Summary  
(BONUS  
INSIDE) Marie  
Kondo is a life  
changer who  
has devoted  
80% of her life  
to the study of  
tidying as well  
as teaching it.  
Although  
people may  
be skeptical  
as to why a  
person would  
spend her life  
on such a  
subject, Kondo  
has developed  
a fool-proof  
method.The  
Secret to  
Success is to  
discard the  
things you  
don't need,  
then organize

as you go.  
Now that may  
seem simple,  
but it is easier  
said than  
done, and this  
is what Kondo  
has come to  
realize  
through her  
own  
experiences.T  
his is not just  
a book about  
keeping your  
home clean.  
Kondo not  
only provides  
you the path  
to a well-kept  
environment,  
but her  
method also  
allows you to  
change your  
lifestyle and  
your  
perspective  
for the better.  
She has  
deducted that  
when you put

your house in  
order, you put  
your affairs  
and your past  
in order, too.  
It is a guide  
book to help  
you acquire  
the right  
mindset to be  
a tidy person.  
According to  
Kondo,  
success is  
90%  
dependent on  
mindset, and  
we all want to  
be successful.

organizing The Life-Changing Manga of Tidying Up Minimalist Organizing and Decl In this prequel to #1 New York Times bestselling phenomenon They Both Die at the End, two new strangers spend a life-changing day together after Death-Cast first makes their fateful calls. It's the night before Death-Cast goes live, and there's one question on everyone's mind: Can Death-Cast

actually predict when someone will die, or is it just an elaborate hoax? Orion Pagan has waited years for someone to tell him that he's going to die. He has a serious heart condition, and he signed up for Death-Cast so he could know what's coming. Valentino Prince is restarting his life in New York. He has a long and promising future ahead and he only registered for Death-Cast after his twin sister nearly

died in a car accident. Orion and Valentino cross paths in Times Square and immediately feel a deep connection. But when the first round of End Day calls goes out, their lives are changed forever—one of them receives a call, and the other doesn't. Though neither boy is certain how the day will end, they know they want to spend it together...even if that means their

goodbye will be heartbreaking. Told with acclaimed author Adam Silvera's signature bittersweet touch, this story celebrates the lasting impact that people have on each other and proves that life is always worth living to the fullest. **Calm the F\*ck Down** Little, Brown THE LIBRARY OF CONTEMPORARY THOUGHT is a groundbreaking series where America's finest writers

and most brilliant minds tackle today's most provocative, fascinating, and relevant issues. Striking and daring, creative and important, these original voices on matters political, social, economic, and cultural, will enlighten, comfort, entertain, enrage, and ignite healthy debate across the country. The Life-Changing Magic of Numbers Voracious A humorous

and insightful look into what advice works, what doesn't, and what it means to transform yourself, by the co-hosts of the popular By the Book podcast. In each episode of their podcast By the Book, Jolenta Greenberg and Kristen Meinzer take a deep dive into a different self-help book, following its specific instructions, rules, and advice to the letter. From diet and productivity to decorating to

social interactions, they try it all, record themselves along the way, then share what they've learned with their devoted and growing audience of fans who tune in. In *How to Be Fine*, Jolenta and Kristen synthesize the lessons and insights they've learned and share their experiences with everyone. *How to Be Fine* is a thoughtful look at the books and practices that have worked,

real talk on those that didn't, and a list of philosophies they want to see explored in-depth. The topics they cover include: Getting off your device, Engaging in positive self-talk, Downsizing, Admitting you're a liar, Meditation, Going outside, Getting in touch with your emotions, Seeing a therapist, Before they began their podcast, Jolenta wanted to believe the promises of

self-help books, while Kristen was very much the skeptic. They embraced their differences of opinion, hoping they'd be good for laughs and downloads. But in the years since launching the *By the Book*, they've come to realize their show is about much more than humor. In fact, reading and following each book's advice has actually changed and improved their lives. Thanks to the show, Kristen

penned the Amish romance novel she'd always joked about writing, traveled back to her past lives, and she broached some difficult conversations with her husband about their marriage. Jolenta finally memorized her husband's phone number, began tracking her finances, and fell in love with cutting clutter. Part memoir, part prescriptive handbook, this honest, funny, and heartfelt

guide is like a warm soul-baring conversation with your closest and smartest friends. *The Life-Changing Magic of Not Giving a F\*ck* Ten Speed Press

the book I wish I could have read in my time of need. A little bit of what you can expect during your journey, and how to prepare yourself with a healthy mindset and coping skills before they're needed. The #NoFilter is exactly that...no filter on the front cover—me and all my wonkiness with no photoshop—and it's what you'll find inside these pages—including an F-bomb or five.

Because more important than shielding myself is being real with you. You may laugh, you may cry, you may want to punch me in the face...but in the end, remember this. If you ever meet me, I'm hugging you. Because that's me. And more than anything, that is the big reason behind this book. I am still ME. And YOU are still YOU. XO ~ MK Meredith
