COLTON GRIMES

Lost Milwaukee Farrar, Straus and Giroux
Masha can't wait for summer vacation with her dad. He's taking Masha and Sunny to a dude ranch and he has a big surprise for them. But Sunny has other plans. After some creative deception only an evil genius can pull off, Sunny rearranges the summer to include The Newton Camp of Mathematics. As always, Sunny's plans mean chaos for Masha. And who wants to spend the

summer at a camp where afternoon activities include math problems indoors? Haven't these kids heard of canoeing and horseback riding? But it turns out camp is a little bit fun . . . until Sunny goes missing. When Masha finds her sister, she discovers that Sunny purposely ran away. She knows what dad's big surprise really is, and she doesn't ever want to go home. Sunny has now gotten them both lost, but surely Masha can push that aside so the sisters can deal with this "surprise" together, right?

 Fires, hurricanes, neglect and progress
 erased much of Lake Charless physical
 history. The young town was a magnet
 for pirates and privateers, like the
 infamous Jean Lafitte, who conducted
 business at the mouth of what is today
 called the Contraband Bayou. Michigan
 Men, creoles and cowboys made their
 way to the fledgling Louisiana town to
 start new lives. A great lumber industry
 shaped the town in the nineteenth
 century. Streetcars ran routes around
 the clock seven days a week. Author and
 historian Adley Cormier delves deep into
 Lake Charless past to uncover a history
 that has been lost to time and change.

 NATURE AND ALL HUMANKIND ARE

ENDANGERED. WHO WILL STOP THE
 IMPENDING DISASTER? On a remote,
 wilderness estate, a young eagle falls
 from the sky, uninjured but unable to fly.
 A portent of strange events to come? At
 Lost Lake, twelve young adults from
 juvenile detention enter a program to
 restart their lives. Some take to the
 beauty of the natural world, helping
 wounded wildlife in the animal rehab
 clinic, and the outdoor survival training.
 Others conceal illegal agendas. Slowly,
 dangers will rise in the mountains,
 forests, and wetlands, and in the realm
 of international intrigue. The small group
 at Lost Lake will have to abandon
 conflicts and schemes if they are going
 to awaken and stand against grave
 threats, both to themselves and all life
 on earth. One boy with a difficult past

may be able to protect them-if his bizarre behavior doesn't get him sent back to detention. Dhani Singh Jones thinks he hears animal voices. Does he possess an ability that he himself hates and resists? How can he fore-know events and detect what's wrong with injured animals, when others can't? The survival trainer, a Marine veteran, is sure Dhani is a fraud. A Tibetan refugee helping in the animal clinic suspects his real past is not found in his police record but is concealed in forgotten mists of a past lifetime. Everyone at Lost Lake will wrestle with tough challenges and life-changing decisions to make-none more urgent than this: Is Dhani a dangerous con? Or is a force working through him to help save them all? The coming of the broken eagle touches off events that will

build to a dramatic climax on the edge of global disaster.

Toni Webster had a vision of what life in her thirties was going to be, but life as she knows it-homeless, jobless, and at odds with her best friend-is nowhere near what she'd hoped. To make matters worse, she has been called back to Lake Harbor, WI where she will be forced to confront past actions and lies.

Reluctantly, Toni returns with a plan to leave again as soon as possible. What she doesn't expect is the challenge Gran leaves for Toni in her will. Can a shoebox of letters change her life? It seems unlikely, but Toni has literally nothing

left to lose, and everything to gain, if she can find the courage to meet this challenge head-on. Maybe this will be just what she needs to finally set her life back on track. Here's to hoping!

From City Hall to the Pabst Theater, reminders of the past are part of the fabric of Milwaukee. Yet many historic treasures have been lost to time. An overgrown stretch of the Milwaukee River was once a famous beer garden. Blocks of homes and apartments replaced the Wonderland Amusement Park. A quiet bike path now stretches where some of fastest trains in the world previously thundered. Today's Estabrook Park was a vast mining operation, and Marquette University covers the old

fairgrounds where Abraham Lincoln spoke. Author Carl Swanson recounts these stories and other tales of bygone days.

Lost Lake Sportsman's Connection Ellen Hart was named the 2017 MWA Grand Master, the most distinguished lifetime achievement award offered in the mystery community. Restaurateur and part-time P.I. Jane Lawless is taking some much-needed time off at her family's lodge when her best friend, Cordelia, arrives with news that Tess,

one of their good friends, has taken a nasty fall and needs their help with rehearsals for a play that is set to open in a week. When Tess isn't on crutches, she helps run the Thunderhook Lodge, the premier resort on Lost Lake. And while she clearly needs Jane and Cordelia's assistance, she isn't exactly acting all that grateful. A man who claims to be a journalist has arrived in Lost Lake with an old photograph and some questions for Tess that go back decades. His questions have put her on edge, and when he shows up peeking through her kitchen window, everyone else is right there with her. As beloved as Tess is, there are plenty of people who don't care about any so-called journalist and are happy to protect her, but how far are they willing to take it?

And when will they need answers to questions that that only Tess can provide? In *The Lost Women of Lost Lake*—the most engrossing mystery yet from Lambda and Minnesota Book Award-winning, MWA Grand Master author Ellen Hart—Jane's only hope of protecting her friends from the secrets that are surfacing all around them is to uncover the whole truth before anyone else can.

Pleasure seekers have visited Lake Pontchartrain destinations for more than two centuries. From grand resorts like the Pontchartrain Hotel to simple camps at Little Woods, these shores welcomed visitors by steamboat and train to dance, dine, drink and gamble. Milneburg was home to a noted hotel and bathhouses, while Mandeville was a popular spot to escape the heat. Entertainment included the contortionist "Happy Frog" Holman, the Great Wallendas and Armand Piron's Jazz Orchestra. Join author Catherine Campanella for a fascinating look back at the camps, restaurants and amusement parks lost to nature, neglect and changing times.

After surviving a car crash that left her companions dead, a woman must recover her memory—and keep her own secrets hidden—in this gripping thriller. When a car crash sends a group of musicians plunging into a lake, the sole survivor is amateur viola player Rosie Chandler. Though she is unable to recall the event, Rosie is convinced it was no accident. Now she's seeing Dr. Samantha Willerby, a London-based clinical psychologist, to piece together the shards of her broken memory. But even as Rosie tries to uncover the truth, she has something to hide . . . Sam is immediately drawn to the tragic Rosie.

But as she helps her recover her memories, the police find disturbing evidence—evidence that raises new questions about Rosie. And when Rosie insists they return to the lake to relive the fatal incident, it will be Sam who is seriously out of her depth

That "kindly old investigator," Mr. Keen, sought missing persons and unraveled crimes longer than any other fictional detective ever heard or seen on the air. For 18 years (1937-1955) and 1690 nationwide broadcasts, Keen and his faithful assistant Mike Clancy kept listeners coming back for more. The nearest competitor, Nick Carter, Master Detective, ran for 726 broadcasts. This definitive history recounts the actors and creators behind the series, the changes

the show underwent, and the development of the Mr. Keen character. A complete episode guide details all of the program's 1,690 broadcasts.

Monica and Sean clash at a parent-teacher conference when Monica

accuses Sean of being too occupied with making money and chasing women to take a real interest in his son's life. But Sean is no pushover. He knows how to hold his own and deal with Monica, but after the incident at school, he's also come to realize that he can use Monica's devotion to his advantage. He propositions her to move into his home to babysit five-year old Roman for the three months of summer break, offering her a substantial amount of money, hoping that she'll accept. But is babysitting the only reason he's so anxious to get her into his mansion? Monica accepts his offer against her better judgment, knowing the rumors of Sean and his womanizing ways. She tells herself that she's doing this for Roman & that she can avoid her new, sexy,

summer boss ; his chiseled chest, pretty green eyes and charm that just won't quit. But after only a few weeks, Monica finds it a struggle to keep her eyes off of Sean. Can she handle staying focused on her babysitting gig for three months without being swept off of her feet by Milwaukee's finest? Or is Sean's game too much for the young, conservative teacher to handle? Having been heartbroken in the past, Monica is reluctant to play this dangerous game with a confirmed heartbreaker. But it's what she doesn't know about Sean that she should be concerned about. Sean knows her well ; too well, and it's those secrets that have the potential to make her love him or hate him. *Secrets On Lake Drive* is an emotional story about a woman looking to correct wrongs in her

life that could easily be solved by the secrets Sean quietly carries with him. The question is, will he ever care enough to tell her?

This book is a frontal attack on an entrenched orthodoxy. Our official, public vision of the early eighteenth century demonises Louis XIV and France and marginalises the Scots Jacobites. Louis is seen as an incorrigibly imperialistic monster and the enemy of liberty and all that is good and progressive. The Jacobite Scots are presented as so foolishly reactionary and dumbly loyal that they were (sadly)

incapable of recognising their manifest destiny as the cannon fodder of the first British empire. But what if Louis acted in defence of a nation's liberties and (for whatever reason) sought to right a historic injustice? What if the Scots Jacobites turn out to be the most radical, revolutionary party in early eighteenth-century British politics? Using newly discovered sources from the French and Scottish archives this exciting new book challenges our fundamental assumptions regarding the emergence of the fully British state in the early eighteenth century.

Ben's 13th year was when his family fell apart, but his 14th year is when his whole world, or more precisely, the

whole world, collapses. He had thought 13 was his unlucky number, the year that Time turned its back on him, but he was wrong; that year, it was he who had turned his back on Time. The following year, the fury of the sun turns back Time for everyone in the world. On PF (Power Failure) Day, a huge electromagnetic surge from the sun destroys the power grids and civilization as we know it. Living in the middle of downtown Kansas City makes survival nearly impossible. Starvation, dehydration, disease, freezing temperatures, and out-of-control fires imperil the desperate population. After facing unimaginable losses, Ben finds hope for the future when he meets Sara, who has endured her own share of agonizing loss. But when a murderous gang threatens to

take away everything Ben has left, they
flee to a wilderness area of a large city

park where they learn to live off the land
for survival.
