 A young widow encounters the man who fueled her dreams for years in this erotic Regency romance by the #1 New York Times bestselling author. Seven years ago, on the eve of her wedding, Lady Jessica Sheffield witnessed a scandalous scene: the young rakehell Alistair Caulfield giving himself to a very pleased—and paying—lady. Shocked yet titillated, Jessica nevertheless walked down the aisle. Throughout her serene yet unremarkable marriage, Alistair lived in her illicit fantasies. But now fate has left her a childless widow. Meanwhile, Alistair ran far from his disreputable life—and the beautiful debutant he could not have. Now a successful shipping merchant, he has little in common with the man Jessica once knew. But when she steps aboard his ship for a transatlantic passage, seven years' worth of denied pleasures are held in check by nothing more than a few layers of silk. And as they set sail, they finally surrender to overpowering waves of passion. “The book that inspired *Bared to You*.”—Sylvia

*A Dark Kiss of Rapture* Penguin

Class is in, but Evangeline Hollis is struggling to get through the requisite training to be a full-fledged Mark. When her class goes on a field trip to an abandoned military base, passing the course isn't just a matter of pride...it's a matter of life and death. There's a demon hidden among them, killing off Eve's classmates one by one. In *Eve of Destruction*, as the body count mounts, a ragtag team of cable TV ghost hunters unwittingly stumbles into the carnage. Now keeping the Mark system secret competes with the need to keep the "paranormal researchers" alive. With Cain on assignment and Abel on an investigation, Eve must fly solo on her hunt to stop a killer before he strikes again. Cursed by God, hunted by demons, desired by Cain and Abel... All in a day's work. For Evangeline Hollis, a long ago fling with a bad boy from the wrong side of the tracks just became a disaster of biblical proportions. One night with a leather-clad man of mystery has led to a divine punishment: the Mark of Cain. Thrust into a

world where sinners are drafted into service to kill demons, Eve's learning curve is short. A longtime agnostic, she begrudgingly maneuvers through a celestial bureaucracy where she is a valuable but ill-treated pawn. She's also become the latest point of contention in the oldest case of sibling rivalry in history... But she'll worry about all that later. Right now she's more concerned with learning to kill while staying alive. And saving the soul she'd never believed she had ... in S.J. Day's *Eve of Darkness*. The #1 worldwide phenomenon. *Bared to You* He was beautiful and brilliant, jagged and white-hot. I was drawn to him as I'd never been to anything or anyone in my life. At the brightest time in our lives, the darkness of his past encroached and threatened everything we'd worked so hard for.
