Guides both pastors and members to recognize key characteristics of a healthy church and then challenge each person to do his or her part in developing those characteristics in the local church body.

Memoirs of the Life and Times of Daniel De Foe FaithWords
 A Dominican-born academic tells the story of how the Great Books transformed his life—and why they have the power to speak to people of all backgrounds What is the value of a liberal education? Traditionally characterized by a rigorous engagement with the classics of Western thought and literature, this approach to education is all but extinct in American universities, replaced by flexible distribution requirements and ever-narrower academic specialization. Many academics attack the very idea of a Western canon as chauvinistic, while the general public increasingly doubts the value of the humanities. In *Rescuing Socrates*, Dominican-born American academic Roosevelt Montás tells the story of how a liberal education transformed his life, and offers an

intimate account of the relevance of the Great Books today, especially to members of historically marginalized communities. Montás emigrated from the Dominican Republic to Queens, New York, when he was twelve and encountered the Western classics as an undergraduate in Columbia University's renowned Core Curriculum, one of America's last remaining Great Books programs. The experience changed his life and determined his career—he went on to earn a PhD in English and comparative literature, serve as director of Columbia's Center for the Core Curriculum, and start a Great Books program for low-income high school students who aspire to be the first in their families to attend college. Weaving together memoir and literary reflection, *Rescuing Socrates* describes how four authors—Plato, Augustine, Freud, and Gandhi—had a profound impact on Montás's life. In doing so, the book drives home what it's like to experience a liberal education—and why it can still remake lives.

Leaders are a gift. God has given leaders to the church to equip the saints for the work of ministry, building her up in the faith and knowledge of God (Ephesians 4:12). But how does the Bible define spiritual leadership? What characteristics are essential in leading biblically? And what is the ultimate goal? In this short essay, John Piper answers these questions by explaining the true marks of a spiritual leader. Saturated in Scripture, and loaded with practical illustrations, this booklet will be instructive and challenging for anyone in a position of Christian leadership, as well as for anyone aspiring to lead spiritually.

"You and I were designed to press forward, to reach out, to climb higher." Half-hearted Christianity is common because it's easy. But in *The Pursuit of Excellence* Dr. George Sweeting explores the nine marks of Christians who pursue and attain excellence, including: Prayer Suffering Staying-Power Action He shares stories of excellence from faith heroes of the past and present. And he'll teach you how to break down the barriers standing in your way and press on even when it's difficult. Come and be blessed by the wisdom of an older brother in Christ and walk away inspired to pursue Christ passionately and with your whole self. "Full of practical and compelling principles that will help you do more than just survive, it will help you live with faith-fueled excellence." Mark Jobe, 10th President- Moody Bible Institute

Marks of a Disciple - Bible Study Book Ashley Stoyanoff Books

Did you know that . . . FROGS drink through their skin? Instead of swallowing water with their mouths, frogs absorb moisture through their skin. Frogs can also take in oxygen through their skin, which helps them breathe better in the water. FROGS eat with their eyes closed? The eyes help the frog swallow by lowering into its head and pushing the food down its throat. FROGS can jump 20 times their own length? That's like a human jumping past four school buses in one leap! FROGS have sticky tongues? Frogs don't use their hands to catch food . . . they just stick out their tongues! Flies, mosquitoes, and other yummy bugs stick to the tip and get pulled into the frog's mouth for dinner. SOME FROGS wear camouflage? Stripes and spots help frogs blend into their natural surroundings. Some frogs can even change color depending on their location or the weather. FROGS recycle? Frogs shed their skin about once a week. Then they eat the old skin to reuse the nutrients stored inside. FROGS can live to be 40 years old? Most frogs live from 4 to 15 years. A FROG wasn't always a frog? Every frog starts as a tiny egg that hatches into a tadpole. A tadpole has a round head and a tail and lives in the water like a fish. The tadpole eats a lot as its body changes and grows new parts. After three to four months, the tadpole has four legs and no tail and can live on land—it has become a frog! AWESOME! Did you know that you can become a new creature, too? You may not have a tail and live in the water, but God can give you a new life. Do you sometimes do things that make you feel bad inside? Maybe you were mean to someone at school or told a lie to your parents. God calls those bad things sin. Everyone is born knowing how to sin, and everyone who sins must be punished. But God, who loves us, doesn't want us to sin. He wants us to be like Him—loving, kind, and good. Just as a tadpole changes into a frog, God can help you become more like Him. God sent His only Son, Jesus, to earth to be a human, just

like us, except Jesus never sinned. Even so, He chose to die so that He could pay the death penalty for our sins. Three days after He died, God raised Him back to life again! Do you want to have a clean, new life? Then just believe in what Jesus did for you. Tell God that you are sorry for your sins and thank Him for sending Jesus to save you. The Bible says, "If anyone is in Christ, he is a new creation; the old has gone, the new has come!" (2 Corinthians 5:17). God will change you on the inside to make you a totally new creature—just like a tadpole changes into a frog. To do this, you can pray something like this: Dear God, I am sorry for the bad things I do. Thank You for sending Jesus to pay the penalty for my sins. Please change me on the inside and help keep me from sin so I can live a clean, new life for You. Amen. If you have just prayed to ask God to change you, write your name and address on the lines below and send it to us. We will send you a free booklet to help you grow in your new life with Christ. *Nicomachean Ethics* Penguin UK

The Spirit of Excellence combines the burning heart of a Christian with the burdened heart of a pastor, who desires to see more

people rising above the challenges of life to achieve high standards of excellence in all facets of life. Following lines of least resistance may be okay for natural water flows, but achieving excellence is sometimes like swimming upstream against the current. It requires decision, determination, courage, and faith to persevere against the odds and overcome the lure to settle down for the second best. It unleashes the genius in you to become the very person that God had in mind when He created you. When people are influenced to live out the qualities of integrity, transparent honesty, holiness, etc., and they in turn influence others—friends, relations, and contacts to do the same, then the world is transformed and become a better place for us all. You have probably heard the slogan "Every little helps," and you may wonder if this could ever apply to your contribution to this vast world. The truth is that you are important to God, and your unique contribution can set off chain reactions that influences many. So when it feels like a little drop of water in an ocean, remember that the ocean is made up of drops. This book contains spiritual gems, witty nuggets, and powerful illustrations that will inspire faith and confidence to aim high in living for God now and everywhere. You will be challenged and motivated to take hold of God and pursue a life of practical excellence irrespective of your past or present circumstances. By so doing, you will truly become the salt of the earth and light of the world (Matt. 5:13-16), i.e., shiny examples that preserves goodness and guides aright.

Songs of Innocence and of Experience is an collection of poems by William Blake. It appeared in two phases. A few first copies were printed and illuminated by William Blake himself in 1789; five years later he bound these poems with a set of new poems in a volume titled *Songs of Innocence and of Experience Shewing the Two Contrary States of the Human Soul*. William Blake was also a painter before the songs of innocence and experience and made paintings such as Oberon, Titania, and Puck dancing with fairies. "Innocence" and "Experience" are definitions of consciousness that rethink Milton's existential-mythic states of "Paradise" and "Fall". Often, interpretations of this collection centre around a mythical dualism, where "Innocence" represents the "unfallen world" and "Experience" represents the "fallen world". Blake categorizes our modes of perception that tend to coordinate with a chronology that would become standard in Romanticism: childhood is a state of protected innocence rather than original sin, but not immune to the fallen world and its institutions. This world sometimes impinges on childhood itself, and in any event becomes known through "experience", a state of being marked by the loss of childhood vitality, by fear and inhibition, by social and political corruption, and by the manifold oppression of Church, State, and the ruling classes. The volume's "Contrary States" are sometimes signalled by patently repeated or contrasted titles: in *Innocence*, *Infant Joy*, in *Experience*, *Infant Sorrow*; in *Innocence*, *The Lamb*, in *Experience*, *The Fly and The Tyger*. The stark simplicity of poems such as *The Chimney Sweeper* and *The Little Black Boy* display Blake's acute sensibility to the realities of poverty and exploitation that accompanied the "Dark Satanic Mills" of the Industrial Revolution.

Nicomachean Ethics Rowman & Littlefield

Nicomachean Ethics Aristotle - The *Nicomachean Ethics* is one of Aristotle's most widely read and influential works. Ideas central to ethics—that happiness is the end of human endeavor, that moral virtue is formed through action and habituation, and that good action requires prudence—found their most powerful proponent in the person medieval scholars simply called "the Philosopher." Drawing on their intimate knowledge of Aristotle's thought, Robert C. Bartlett and Susan D. Collins have produced here an English-language translation of the *Ethics* that is as remarkably

faithful to the original as it is graceful in its rendering. Aristotle is well known for the precision with which he chooses his words, and in this elegant translation his work has found its ideal match. Bartlett and Collins provide copious notes and a glossary providing context and further explanation for students, as well as an introduction and a substantial interpretive essay that sketch central arguments of the work and the seminal place of Aristotle's *Ethics* in his political philosophy as a whole. The *Nicomachean Ethics* has engaged the serious interest of readers across centuries and civilizations—of peoples ancient, medieval, and modern; pagan, Christian, Muslim, and Jewish—and this new edition will take its place as the standard English-language translation.

Getting through to someone is a critical, fine art. Whether you are dealing with a harried colleague, a stressed-out client, or an insecure spouse, things will go from bad to worse if you can't break through emotional barricades and get your message thoroughly communicated and registered. Drawing on his experience as a psychiatrist, business consultant, and coach, author Mark Goulston combines his background with the latest scientific research to help you turn the "impossible" and "unreachable" people in their lives into allies, devoted customers, loyal colleagues, and lifetime friends. In *Just Listen*, Goulston provides simple yet powerful techniques you can use to really get through to people including how to: make a powerful and positive first impression; listen effectively; make even a total stranger (potential client) feel understood; talk an angry or aggressive person away from an instinctual, unproductive reaction and toward a more rational mindset; and achieve buy-in--the linchpin of all persuasion, negotiation, and sales. Whether they're coworkers, friends, strangers, or enemies, the first make-or-break step in persuading anyone to do anything is getting them to hear you out. The invaluable principles in *Just Listen* will get you through that first tough step with anyone. With this groundbreaking book, you will be able to master the fine but critical art of effective communication.
