[Heterocosmica](#) Pan Macmillan

The Italian-American mafia has its roots in a mysterious and powerful criminal network in Sicily. While the mythology of the mafia has been widely celebrated in American culture, the true origins of its rituals, laws, and methods have never actually been revealed. John Dickie uses startling new research to expose the secrets of the Sicilian mafia, providing a fascinating account that is more violent, frightening, and darkly comic than anything conceived in popular movies and novels. How did the Sicilian mafia begin? How did it achieve its powerful grip in Italy and America? How does it operate today? From the mafia's origins in the 1860s to its current tense relationship with the Berlusconi government, Cosa Nostra takes us to the inner sanctum where few have dared to go before. This is an important work of history and a revelation for anyone who ever wondered what it means to be "made" in the mob.

[ZeroZeroZero](#) Penguin

The basis of the Sundance TV series Gomorra A New York Times Notable Book of the Year Gomorra is a bold and important work of investigative writing that holds global significance, one heroic young man's impassioned story of a place under the rule of a murderous organization. A groundbreaking, unprecedented bestseller in Italy, Roberto Saviano's insider account traces the decline of the city of Naples under the rule of the Camorra, an organized crime network more powerful and violent than the Mafia. The Camorra is an elaborate, international system dealing in drugs, high fashion, construction, and toxic waste, and its influence has entirely transformed life in Campania, the province surrounding Naples. Since seeing his first murder victim, at thirteen, Roberto Saviano has watched the changes in his home city. For Gomorra, he disappeared into the Camorra and witnessed up close the drug cartel's audacious, sophisticated, and far-reaching corruption that has paralyzed his home city and introduced the world to a new breed of organized crime.

The Honored Society Farrar, Straus and Giroux

In Italy's impoverished south, choices are limited. Rules and traditions are more powerful than the lives of individuals, and young Italians who stand on the right side of the law still find themselves on the frontline. In 'The Opposite of Death', Maria is a seventeen-year-old widow before she has even made it to the altar; her fiancé enlisted and died in Afghanistan to avoid a life controlled by the mafia. In 'The Ring', a tale of bloody vengeance, a young woman comes to visit from the north, bringing with her ignorance and prejudice. Two women at separate poles of experience. Roberto Saviano has become a symbol of a whole generation of lost young Italians; these stories demonstrate once more the commitment to truth and justice that made Gomorra such an exceptionally brave book.

[The Ring](#) Verso Books

"The universe of possible worlds is constantly expanding and diversifying thanks to the incessant world-constructing activity of human minds and hands. Literary fiction is probably the most active experimental laboratory of the world-constructing enterprise."—from the author's Preface The standard contrast between fiction and reality, notes Lubomír Doležel, obscures an array of

problems that have beset philosophers and literary critics for centuries. Commentators usually admit that fiction conveys some kind of truth—the truth of the story of Faust, for instance. They acknowledge that fiction usually bears some kind of relation to reality—for example, the London of Dickens. But both the status of the truth and the nature of the relationship have baffled, frustrated, or repelled a long line of thinkers. In *Heterocosmica*, Lubomír Dolezel offers nothing less than a complete theory of literary fiction based on the idea of possible worlds. Beginning with a discussion of the extant semantics and pragmatics of fictionality—by Leibniz, Russell, Frege, Searle, Auerbach, and others—he relates them to literature, literary theory, and narratology. He also investigates theories of action, intention, and literary communication to develop a system of concepts that allows him to offer perceptive reinterpretations of a host of classical, modern, and postmodern fictional narratives—from Defoe through Dickens, Dostoevsky, Huysmans, Bely, and Kafka to Hemingway, Kundera, Rhys, Plenzdorf, and Coetzee. By careful attention to philosophical inquiry into possible worlds, especially Saul Kripke's and Jaakko Hintikka's, and through long familiarity with literary theory, Dolezel brings us an unprecedented examination of the notion of fictional worlds.

Beauty and the Inferno National Geographic Books

Organized thematically into such categories as *Femme Fatales* or *The Traitor Next Door*, a collection of spy biographies portrays the lives and careers of masters of espionage from around the world, with profiles of Mata Hari, Christopher Marlowe, Graham Greene, Aldrich Aimes, Robert Hansson, and many others.

The Man Who Came Uptown Rowman & Littlefield

Essays on art, politics and life from the best-selling author of *Gomorra* *Gomorra*, Roberto Saviano's 2006 exposé of Naples's Camorra mafia, was an international bestseller and became an award-winning film. But the death threats that followed forced the author into hiding. Saviano was ostracized by his countrymen and went on the run, changing his location every few months and compelled to keep perpetual company with his bodyguards. To this day, he lives in an undisclosed location. The loneliness of the fugitive life informs the essays in *Beauty and the Inferno*. Among other subjects, he writes about the legendary South African jazz singer Miriam Makeba, his meeting with the real-life Donnie Brasco, sharing the Nobel Academy platform with Salman Rushdie, and the murdered Russian journalist Anna Politkovskaya. Present throughout the book is a sense of Saviano's peculiar isolation, which infuses his words with anger, exceptional insight and tragedy.

Blood Ties Modern Library

For the first time since the publication of his internationally bestselling novel, *Gomorra*, Roberto Saviano shares his early-life experience with the violence of the Neapolitan Mafia and how exposing them irrevocably changed his life. Italian journalist Roberto Saviano was twenty-six years old when he published his first book, *Gomorra*, to international acclaim. The book, which has gone on to sell 10 million copies worldwide, was a detailed exposé of the Neapolitan mafia, the Camorra, whose organized crime tactics have permeated all matters of industry in Naples: government, infrastructure, high fashion, and drugs. Over fifteen years after *Gomorra*'s release, Saviano's life has been under constant threat from would be assassins who forced him to leave his native Italy and to live under constant police protection. For the first time since then, Saviano shares his deepest thoughts and experiences of early life in Naples, witnessing the power and violence of Camorra firsthand, his current existence living under guard, all the while continuing to call attention to the deeply rooted crime and corruption that plagues his home. Collaborating with award-winning cartoonist Asaf Hanuka (*The Realist*, *The Divine*), both writer and artist examine a life behind armed guard whose best recourse against oppression is through old fashioned pen and paper.

Cosa Nostra: A History of the Sicilian Mafia Vintage

In *Gomorra*, a New York Times Book Review Notable Book of the Year, Roberto Saviano revealed a true, devastating portrait of Naples, Italy under the rule of the Camorra, a crime organization more powerful and violent than the Mafia. In *The Piranhas*, now a major motion picture, the international bestselling author returns to his home city with a novel of gang warfare and a young man's dark desire to rise to the top of Naples's underworld. Nicolas Fiorillo is a brilliant and ambitious fifteen-year-old from the slums of Naples, eager to make his mark and to acquire power and the money that comes with it. With nine friends, he sets out to create a new paranza, or gang. Together they roam the streets on their motorscooters, learning how to break into the network of small-time hoodlums that controls drug-dealing and petty crime in the city. They learn to cheat and to steal,

to shoot semiautomatic pistols and AK-47s. Slowly they begin to wrest control of the neighborhoods from enemy gangs while making alliances with failing old bosses. Nicolas's strategic brilliance is prodigious, and his cohorts' rapid rise and envelopment in the ensuing maelstrom of violence and death is riveting and impossible to turn away from. In *The Piranhas*, Roberto Saviano imagines the lurid glamour of Nicolas's story with all the vividness and insight that made *Gomorra* a worldwide sensation. "With the openhearted rashness that belongs to every true writer, Saviano returns to tell the story of the fierce and grieving heart of Naples." —Elena Ferrante

The Camorra Penguin UK

When President Habyarimana's jet was shot down in April 1994, Rwanda erupted into a hundred-day orgy of killing – which left up to a million dead. Fergal Keane travelled through the country as the genocide was continuing, and his powerful analysis reveals the terrible truth behind the headlines. 'A tender, angry account ... As well as being a scathing indictment – Keane says the genocide inflicted on the Tutsis was planned well in advance by Hutu leaders – this is a graphic view of news-gathering in extremis. It deserves to become a classic' Independent.

Savage Kiss Macmillan

The ultimate collection of books for life-changing success It's time to stop living your life on the margins and claim the financial success you deserve. *Essential Prosperity* is a treasury of wisdom that will empower you to move from a life of want—defined by debt, fear, and missed possibilities—to one of true success. My Italians Bloomsbury Publishing USA

From the international bestselling author of *Gomorra*, this is a deeply personal and candid portrait of Italy today: a place of trafficking and toxic waste, where votes can be bought and sold, where organized crime ravages both north and south - yet also where many courageous individuals defy the system, and millions work tirelessly for a better future. 'Saviano is a blazingly vivid and courageous writer' Independent 'A national hero' Umberto Eco 'Saviano has an astonishing ability to write luminously yet subtly about terrible things' Le Parisien 'Brave and passionate' Guardian 'One of the world's finest investigative journalists' GQ

Gomorra Picador

When Roberto Saviano published *Gomorra* in 2006 he exposed the Camorra, an organized crime network with global reach emanating from Naples. This ground-breaking work became an international best seller, inspired a film, and a new TV series. The author received so many death threats from the Camorra that he remains under police protection. Italy beyond *Gomorra* investigates the conditions and modalities by which the huge media phenomenon developed around Roberto Saviano after the publication of *Gomorra* and the ways in which this has engendered a political discourse starting from his 'denuncia' of the mechanisms of the modern mafia and its bosses. Focusing on Saviano's disruptive work and the representation of his 'charismatic body', redefining the figure and task of the modern intellectual, the book stresses the agency of literature and the relevance of the internet and major social networks in the creation of networks of subjectivities and establishing ethical-political duties which are grounded in a 'passional communication' between the writer and his audience, as well as on a micropolitics of affects. Through the interpretation of Saviano's work it also provides provide a cross sectional insight into Italy in the post-Berlusconi age.

I Lie for a Living Prestel

In 1992 Italy was convulsed by two brazen Mafia assassinations of high-ranking officials. The latest "excellent cadavers" were Giovanni Falcone and Paolo Borsellino, the Sicilian magistrates who had been the Cosa Nostra's most implacable enemies. Yet in the aftermath of the murders, hundreds of

"men of honor" were arrested and the government that ad protected them for nearly half a century was at last driven from office. This is the story that Stille tells with such insight and immediacy in *Excellent Cadavers*. Combining a profound understanding of his doomed heroes with and unprecedented look into the Mafia's stringent codes and murderous rivalries, he gives us a book that has the power of a great work of history and the suspense of a true thriller. "Riveting...a well-paced and highly informative account stocked with well-drawn characters."--Philadelphia Inquirer "Masterful...[Stille] delivers a stiletto-sharp portrait of the bloodthirsty Sicilian mafia."--Business Week

Midnight In Sicily MacLehose Press

The mafia has always fascinated filmmakers and television producers. Al Capone, Salvatore Giuliano, Lucky Luciano, Ciro Di Marzio, Roberto Saviano, Don Vito and Michael Corleone, and Tony Soprano are some of the historical and fictional figures that contribute to the myth of the Italian and Italian-American mafias perpetuated onscreen. This collection looks at mafia movies and television over time and across cultures, from the early classics to the *Godfather* trilogy and contemporary Italian films and television series. The only comprehensive collection of its type, *Mafia Movies* treats over fifty films and TV shows created since 1906, while introducing Italian and Italian-American mafia history and culture. The second edition includes new original essays on essential films and TV shows that have emerged since the publication of the first edition, such as *Boardwalk Empire* and *Mob Wives*, as well as a new roundtable section on Italy's "other" mafias in film and television, written as a collaborative essay by more than ten scholars. The edition also introduces a new section called "Double Takes" that elaborates on some of the most popular mafia films and TV shows (e.g. *The Godfather* and *The Sopranos*) organized around themes such as adaptation, gender and politics, urban spaces, and performance and stardom.

Portraits and Observations Vintage Canada

Originally published under the titles: *When Hitler took cocaine* and *When Linin lost his brain*.

A Pimp's Notes Penguin UK

Powerful, off-beat stories about women living in the shadow of the now-frozen, now-thawing war in Ukraine Out of the impoverished coal regions of Ukraine known as the Donbass, where Russian secret military intervention coexists with banditry and insurgency, the women of Yevgenia Belorusets's captivating collection of stories emerge from the ruins of a war, still being waged on and off, ever since the 2014 Revolution of Dignity. Through a series of unexpected encounters, we are pulled into the ordinary lives of these anonymous women: a florist, a cosmetologist, card players, readers of horoscopes, the unemployed, and a witch who catches newborns with a mitt. One refugee tries unsuccessfully to leave her broken umbrella behind as if it were a sick relative; a private caregiver in a disputed zone saves her elderly charge from the angel of death; a woman sits down on International Women's Day and can no longer stand up; a soldier decides to marry war. Belorusets threads these tales of ebullient survival with a mix of humor, verisimilitude, the undramatic, and a profound Gogolian irony. She also weaves in twenty-three photographs that, in lyrical and historical counterpoint, form their own remarkable visual narrative.

The Wolfpack Oxford University Press

John Hooper presents the ideal companion for anyone seeking to understand contemporary Italy and the unique character of the Italians. Digging deep into their history, culture and religion, he offers keys to assessing everything from their bewildering politics to their love of life and beauty.

Beauty and the Inferno Mulholland Books

An account of the decline of Naples under the rule of the Camorra describes how this organized crime network has gained control of the Neapolitan region in such areas as construction, high fashion, illegal drug trafficking, and toxic waste disposal.

Gomorra St. Martin's Press

This text looks at Robert Capa's colour photography, a little-known but important aspect of the great photographer's work, and includes many never-before-published images. Capa regularly used colour film from the 1940s until his death in 1954. Some of these photographs were published in magazines of the day, but the majority have never been printed, seen, or even studied. "Capa in Color" presents this work an integral part of his post-war career and fundamental in remaining relevant to magazines.

The Pursuit of Europe Penguin

Brittle with Relics is a landmark history of the people of Wales during a period of great national change.'Richly humane, viscerally political, generously multi-voiced, Brittle with Relics is oral history at its revelatory best.' DAVID KYNASTON'Fascinating.' OBSERVER'Powerful.' LITERARY

REVIEW'Inspired.' GUARDIAN Brittle with Relics is a vital history of Wales undergoing some of the country's most seismic and traumatic events: the disasters of Aberfan and Tryweryn; the rise of the Welsh language movement; the Miners' Strike and its aftermath; and the narrow vote in favour of partial devolution. Drawing upon the voices of its inhabitants - including Neil Kinnock, Rowan

Williams, Leanne Wood, Gruff Rhys, Michael Sheen, Nicky Wire, Sian James, language activists, members of former mining communities and many more - this is a vivid portrait of a nation determined to survive, while maintaining the hope that Wales will one day thrive on its own terms.' Passionate.' HISTORY TODAY 'Compels attention.' IRISH TIMES 'Superb.' DAILY TELEGRAPH 'A

testament to the brutal circumstances that bonded the communities of Wales into a new polity for the 21st century.' GRUFF RHYS 'This book is a guide to remembering who we can be when we work together.' GWENNO SAUNDERS 'An essential telling of Welshness that contains a powerful reflection of Englishness, too.'
