LEWIS SANTOS

How to Be a Modern Man Simon and
Schuster

Danny is back with more hilarious true-life stories of hopeless modern manhood. A husband and now a new father, Danny Wallace is a man who struggles to understand the unspoken rules of society... For example, when do you hug? And when do you NOT hug? How do you react when you realise that

yesterday's underpants might still be in your trousers? What do you do if you think you might have a man-crush? And what happens when you think you may have accidentally ordered your wife a prostitute for her birthday? Following the bestselling *Awkward Situations for Men* and based on his incredibly popular columns, Danny Wallace entertains us with more stories from his often embarrassing and bewildering life. No one said it was easy being a man. And Danny is finding it harder than ever. (Previously published as *More Awkward*

Situations for Men) Danny's first solo book, *Join Me*, was described as a 'word-of-mouth phenomenon' by The Bookseller and 'one of the funniest stories you will ever read' by the Daily Mail. His second book, *Yes Man* - in which he decided to say 'Yes' to everything - was described as 'hilarious' by several national newspapers. The Warner Bros. film adaptation of Wallace's book *Yes Man*, starring Jim Carrey in the lead role, was released in December 2008 and grossed \$230,000,000 worldwide. Danny's third book *Friends Like These*, described by The Bookseller as 'another comedy masterpiece' is currently in development as a major project by Miramax. In 2011, Danny Wallace was named PPA's Columnist of the Year for his weekly

column in Short List Magazine, 'Danny Wallace is a Man', which formed the starting point for his book *Awkward Situations for Men*. Danny lives in North London with his wife and baby. Find out more about Danny at www.dannywallace.com.

Awkward Love HarperCollins Newbery Award-winning and New York Times bestselling author Matt de la Peña's *Mexican WhiteBoy* is a story of friendship, acceptance, and the struggle to find your identity in a world of definitions. Danny's tall and skinny. Even though he's not built, his arms are long enough to give his pitch a power so fierce any college scout would sign him on the spot. Ninety-five mile an hour fastball, but the boy's not even on a team. Every time he gets up on the

mound he loses it. But at his private school, they don't expect much else from him. Danny's brown. Half-Mexican brown. And growing up in San Diego that close to the border means everyone else knows exactly who he is before he even opens his mouth. Before they find out he can't speak Spanish, and before they realize his mom has blond hair and blue eyes, they've got him pegged. But it works the other way too. And Danny's convinced it's his whiteness that sent his father back to Mexico. That's why he's spending the summer with his dad's family. Only, to find himself, he may just have to face the demons he refuses to see--the demons that are right in front of his face. And open up to a friendship he never saw coming. Matt de la Peña's critically acclaimed novel is an intimate

and moving story that offers hope to those who least expect it. "[A] first-rate exploration of self-identity."-SLJ "Unique in its gritty realism and honest portrayal of the complexities of life for inner-city teens...De la Peña poignantly conveys the message that, despite obstacles, you must believe in yourself and shape your own future."-The Horn Book Magazine "The baseball scenes...sizzle like Danny's fastball...Danny's struggle to find his place will speak strongly to all teens, but especially to those of mixed race."-Booklist "De la Peña blends sports and street together in a satisfying search for personal identity."-Kirkus Reviews "Mexican WhiteBoy...shows that no matter what obstacles you face, you can still reach your dreams with a positive attitude. This is more than a book about

a baseball player--this is a book about life."-Curtis Granderson, New York Mets outfielder An ALA-YALSA Top Ten Best Book for Young Adults A Junior Library Guild Selection

Hamish and the WorldStoppers

Ballantine Books

What would YOU do... if the whole world just stopped? Yes the WHOLE WORLD. Birds in the air. Planes in the sky. And every single person on the planet - except you! Because that's what keeps happening to ten-year-old Hamish Ellerby. And it's being caused by The WorldStoppers and their terrifying friends The Terribles! They have a PLAN! They want to take our world for their own . . . Oh, and they hate children. Especially if you're a child who knows about them. Hang on - You know now,

don't you? Oh dear. Can Hamish save us from The WorldStoppers? Only time will tell!

The Witching Stone Ballantine Books 'HA HA HA HA HA HA HA HA HA HA HA!' Frank Cottrell Boyce 'Hilarious' Tim Minchin 'Danny Wallace and Jamie Littler's books contain all the wit and warmth of Dahl and Blake at their best. Irresistible.' Phil Earle 'Like David Walliams, Danny Wallace is a comedian turned children's author. Of the two, Wallace's writing is funnier' The Sunday Times, Children's Book of the Week A hilarious adventure from presenter and bestselling author Danny Wallace brought to life with illustrations from Jamie Littler, perfect for fans of David Walliams, Roald Dahl, David Baddiel and David Solomons! Nobody knows it yet,

but the people of Earth are in big, big trouble. Like - HUGE trouble. Oh, come on, where's your imagination? Double what you're thinking! It involves a shadowy figure, an enormous tower, some sinister monsters, an army of huge clanking and thundering metal oddballs, and people who are just like you... but not like you at all. So now you have a decision to make: read this book and discover a secret that will change your life FOREVER or run away screaming while you can...

Random Acts Of Kindness Harper Collins
There isn't much sun in the fun when a billionaire real estate tycoon is found murdered on the Tilt-A-Whirl at a seedy seaside amusement park in the otherwise quiet summer tourist town of Sea Haven. John Ceepak, a former MP

just back from Iraq, has just joined the Sea Haven police department. The job offer came from an old army buddy who hoped to give Ceepak at least a summer's worth of rest and relaxation to help him forget the horrors of war. Instead, Ceepak will head up the murder investigation. He is partnered with Danny Boyle, a 24-year-old part-time summer cop who doesn't carry a gun and only works with the police by day so he has enough pocket money left over to play with his beach buddies at night. In the first novel in a new series written in the spirit of Carl Hiaasen's work, the Tilt-A-Whirl murder pushes Ceepak's deep sense of honor and integrity to the limits, as unexpected twists and turns keep the truth spinning wildly in every direction.

The #1 Bestseller! Twelve-year-old Danny Walker may be the smallest kid on the basketball court -- but don't tell him that. Because no one plays with more heart or court sense. But none of that matters when he is cut from his local travel team, the very same team his father led to national prominence as a boy. Danny's father, still smarting from his own troubles, knows Danny isn't the only kid who was cut for the wrong reason, and together, this washed-up former player and a bunch of never-say-die kids prove that the heart simply cannot be measured. For fans of The Bad News Bears, Hoosiers, the Mighty Ducks, and Mike Lupica's other New York Times bestselling novels Heat, The Underdogs, and Million-Dollar Throw, here is a book

that proves that when the game knocks you down, champions stand tall.

Join Me Entangled: Crush

*Can be read as a stand alone***Intended for readers 18+*He was the perfect gentleman, and my parents adored him. In time, I learned to adore him too. I married him. He was my forever.Until the day he hit me.Five years went by with the speed of a ticking clock, counting down my life one painful second at a time.Until Danny. Danny saw me. Danny was my hero.Danny was the one I was supposed to be with.But now I'm broken, shattered into pieces too jagged to fit back together.Isn't that what fate is? Puzzles fit together by an unseen hand to form a life worth living.So when fate makes a mistake, who fixes it?

Tilt a Whirl Simon and Schuster
NATIONAL BESTSELLER • A modern classic of true crime, set in a most beguiling Southern city—now in a 30th anniversary edition with a new afterword by the author “Elegant and wicked . . . might be the first true-crime book that makes the reader want to book a bed and breakfast for an extended weekend at the scene of the crime.”—The New York Times Book Review Shots rang out in Savannah’s grandest mansion in the misty, early morning hours of May 2, 1981. Was it murder or self-defense? For nearly a decade, the shooting and its aftermath reverberated throughout this hauntingly beautiful city of moss-hung oaks and shaded squares. In this sharply observed, suspenseful, and witty narrative, John Berendt skillfully

interweaves a hugely entertaining first-person account of life in this isolated remnant of the Old South with the unpredictable twists and turns of a landmark murder case. It is a spellbinding story peopled by a gallery of remarkable characters: the well-bred society ladies of the Married Woman’s Card Club; the turbulent young gigolo; the hapless recluse who owns a bottle of poison so powerful it could kill every man, woman, and child in Savannah; the aging and profane Southern belle who is the “soul of pampered self-absorption”; the uproariously funny drag queen; the acerbic and arrogant antiques dealer; the sweet-talking, piano-playing con artist; young people dancing the minuet at the black debutante ball; and Minerva, the voodoo priestess who works her

magic in the graveyard at midnight. These and other Savannahians act as a Greek chorus, with Berendt revealing the alliances, hostilities, and intrigues that thrive in a town where everyone knows everyone else. Brilliantly conceived and masterfully written, *Midnight in the Garden of Good and Evil* is a sublime and seductive reading experience.

The Speed of Falling Objects W. W. Norton & Company

Danny Lopez is new in town. He made a mistake back home in Las Vegas, and now he has landed at an experimental school in Colorado for “tough cases.” At the Cobalt Charter School, everything is scripted—what the teachers say, what the students reply—and no other speaking is allowed. This supercontrolled environment gives kids a second chance

to make something of themselves. But with few freedoms, the students become sitting ducks for a killer determined to “clean up” Colorado Springs.

B as in Beauty Random House

“Deliciously hilarious. If you care about people and enjoy a good laugh, I politely encourage you to read this book.

Immediately.” --Adam Grant, bestselling author of *Originals* From the brilliant comedic mind behind the hit movie *Yes Man*, a hilarious and pitch-perfect look at the rudeness that's all around us -- where it comes from, how it affects us, and what we can do about it You're not just imagining it: People are getting more and more rude - from cutting in line, gabbing on their phones and clipping their nails on public transportation, to hurling epithets on

Twitter and in real life (including a certain President who does both). And the worst part is that it's contagious, leading reasonably courteous people to stoop to new lows in order to respond to the ever-coarsening encounters we face every day. In this engaging and illuminating new book, bestselling author and all-around curious guy Danny Wallace looks at the reasons behind the rudeness, and what we can do to stop it. His quest to stop the madness includes interviews with neuroscientists, psychologists, NASA scientists, politicians, and other experts. He joins a Radical Honesty group, talks to LA drivers about road rage, and confronts his own online troll in a pub--all to better understand the scourge that's turning normal people into bullies, tantruming

toddlers, trolls, and other types of everyday monsters. Want to be part of the solution? Let Danny Wallace be your smart and funny guide.

Breaking the Rules Random House
Some men are born to lead. Others, not so much... Danny Wallace was bored. Just to see what would happen, he placed a whimsical ad in a local London paper. It said, simply, 'Join Me'. Within a month, he was receiving letters and emails from teachers, mechanics, sales reps, vicars, schoolchildren and pensioners - all pledging allegiance to his cause. But no one knew what his cause was. Soon he was proclaimed Leader. Increasingly obsessed and possibly power-crazed Danny risked

losing his sanity and his loyal girlfriend. But who could deny the attraction of a global following of devoted joinees? A book about dreams, ambition and the responsibility that comes with power, *Join Me* is the true story of a man who created a cult by accident, and is proof that whilst some men were born to lead, others really haven't got a clue.

[Fate's Mistake](#) Random House

In the brilliant *AWKWARD SITUATIONS FOR MEN*, Danny Wallace entertained us with wonderfully funny true stories from his often embarrassing and bewildering everyday life as a man. Well, Danny is back - and he's even more confused than ever! A lot has happened to Danny Wallace in the past year. He has had a baby and has been hobnobbing with the powers that be in Hollywood. But that

hasn't made him any less awkward. Being more of a grown up brings its own baffling etiquette and expected social graces, and no-one has told Danny. Join Danny once again on his very funny stumble through more *Awkward Situations*. It's not easy being a man!

Friends Like These بيلومانيا للنشر والتوزيع

Danny Garland is so out of Holly's league. And her family is only back in North Pole, Minnesota, long enough to sell Grandma's house and say "Merry Christmas." So telling her basketball-star, too-hot-to-be-real long-time crush that she'd like to kiss him under the mistletoe just isn't going to happen. And now he's asked out her cousin, Elda. Elda is a mess at flirting, so when she begs Holly to intervene, she does. Holly helps her flirt with him over text. And

then again. And again. Now she's stuck texting him as her cousin, and Elda is the one going on the date. Holly thought she could settle for just conversation with Danny, but talking with him is some kind of magic. He's got the perfect comebacks, she makes him laugh, they text until everyone is asleep. She just can't ever tell him it's her he's really texting. Disclaimer: This Entangled Teen Crush book has hot texts, gingerbread wars, and a slow-burn romance that could melt a Minnesota winter. Books in the North Pole, Minnesota series Any Boy but You Artificial Sweethearts Approximately Yours Danny's Own Story Random House NEW YORK TIMES BESTSELLER • "A tender novel of the pleasures and pitfalls of friendship Tara Road is an

ultramodern love story for women, about women, between women that is sure to delight."—Newsday New York Times bestselling author Maeve Binchy has captured the hearts of millions with her unforgettable novels. Who Is Tom Ditto? Independently Published

Drawing on advice from the world's leading experts on conflict and communication—from relationship scientists to hostage negotiators to diplomats—Ian Leslie, a columnist for the *New Statesman*, shows us how to transform the heat of conflict, disagreement and argument into the light of insight, creativity and connection, in a book with vital lessons for the home, workplace, and public

arena. For most people, conflict triggers a fight or flight response. Disagreeing productively is a hard skill for which neither evolution or society has equipped us. It's a skill we urgently need to acquire; otherwise, our increasingly vociferous disagreements are destined to tear us apart. Productive disagreement is a way of thinking, perhaps the best one we have. It makes us smarter and more creative, and it can even bring us closer together. It's critical to the success of any shared enterprise, from a marriage, to a business, to a democracy. Isn't it time we gave more thought to how to do it well? In an increasingly polarized world, our only chance for coming together and moving forward is to learn from those who have mastered the art and science of

disagreement. In this book, we'll learn from experts who are highly skilled at getting the most out of highly charged encounters: interrogators, cops, divorce mediators, therapists, diplomats, psychologists. These professionals know how to get something valuable – information, insight, ideas—from the toughest, most antagonistic conversations. They are brilliant communicators: masters at shaping the conversation beneath the conversation. They know how to turn the heat of conflict into the light of creativity, connection, and insight. In this much-needed book, Ian Leslie explores what happens to us when we argue, why disagreement makes us stressed, and why we get angry. He explains why we urgently need to transform the way we

think about conflict and how having better disagreements can make us more successful. By drawing together the lessons he learns from different experts, he proposes a series of clear principles that we can all use to make our most difficult dialogues more productive—and our increasingly acrimonious world a better place.

Hamish and the Neverpeople Abrams Danny Goldstein has always lived in the shadow of his identical, twin brother Sam. But when a hurricane of events forces him into the spotlight, he starts to realize that the only thing he's truly afraid of is himself. With the help of his costume changing friend Cher, a famous gay uncle with a mysterious past of his own, two aging punk rocker parents and Rusty, the boy who will become his

something to live for, Danny begins to realize that the music of the heart is truly the soundtrack for living.
