Microsoft, Lego, Ferrari and more, plus up-to-date insights into the latest research and hot topics from across the world. common-sense notions. ‘OB in the news’ which prepares students to recognise and evaluate OB issues which often appear in the news when presented with them in newspapers, magazines, TV, etc. ‘Face the facts’: these boxes highlight interesting facts from recent surveys that emphasise key aspects of the text. For example, diversity across Europe, the extent of employee

engagement, and the popularity of working in teams. "As a whole, the content of the book is strong, and is well-structured with a European focus."
