayer of self-

abandonment to God.
Fervent Baker Books
"What wisdom do I bring to the later years? Nothing more than the wisdom of dwelling in the present moment. No more than the courage of God's promises. Nothing more than the courage to walk through sorrow. No more than the unlimited future of God's love."
So, Emilie Griffin, author, teacher, spiritual director,

writes in her seventy-fifth year. In these pages she reflects on the beauty and the difficulty of aging. Pain mingles with gratitude. With her we learn again how to draw close to the Lord who longs to guide us through. Ideal for both individuals and discussion groups, each chapter ends with reflection questions and a prayer. Discover a spirituality that will sustain you in the later years.
Unshaken

Canon Press & Book Service
 This collection of prayerful meditations, inspiring quotes, and guiding scriptures helps new parents explore what happens when unsuspecting adults have their first baby—a child who proceeds to revolutionize their total outlook on the world. Authors Gerald and Sara Wenger Shenk look at how children draw security from their parents, how love is passed from generation to generation, and how God is part of this sacred work. Intended for both parents, *Meditations for New Parents* portrays how God is an ever watchful and loving parent, giving new mothers and fathers the confidence and strength to carry on. While the covers have been updated, the interior content purposely retains the original language and beautiful sentiments of the original authors. This series will appeal especially to traditional parents with a strong faith background who endeavor to raise their families in positive ways. *Prayer*
 Rowman & Littlefield
 The movement from isolated self-sufficiency to the "clinging" to God which is prayer is the subject of Emilie Griffin's sequel to *Turning: Reflections on the Experience of Conversion*. Through

Scripture and her own interior struggle, she describes experiences such as yielding, darkness and transparency, which occur not in ordered sequence but as "moments" in the journey of prayer.

Cling Harvest House Publishers

Do you ever find it hard to pray and don't know what to say? Prayer is one of the most powerful, life-changing things we will ever do, and yet we often struggle. It's

hard to find the time. It's repetitive, we get distracted and sometimes even bored. And the answers often feel few and far between. The good news? There is a simple, powerful way to reignite your conversation with God. In *Praying Women*, bestselling author Sheila Walsh shares practical helps directly from God's Word, showing you how to - know what to say when you pray - understand

how to use prayer as a weapon when you are in the midst of a struggle - pray as joy-filled warriors, not anxious worriers - let go of the past and stand on God's promises for you now

Prayer changes you and it changes the world. You may have tried before, but if you're ready to start again in your relationship with God, let Sheila Walsh show you how to become a strong praying woman.

The Living

Church concerned misunderstood, especially in Anglo-American contexts: negative stereotypes depicted Pietism as a quietist and sectarian form of religion, merely concerned with the 'pious soul and its God'. The main proposal of the editors of this volume is to correct this misunderstanding: assembling a deep collection of essays written by scholars from a variety of fields, this work

InterVarsity Press
 Pietism is a reform movement originating among German Lutherans in the 17th century. It focused on personal faith, reacting against Lutheran Church's emphasis on doctrine and theology over Christian living. The movement quickly expanded, exerting an enormous influence on various forms of Christianity, and became

with social and educational matters. Indeed, Pietists showed a strong interest in issues of social and ecclesial reform, the nature of history and historical inquiry, the shape and purpose of theology and theological education, the missional task of the church, and social justice and political engagement. Though, the movement remained largely

demonstrates that Pietism was a movement characterized by great depth and originality. Besides, they show the vitality and impulse of Pietism today and emphasize the ongoing relevance of the movement for contemporary problems and questions.

Meditations for New Parents

B&H Publishing Group
"Some churches now advertise courses on how to pray.

How ridiculous! That is like giving a course on how to fall in love."
—A. W. Tozer
Tozer understood prayer as few do: as a way of life. Now readers can share that same grand vision. Prayer combines the best of Tozer on prayer into one volume. Tozer was captured by the great wonder of God, and he regarded prayer as the primary means of coming into His presence. But if our

everyday life is filled with the barrenness of busyness and there is no serious urgency to pray, we forfeit the wonder of being conformed to the image of Christ and knowing our God more intimately—the true Christian life. Prayer is doable. God is accessible. And Tozer provides the wisdom and encouragement to help us encounter Him daily. With commentary and reflection

questions provided by compiler W.L. Seaver, Prayer takes our understanding of prayer to new depths and helps us have a life that prays.

A Praying Life
Harper Collins
Reflections on different aspects of prayer.

Serenity Prayer

MennoMedia, Inc.

The purpose

of this book is to help the reader not only to pray the Lord's Prayer, but also to know what it means to pray it. Basing his interpretations and reflections on the prayer as found in Luke (11:2-4), the author brings fresh insights to it and draws out special meaning for today's

Christian. His study is particularly sensitive to the cultural influences of Luke's time that affect an understanding of the prayer. But he moves beyond a mere study to focus on the experience of prayer, an experience that shapes lives and discloses meaning in a special way.
