A model is a person with a role either to promote, display or advertise commercial products (notably fashion clothing in fashion shows) or to serve as a visual aid for people who are creating works of art or to pose for photography. Though models are predominantly female, there are also male models, especially to model clothing. Models may work professionally or casually.

The selection of Tips & Techniques at

Lima Beads is geared toward helping you become a better beader!. Lima Beads is an online bead store with gemstone beads, freshwater pearls, and cubic zirconia.

Tips & Techniques - Lima Beads

The skin tones are where my biggest complaints are, as I don't have anything super light or many in the tan and olive range. That is where my Copic collection comes in. Comparing these markers to Copics is like comparing a \$1,000 Macbook to a \$200 Chromebook, but I will make a few comparisons anyways since quality is important to consider.
