Tangled up in Pain Chronicle Books

Tangled: The Series on Disney Channel is set between the events of the original film and the start of Tangled Ever After. The series follows the long-locked Rapunzel (voiced by Mandy Moore) as she acquaints herself with her parents, her kingdom, and the people of Corona. Realizing there is much more she needs to learn before she can truly accept her royal destiny, Rapunzel puts her crown--and her marriage--on hold to seek out epic adventures, much to the dismay of her father, the King. Accompanying Rapunzel on her journey is the charming Eugene (voiced by Zachary Levi); the plucky chameleon sidekick, Pascal; the no-nonsense horse, Maximus; the Snuggly Duckling pub thugs; and newcomer Cassandra, a tough-as-nails handmaiden who becomes Rapunzel's confidante. Two favorite episodes of Disney Channel's hit show Tangled: The Series are retold in each collectible chapter book with black-and-white illustrations throughout. They're perfect for adventure-loving kids and Disney Princess fans ages 6 to 9. The long blond hair is back in Disney Tangled: The Series, an animated series that continues the fantastic adventures of Rapunzel and Eugene that began in Disney's 50th animated classic, Tangled.

The Series : Hair-raising Adventures Byrd Book Llc

“A sweet, heart-squeezing story!” — Jaleigh Johnson, New York Times bestselling author of *The Mark of the Dragonfly* When seventh grade enemies research a missing set of jewels for a class project, they realize that the answers to the unsolved case might be much closer to home than they thought in this fun-filled mystery “as satisfying as hot soup on a cold day” (Kirkus Reviews, starred review). If you told Sloane Osburn and Amelia Miller-Poe that they’d be hiding in their town cemetery from an evil mastermind, they would have been hard-pressed to believe you. If you also told them that person was intent on beating them to a cache of long-lost jewels using nothing more than a slingshot and wicked aim, they’d have been sure you got your facts wrong. Finally, if you told them they’d be doing all of this as friends...well, they would have been sure you needed medical attention. Whether through serendipity (really, really good luck) or zemblanity (really, really bad luck), someone tricked their teacher into using their seventh-grade class to investigate the mystery of their town’s long-missing treasure. From there, things have escalated. Quickly. Now, the girls are stuck hiding behind a gravestone, dodging acorns (who knew acorns could be so threatening?), and just a few clues short of those jewels. It’s up to these enemies-turned-partners to uncover centuries-old clues to find the treasure at the end of this book before the mysterious person on their trail can get to it first...
