A sexy new forbidden romance from #1 NYT Bestselling Author Lauren Blakely... It seemed like a good

idea at the time... As the team's publicist, I need a football player to be the face of our charity calendar, and Jones Beckett needs a savvy PR woman to manage his new sponsorship deal. A simple give and take, and I'm sure I'll have no problem following my iron-clad rule — don't date a player. And never ever fall for one. No matter how charming, big-hearted and devilishly clever the man is. But you know what they say about best laid plans... Once I start spending my off-season days and nights with Jones, I'm following a brand new playbook, one that has me falling hard for the incorrigible flirt — heart, body and mind. That's against the rules, and now what seemed like a bright

idea has turned into a dangerously forbidden one. \*\*\* It was supposed to be an I-scratch-her-back-she-scratched-mine kind of arrangement. And man, did Jillian ever drag her nails down my back on one hell of a hot night. Okay fine, it was several hot nights on the road. Now we're back in town and it's time to set the play clock back to when we were simply player and publicist. Given the way the last few years have gone, I can't risk this deal. Trouble is, I want more than than just another night with her. What's a guy to do when he's always been most likely to score, but the woman he's falling for is way off limits?

NatalieDr. Easton is

part man, part myth. He's a formidable surgeon. Highly respected in his field. He also happens to be an ex-collegiate quarterback with a classically handsome face. Are you catching on yet? He's horrible. Beautiful. A walking Ralph Lauren ad. He's also so off limits he should come with a warning label: This way lies heartache. Not only is he an attending at the hospital where I'm training, he's also my brother's best friend. If you've lost count, that's two reasons why I plan on putting this ridiculous crush behind me. Besides, it's definitely not mutual. Dr. Easton has never once paid me special attention. No tempting smirks. Not even one subtle innuendo. To

him, I'm just another resident-all but invisible. Connor For the last five years, I've mentored Natalie in the OR, stayed in line, and kept my hands to myself, but it's been agonizing. Natalie is trouble in scrubs. A walking temptation I've been forced to ignore. For so long, I've wanted her in silence. By the time fate finally gets around to throwing me a bone, my patience has run out. Natalie's brother is leaving town, and he wants me to watch over her while he's gone. He has no idea how I feel about her. Neither does she. But she will. Haven't you heard good things come to those who wait, Natalie? Well...I've done my waiting.

At first, she imagines her family as a gang of outlaws, riding on horseback in masks, robbing trains, and traveling all the way to Mexico. But the reality is different: Setting off by car, they visit the tribe of Native Americans with whom Ned once lived, head to Las Vegas in search of Ned's magician brother, and wind up spending the summer with his eccentric mother on her ranch out west.
