Skylar Moon - The Babe of Tomorrow Vertigo

We've always known that cartoonists are a little odd -- wait until you see what they think about when they think about sex! XXXburger was compiled by the editors of Stripburger, the acclaimed international comix magazine. Here they've gathered together dozens of cartoonists from all over Europe and Noah America to do stories about everybody's favorite subject -- sex. The styles range from the cute and charming to the sensual and erotic, from the humorous and satirical to the bizarre and extreme. A good mixture of male and female cartoonists give the stories diversity that is rare in erotic comics. If there were ever proof that comics are not for kids anymore, XXXburger is it! XXXburger's comics are funny, dirty, sexy, and lovely -- all wrapped up into one huge package!

The Naked Artist Bluewater Productions

Crammed full of exquisite art from around the world, with fascinating background stories about the artists, editors and publishers, Erotic Comics: A Graphic History examines how this much maligned artform developed into a publishing phenomenon that spans the globe. Volume 1 delves deep into comic history, from the bawdy English cartoons of the 17th century, through the magazines impacted by the two World Wars, up to contemporary magazine titles such as Penthouse and Hustler. The book bulges with sassy postcards, provocative Tijuana Bibles, salacious pin-ups, shocking '50s bondage comics, cheeky cartoons and liberated '60s underground comix. Erotic Comics: A Graphic History is perfect for fans of adult comics, art history and erotic illustrations.

A vivid cross-section of relationships, identity, and the gradations of emotion that color them. Parrish is great at making panels that you can both read and linger over. The locations and bodies are exaggerated to reach a more realistic and sensorial state. This is an awesome debut comic.-- Dash Shaw, author of titles such as Cosplayers, Doctors, Bodyworld, and Bottomless Belly Button Parrish has one of my favourite traits in a cartoonist: intense passion for the craft. They are rapidly evolving and experimenting wildly and it's joyful to watch.-- Simon Hanselmann, author of NY Times bestselling titles such as Megahex and Meg and Mogg in Amsterdam Perfect Hair, the debut graphic novel by Tommi Parrish, is a vivid set of vignettes that balances emotional honesty with a keen cultural awareness. Deploying their bold, innovative style to navigate topics such as fear, loneliness, identity, body politics, and more, Parrish is a promising newcomer from the burgeoning Australian altcomics scene. Tommi Parrish is a cartoonist, illustrator, and art editor based in Melbourne, Australia. Their work has appeared in various anthologies, magazines, mini comics, gallery shows in New York, Argentina, and throughout Australia, as well as the online column Advicecomics. They are also the art editor of the Australian literary journal The Lifted Brow.

In a near-future world porn publisher Harry Homburg clings to the hope that exclusive photos of a US

President caught in flagrante delicto will save his crumbling business. Unfortunately, the universe has other plans for him. He will travel beyond the boundaries of our world, to a strange place where the rules of existence are subject to the whims of unseen entities. This biting social satire is presented in vivid full color, one scene per page, like a series of smartphone screens. Danny Hellman has worked as an illustrator since 1988. He lives in Brooklyn, NY with his wife and daughter. *The Everette Hartsoe Art Gallery 1* Image Comics

In the Golden Age, M.L.J. (later Archie) Comics was known for their exciting super heroes more than for the red-headed teenager chasing Betty and Veronica. Zip Comics (1941-1944) featured thrilling characters like Steel Sterling - The Man Of Steel, Nevada Jones - The Masked Avenger, The Miracle Man, Kalthar the Giant Man, Inferno - The Fire Breather, and the Scarlet Avenger, to name just a few. Along with her sister series, Pep Comics, Zip Comics dominated comics during much of its 47-issue run. If you're looking for classic Golden Age comic excitement, you can't find anything better than the team of Zip Comics and Classic Comics Library! THE COMICS OF THIS ERA were often racially, politically and socially insensitive. Rather than edit or censor the material, we offer them as originally presented, and ask that if the material offends you, you will overlook it. These books are reprinted from the best available images, and the books will be updated as new copies are uncovered. Sometimes the early and rarer books reflect the age and the condition of the originals. Our books are NOT digitally remastered; they are taken from scans of actual comics. Lost Girls Picturebox, Incorporated

Compiled by comic artist ILYA, whose stories are published in the US (Marvel, DC, Dark Horse), Japan (Kodansha) and Europe, The Mammoth Book of Cult Comics brings together for the first time in a

single volume lost classics from recent decades of underground and independent British and American comic strip art. It includes the miraculous-in-the-mundane diary comics of John Welding (Goathland), and Paul O'Connell's chilling yet darkly funny cut-ups, *The Sound of Drowning*. Also *Through the Habitrails*, the little-known masterpiece by Jeff Nicholson. A chance to catch up on previously unseen hidden gems.

She's the sultry sentinel of justice - the sexy siren of law & order - she is a scourge of evil doers and a beautiful denizen of good - she is THE PHANTOM LADY! One of the most popular Golden Age characters, PHANTOM LADY was also well-traveled, appearing in multiple comics by three different publishers. Universally her Quality Comics and Fox Feature stories are considered the best (before the dreaded Comics Code watered down her character and her stories) - and we have brought all those stories into one giant book - with artist credits! This is the largest single volume collection of PHANTOM LADY in print! NOTE: These stories also appear in "The Ultimate Phantom Lady Volumes 1-3" - if you have those you don't need this, and vice versa. GWANDANALAND COMICS(TM): We specialize in character collections - many for the first time in print; we also publish individual issues from the past as well as complete comic title series'. Our books are not digitally remastered; we use images from actual comics, and make only minor adjustments to bring out their best characteristics without losing the authentic feel - it is rarely perfect, but we believe it is exciting. We take your requests and create special collections never gathered together before! At Gwandanaland Comics we take the extra time to give you the best quality possible! EMAIL US FOR OUR GIANT CLASSIC COMICS CATALOG! Ah.....LOVE! It is everywhere in our lives, so why not the comics, too? While the genre gets something of a bad rap, throughout the 20th Century the romance was a top-selling genre in books, television, movies, and comics! YOUNG ROMANCE - the first comic devoted exclusively to love - took it step further by using the classic comic masters Simon & Kirby and claiming a more adult attitude...and it worked because YOUNG ROMANCE lasted 16 years and 124 issues! Look to Classic Comics Library for a massive collection of the best in comic-book romance! These books are reprinted from the best available images, and the books will be updated as new copies are uncovered. TidalWave Artist Showcase: Azim Akberali HarperCollins

From the critically acclaimed cartoonist of *Clyde Fans* and *It's A Good Life* comes a humorous graphic novel on the obsession of comic-book collecting *Taking a Break* from the serialization of his saga *Clyde Fans* and the design of *The Complete Peanuts*, critically acclaimed cartoonist and illustrator Seth creates a farcical world of the people whose passion lies in the need to own comic books and only in pristine, mint condition. Meet Wimbledon Green, the self-proclaimed world's greatest comic-book collector who brokered the world's best comic-book deal in the history of collecting. Comic-book retailers, auctioneers, and conventioners from around North America, as well as Green's collecting rivals, weigh in on the man and his vast collection of comic books. Are Green's intentions honorable? Does he truly love comics or is he driven by the need to conquer? Lastly, is he really even Wimbledon Green? A charming and amusing caper where comic-book collecting is a world of intrigue and high finance. Part riotous chase, part whimsical character sketch, Wimbledon Green looks at the need to collect and the need to reinvent oneself.

Edited by Daniel J. Fingeroth, a writer (*Spider-Man*) and also an expert on comics (*How to Create Comics from Script to Print* [TwoMorrows Publishing, 2010]). An unmissable treat for comic fans.

The Dream 1. Jude Chelsea House

In 2012 C.F. began to produce a series of more than a dozen mini-comics, which he distributed via Twitter. Each mini-comic offered a take on, and expansion upon, a classic comic strip genre - from crime and sci-fi to punk and sex - all of them infused throughout by C.F.'s absurdist humour and loose improvisatory drawing. Those comics, along with unpublished art and photos, are collected here. Introduction by Nicole Rudick.
